

A417 Vol.2  
(please refer to Vol.1)

## LIST OF FIGURES

1. The Proposed Road Scheme and Survey Area
- 2 Land Use (October 1993)
3. Surface Indications of Ridge-and-Furrow (October 1993)
4. Known Instances of Ridge-and-Furrow
5. Geophysical Location: Areas A-C
- 6 Geophysical Location: Areas D-H
- 7 Geophysical Location: Areas J and K
8. Field Survey Numbers
- 9 Site Numbers and Areas of Potential Archaeological Interest Identified in Stage I Survey
10. Sites I and II: Trenches and Geophysical Survey Areas
- 11 Geophysical Results: Area H
12. Site II: Trenches and Geophysical Areas
13. Geophysical Results: Area D
- 14 Geophysical Results: Area E
15. Geophysical Results: Area F
16. Geophysical Results: Area G
- 17 Geophysical Results: Area A
18. Geophysical Results: Area B
- 19 Geophysical Results: Area C
20. Site VI: Trenches and Geophysical Survey Areas
- 21 Geophysical Results: Area J
22. Geophysical Results: Area K
23. Site VII: Trenches and Surface Finds Clusters

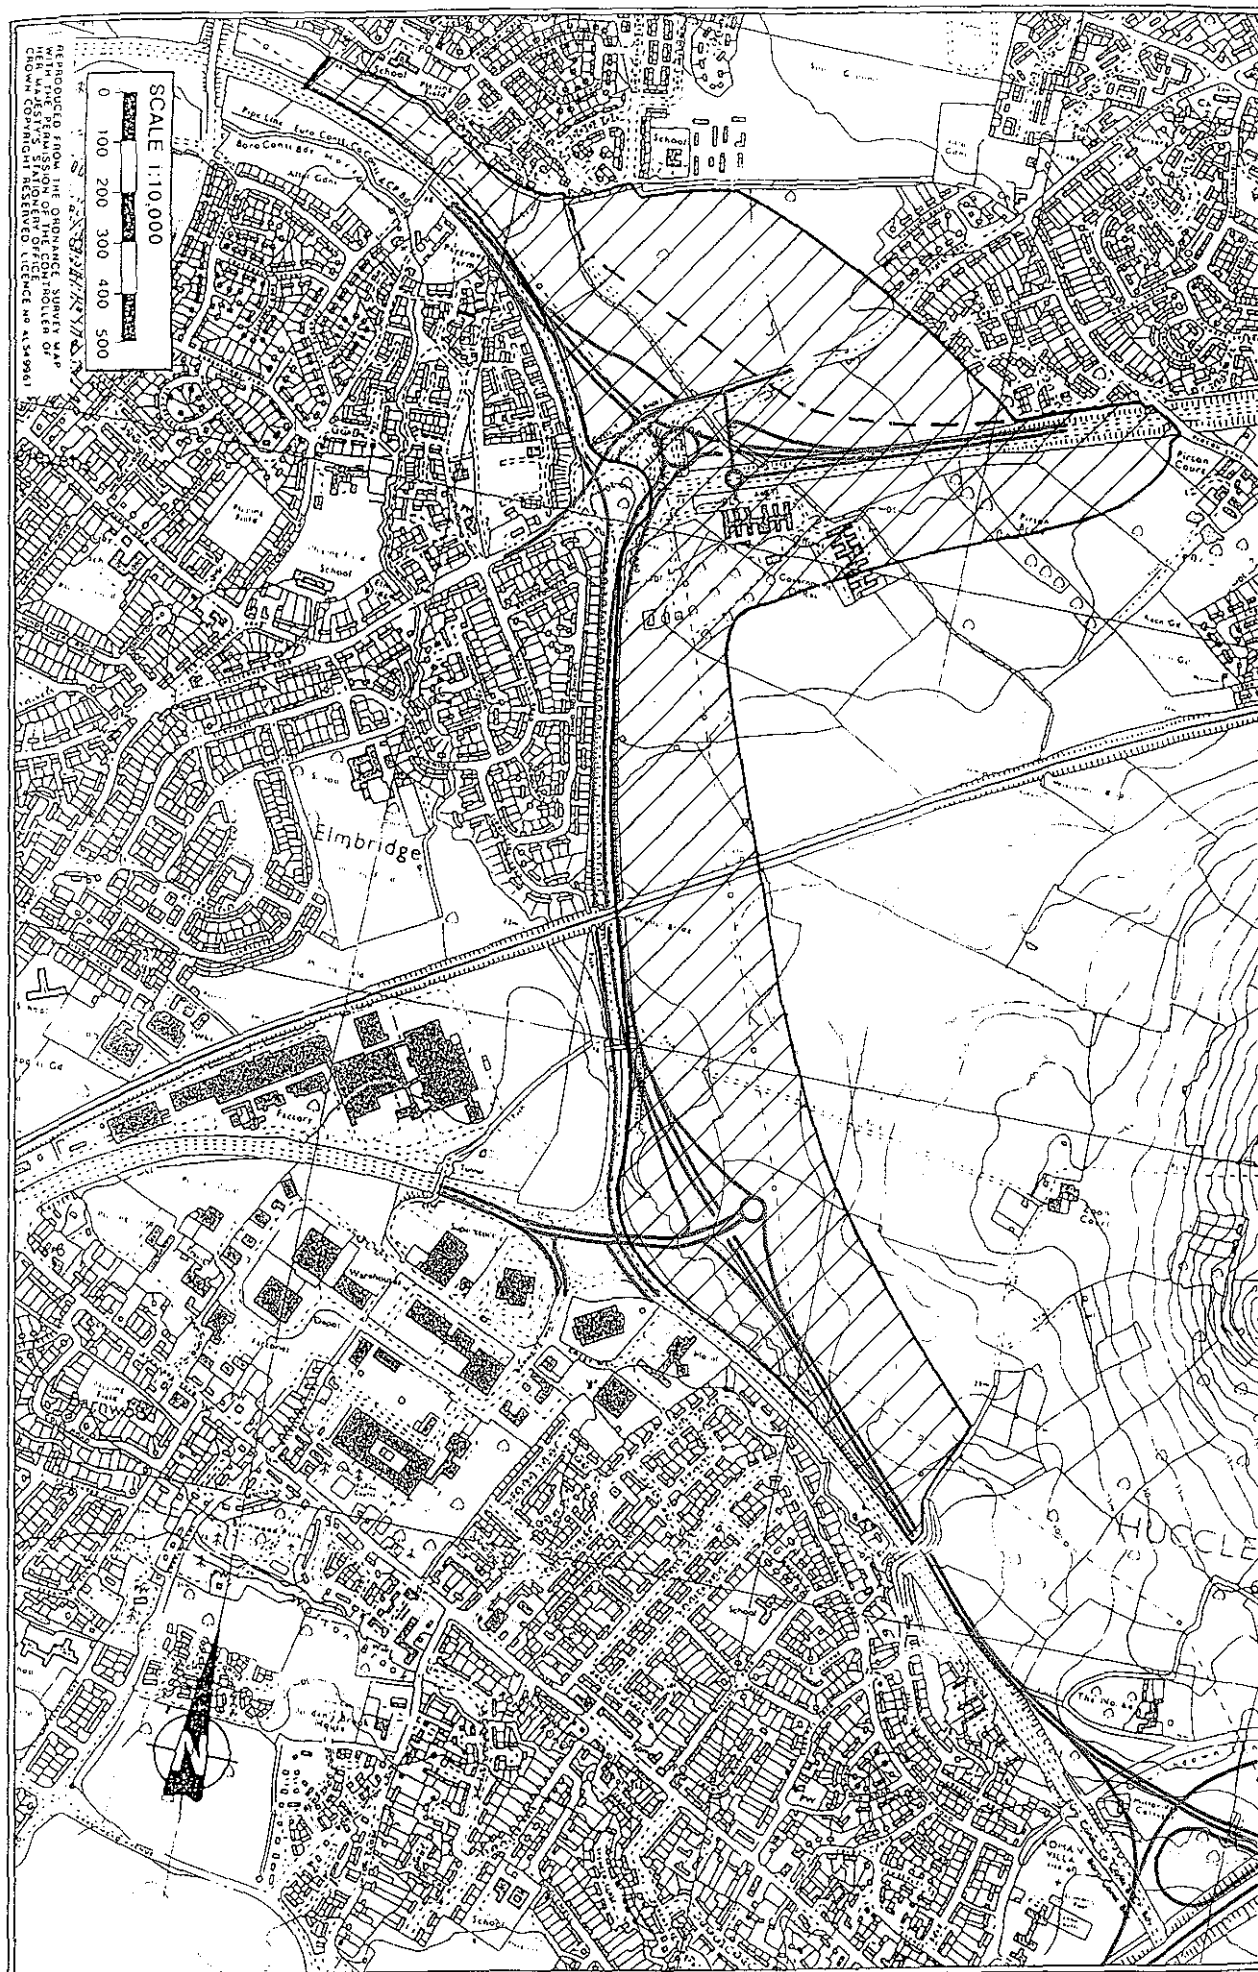

FIG 1 The Proposed Road Scheme  
& Survey Area.

