

**RESEARCH VOLUME OF THE
SURREY ARCHÆOLOGICAL SOCIETY
No. 2**

ALSTED:

**Excavation of a Thirteenth-
Fourteenth Century Sub-Manor House
with its Ironworks in Netherne Wood,
Merstham, Surrey**

By Lesley L. Ketteringham

**Surrey Archæological Society
Castle Arch, Guildford
1976**

The Council of the Surrey Archaeological Society desires it to be distinctly understood that it is not responsible for any statement or opinions expressed in the *Collections* or any other of its publications, the authors of the communications and articles being alone accountable for the same.

Copyright in individual papers normally rests with the authors. Requests for permission to reproduce material should be made to the author's concerned. Copyright in the complete volumes, however, rests with the Society.