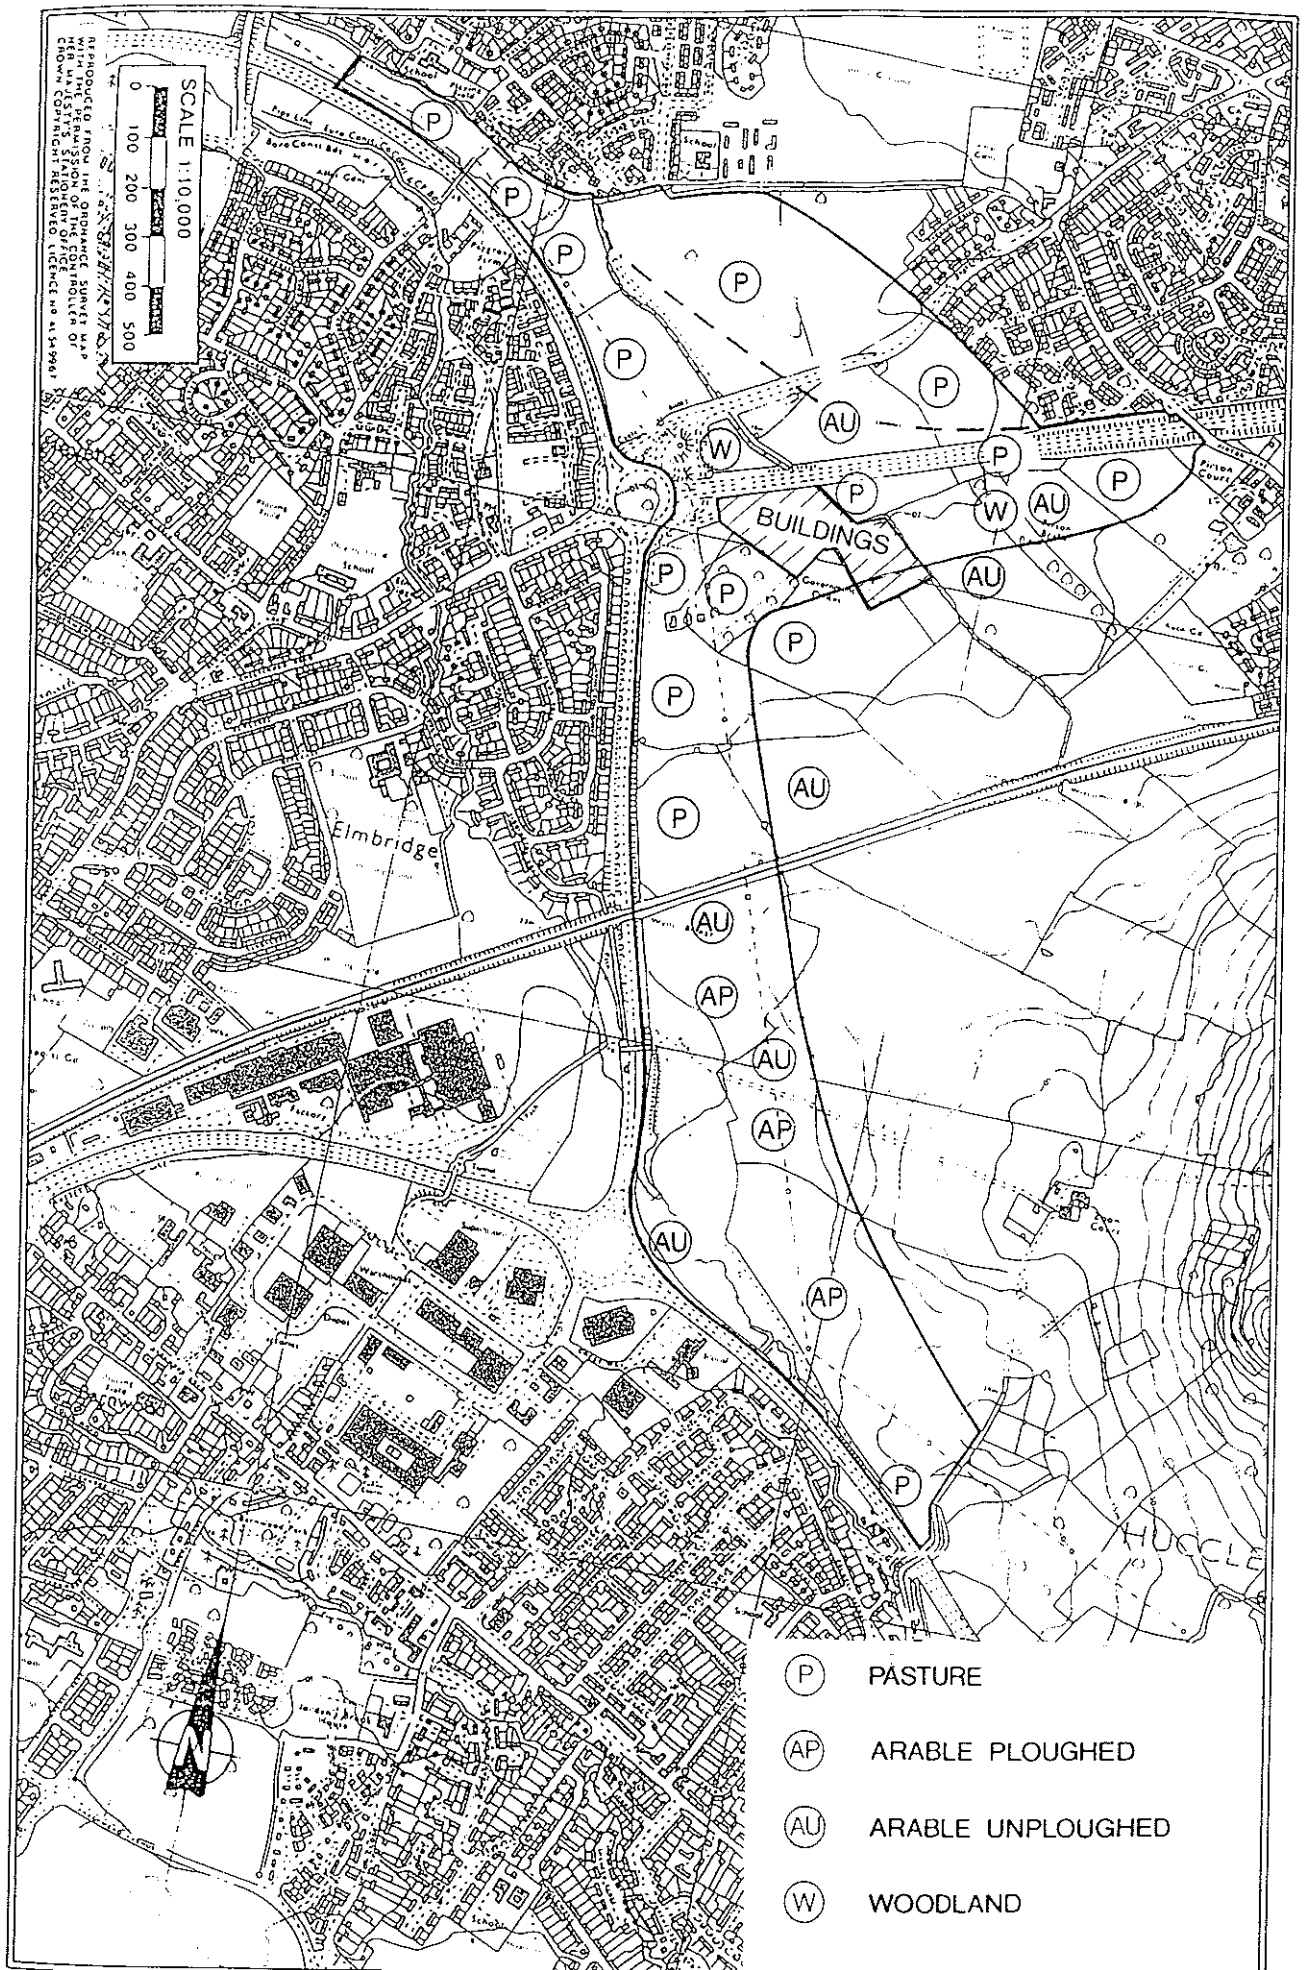

FIG2. Land Use (October 1993)

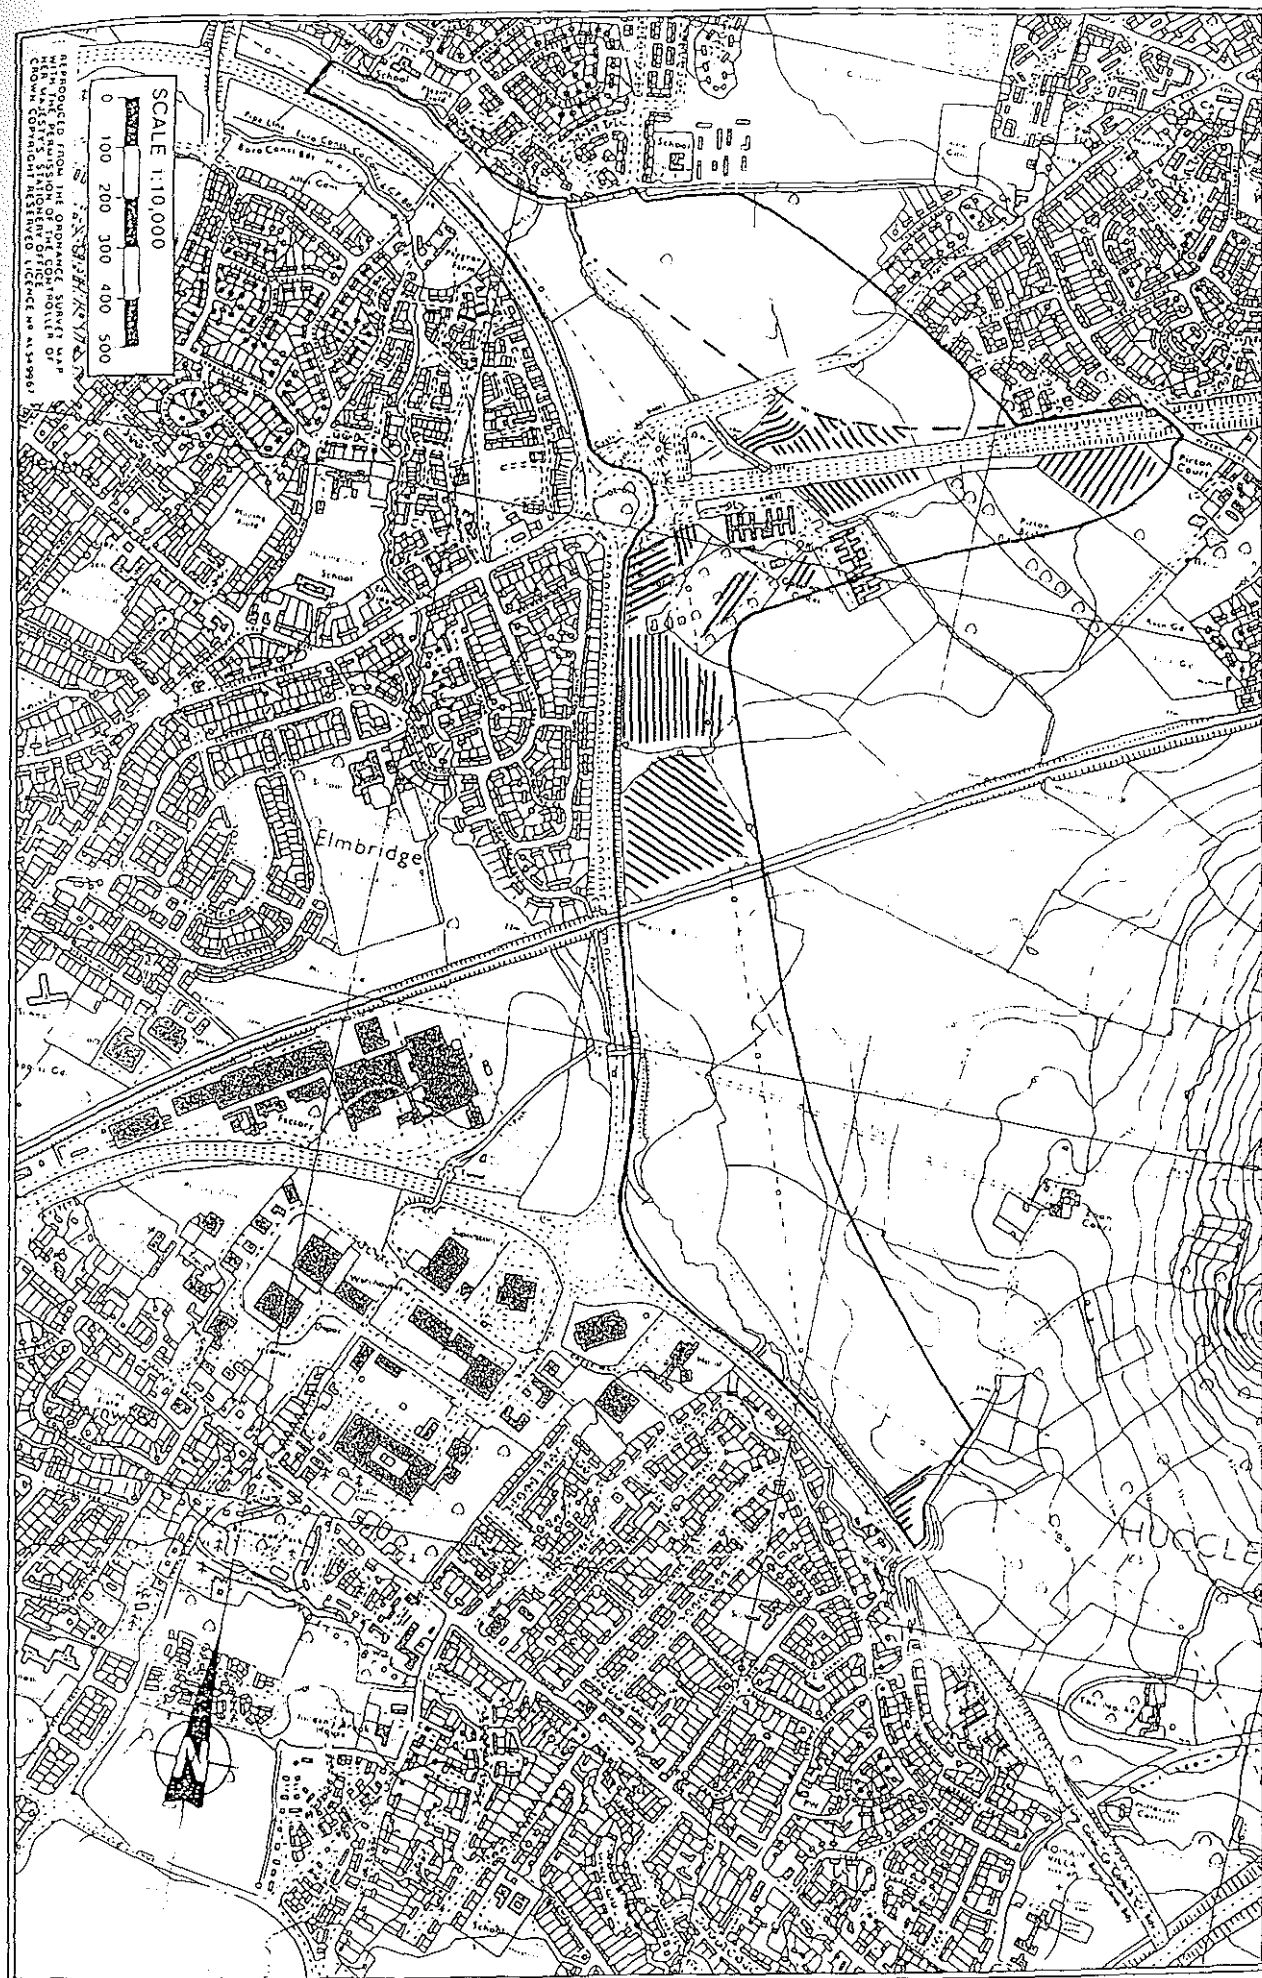

FIG.3 Surface Indications of Rigde & Furrow (October 1993).

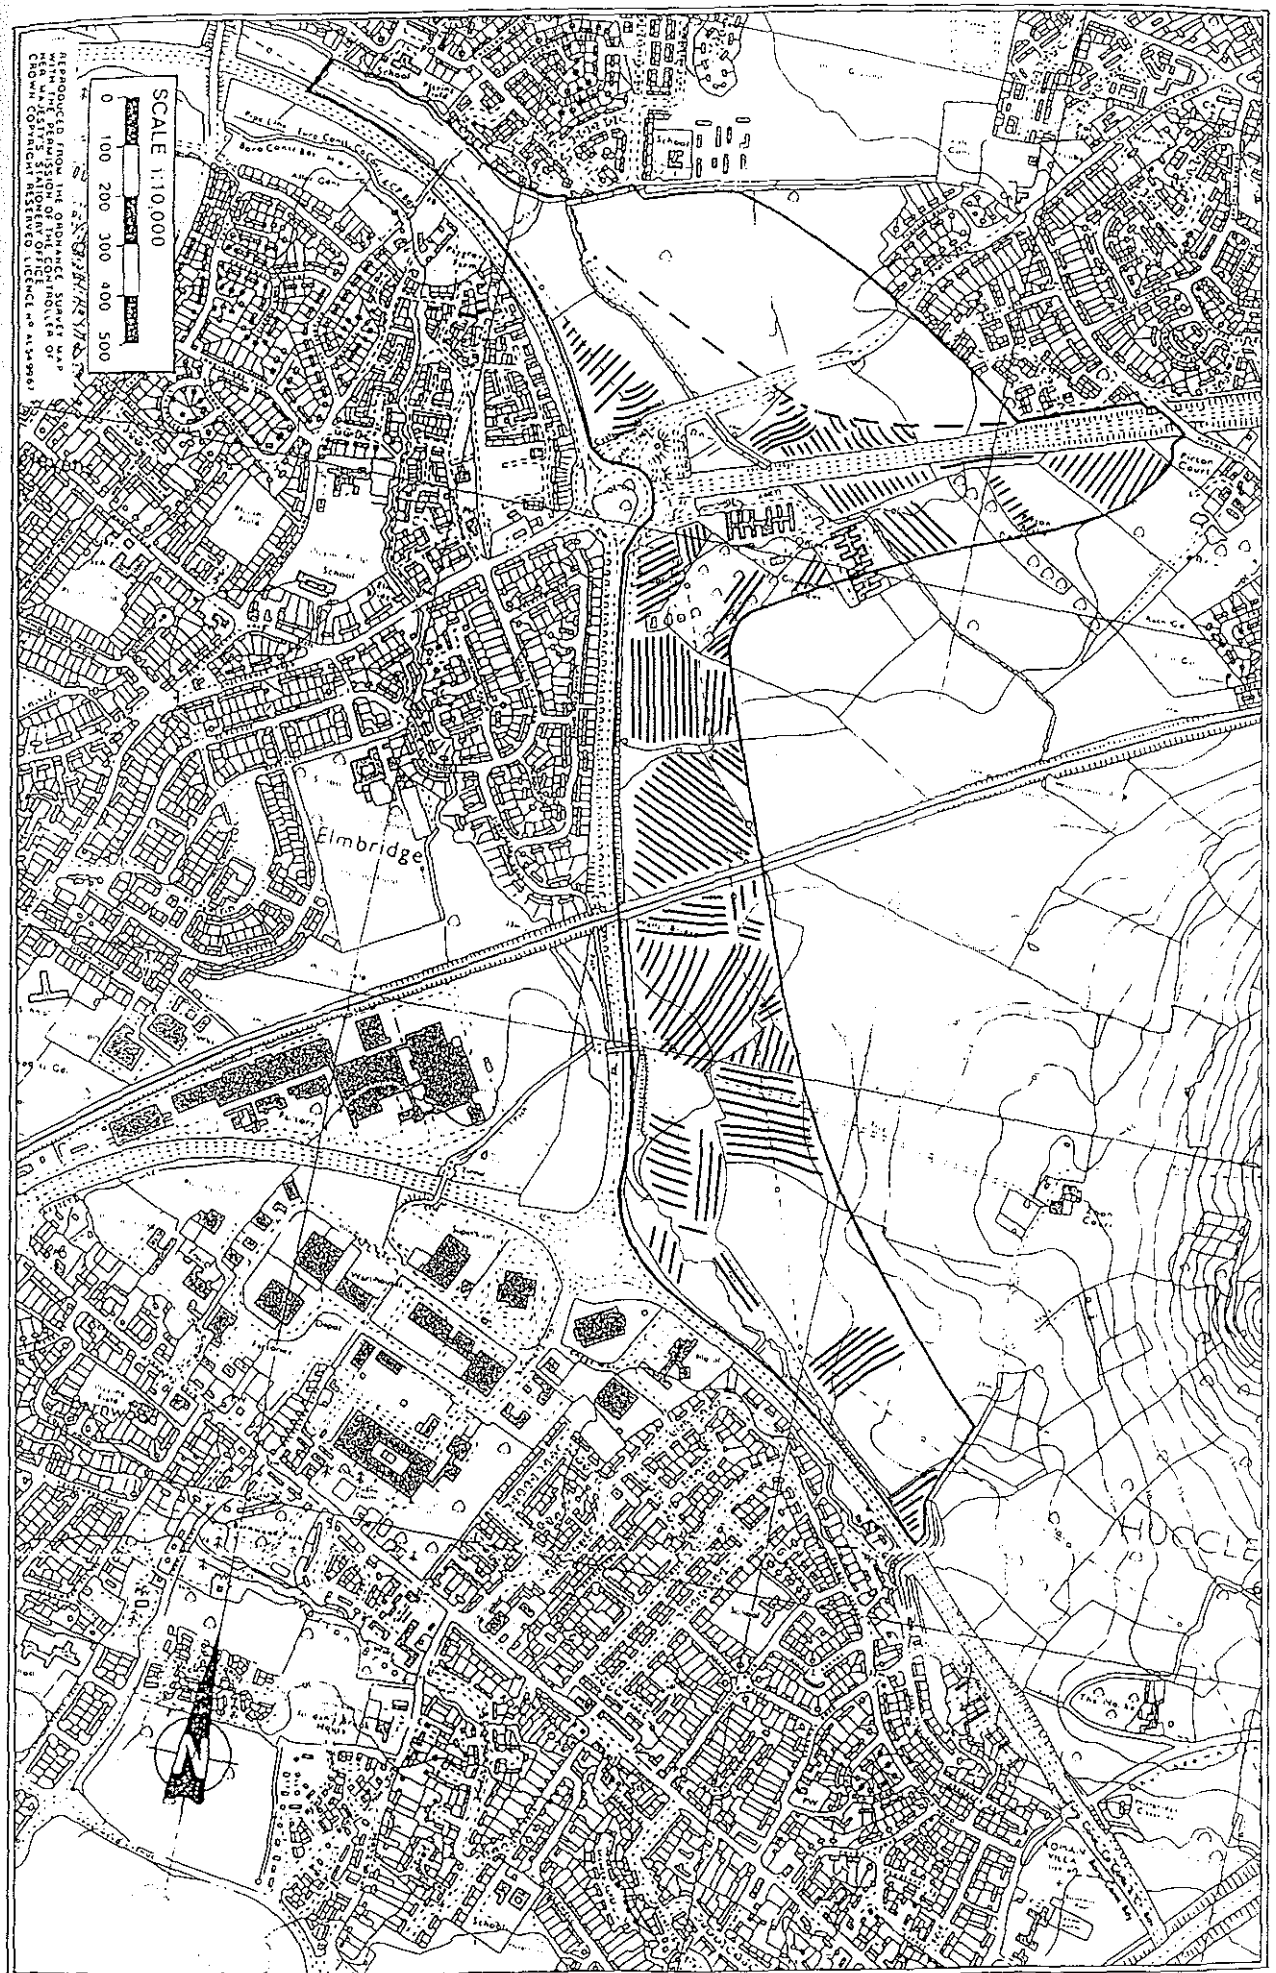

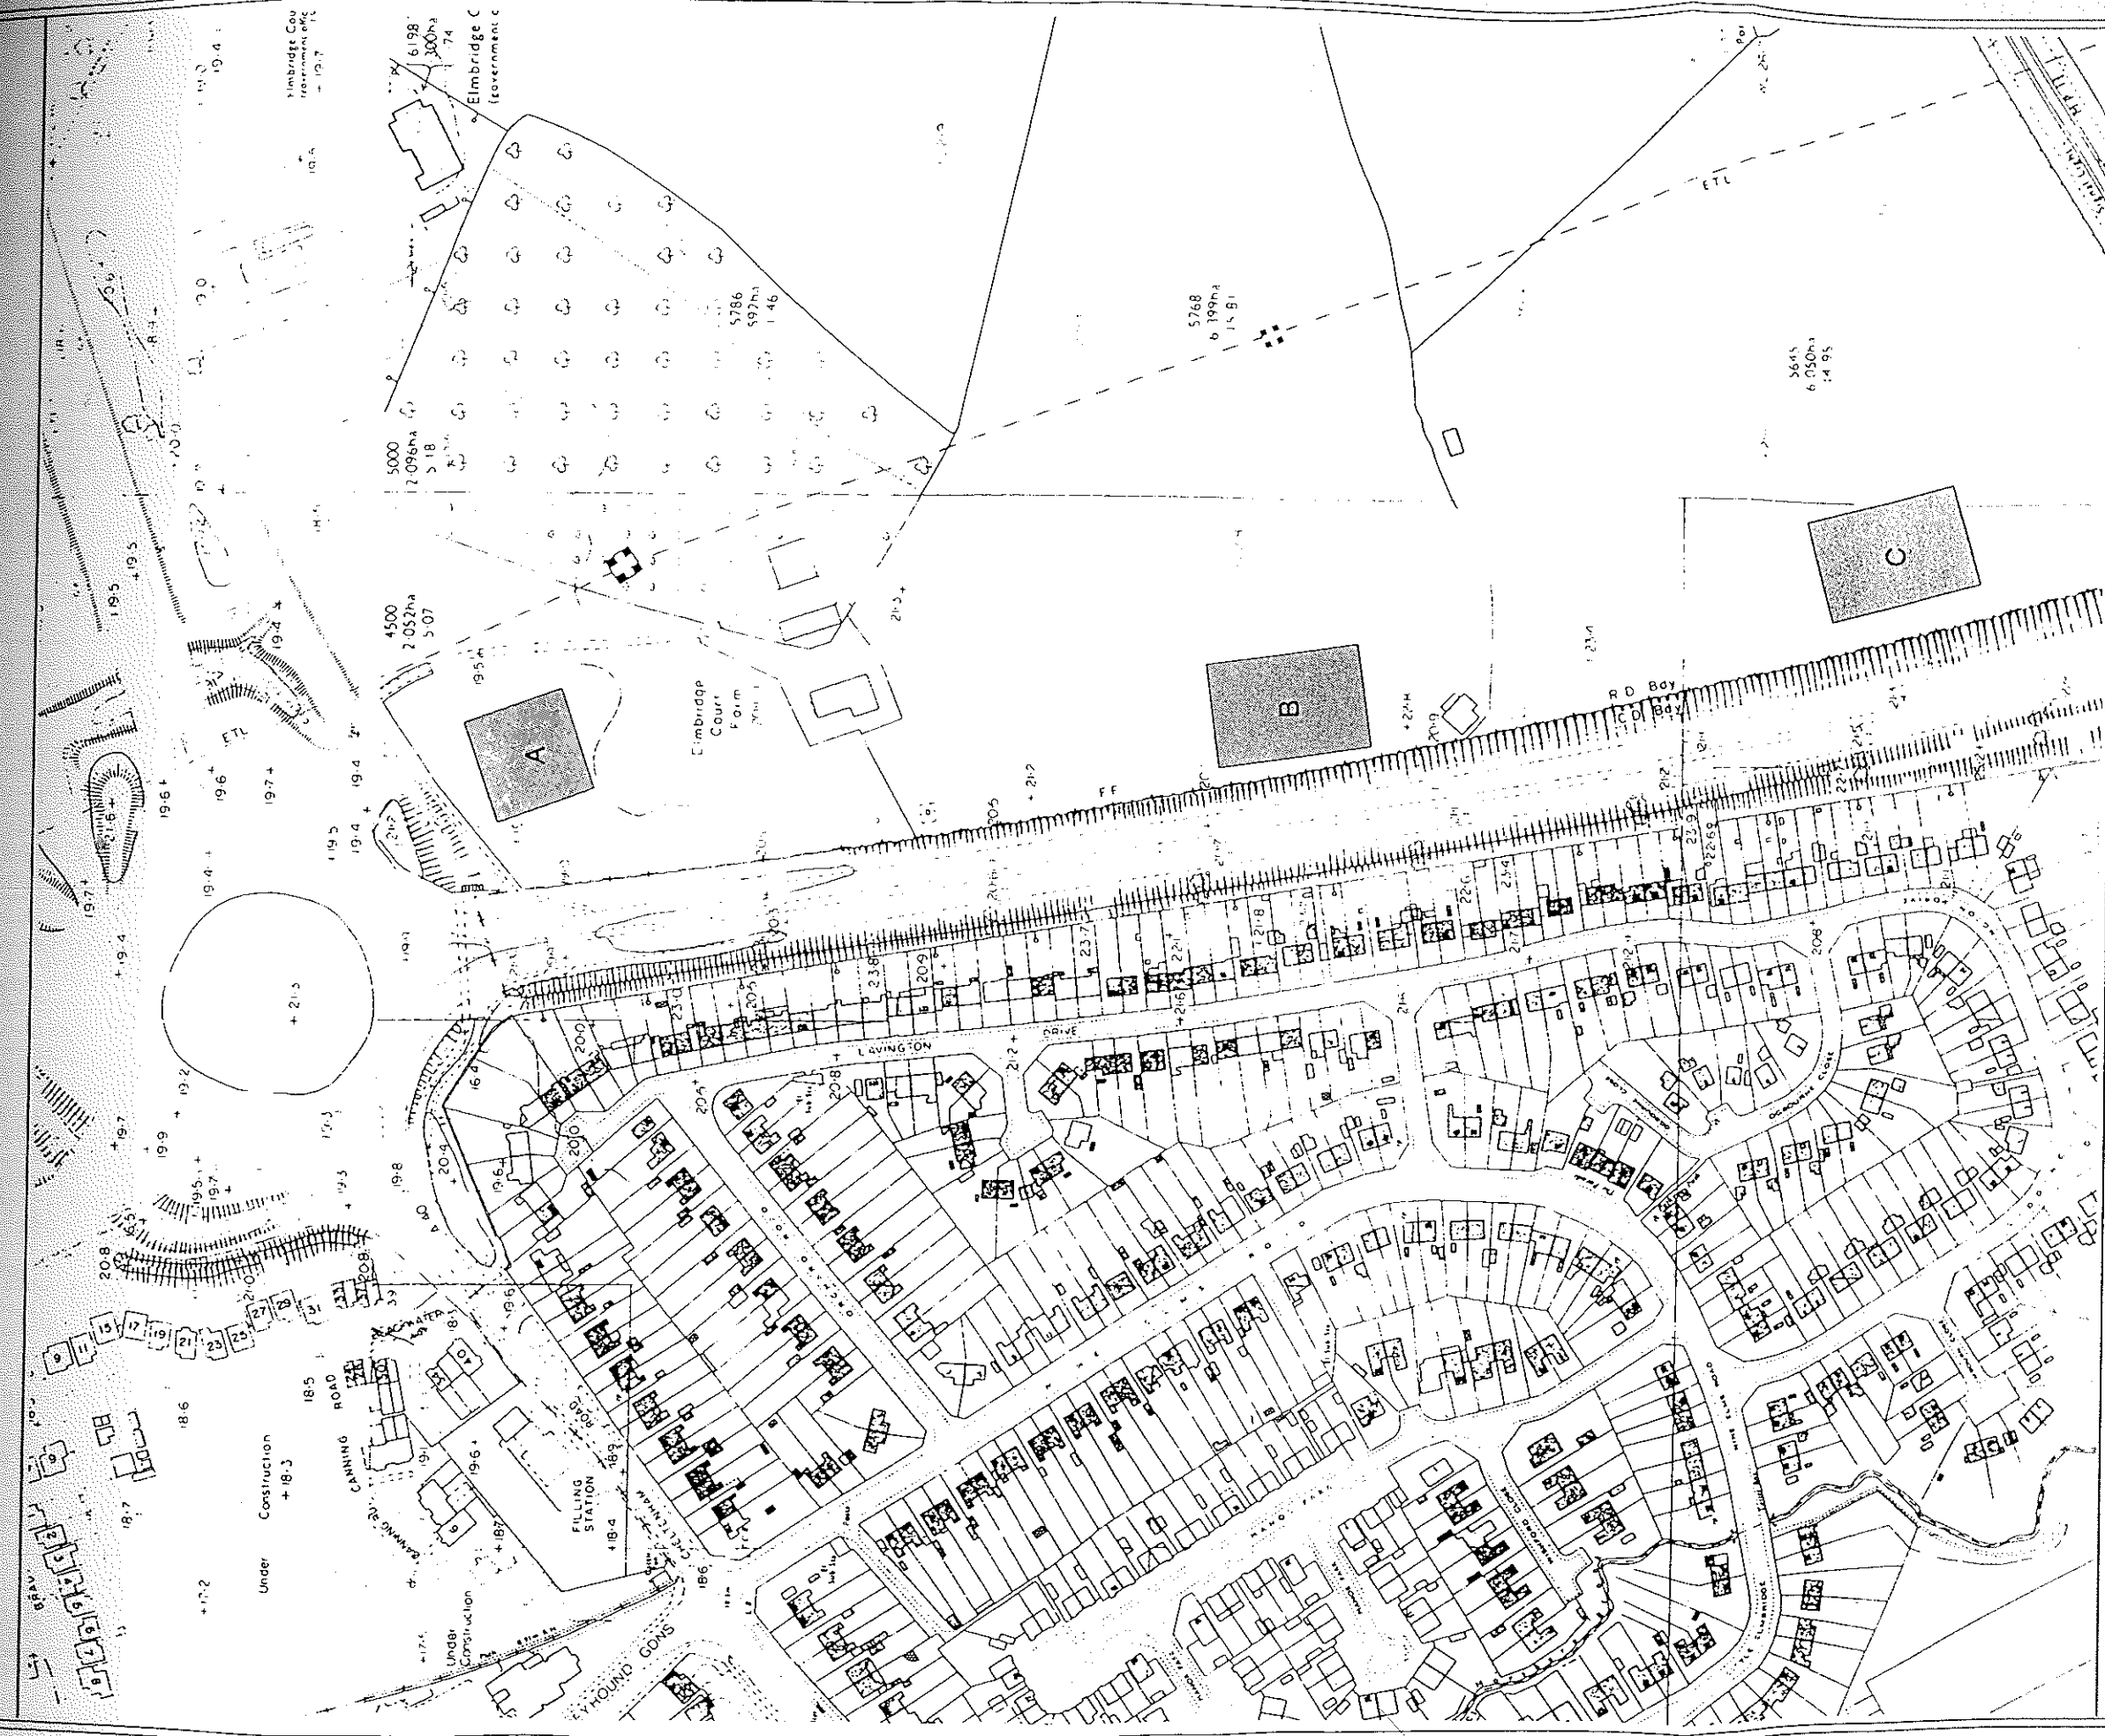

FIG.4. Known Instances of Ridge & Furrow

# ELMBRIDGE COURT

## Location of Survey Areas A-C

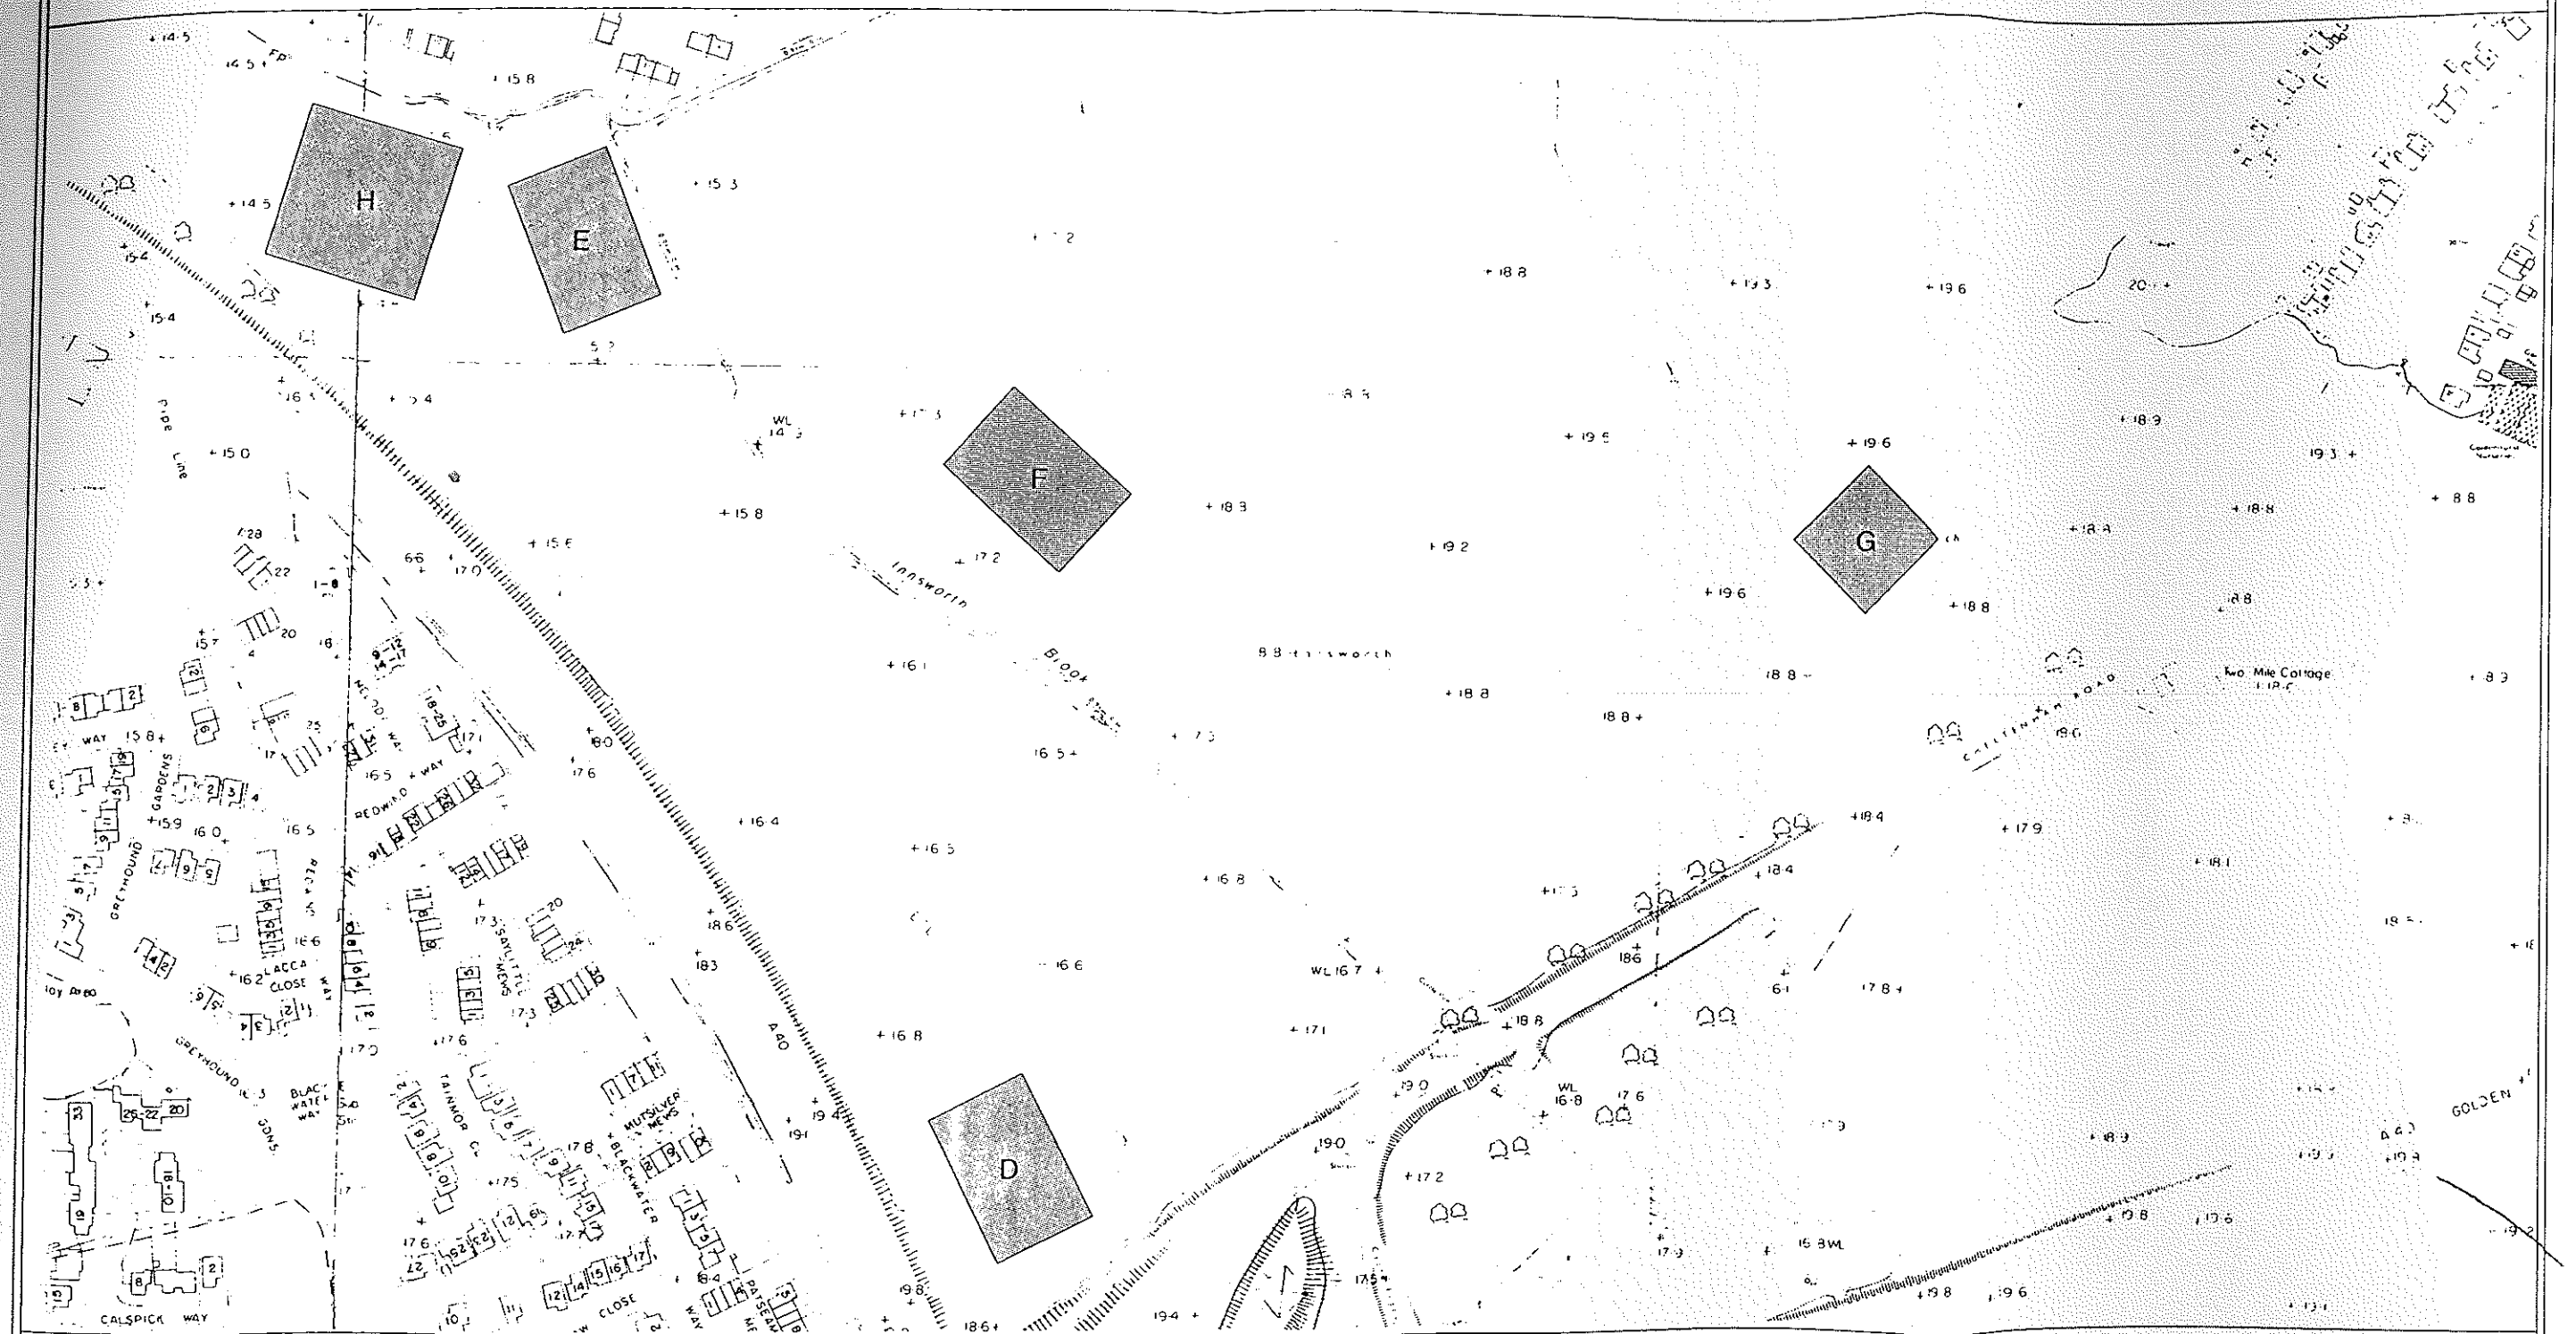

BASED UPON THE ORDNANCE  
SURVEY MAP WITH THE PERMISSION  
OF THE CONTROLLER OF HMSO  
CROWN COPYRIGHT

1:2500

FIG.5.

# ELMBRIDGE COURT

## Location of Survey Areas D-H

Based Upon The Ordnance  
Survey Map With The Permission  
Of The Controller Of HMSO  
Crown Copyright

1:2500

FIG. 6.

A circle with a shaded sector and a shaded triangle. The sector is formed by two radii and an arc, and the triangle is formed by the two radii and a chord. The sector is shaded black, and the triangle is shaded white.
