THE ROYAL ARCHAEOLOGICAL INSTITUTE OF GREAT BRITAIN AND IRELAND was established in 1843 for the encouragement of intelligent research into British antiquities, and of vigilant care for their preservation. It has constantly advocated an increased attention to all national vestiges and memorials of remote antiquity or of mediaeval character, and endeavoured to throw light on their date or peculiarities. The Institute seeks to create an interest in such subjects, to ensure their preservation, and to provide for their record in the *Archaeological Journal*.

It is confidently believed that in the present extended interest felt in the investigations of historical evidence and national monuments of every description, the purpose of THE ROYAL ARCHAEOLOGICAL INSTITUTE will be recognised by many persons who have not hitherto taken a part in its proceedings, or noticed its influence to preserve ancient remains.

MONTHLY MEETINGS.

Afternoon meetings are held during the session in the apartments of the Society of Antiquaries, Burlington House, Piccadilly. Objects of antiquity are exhibited, papers read upon antiquarian, historical and architectural subjects, and particulars given of recent discoveries.

THE SUMMER MEETING.

A meeting is held annually, towards the end of July, usually extending over a week, at some place which has been chosen on account of its archaeological interest, or as being a centre from which remarkable historical sites and ancient memorials may be visited. Investigations of antiquities, architecture and history are undertaken, and papers read and discussed, relating chiefly to local objects of interest. Excursions are made under the guidance of persons most conversant with the locality. In 1923 and 1924 the Institute met at Norwich and Winchester, and in 1925 at Newcastle-upon-Tyne. In 1926 and 1927 meetings were held at Birmingham and at Cambridge.

SPRING AND AUTUMN MEETINGS.

Spring and autumn meetings are also occasionally held for the examination and study of ancient buildings in and around London.

MEMBERSHIP OF THE INSTITUTE.

All persons desirous of becoming Members of the Institute, and of receiving the Publications of the Society, are requested to communicate with the Secretary. It is required that each Candidate shall be proposed by a Member of the Council, or by two Members of the Institute. Entrance Fee, One Guinea. Life Composition, Fifteen Guineas. Annual Subscription, One Guinea.

Members have the privilege of access to and the use of the Library of the Society of Antiquaries, Burlington House, W. and, *provided that their subscription is not in arrear*, are entitled to receive the *ARCHAEOLOGICAL JOURNAL* delivered gratuitously.

Subscriptions to the Institute (due annually, in advance, on 1st January) are payable by crossed Cheque or Postal Order, drawn to the order of the Institute and addressed to the Secretary, 18 Queen Anne's Gate, S.W. or by means of a banker's order direct to the Bankers of the Society, Messrs *COUTTS & Co.*, Strand, W.C. A form of banker's order may be had on application to the Secretary.

To obviate disappointment by non-delivery of the *ARCHAEOLOGICAL JOURNAL*, Members are requested to remit their Subscriptions punctually. Information as to any change of address, resignation or death, or of any inaccuracy or omission which may occur in the printed List of Members, should be sent at once to the Secretary.

Members wishing to resign should signify their intention in *writing* previously to 1st January of any year, otherwise they will be considered liable to pay the subscription for that year. On the Subscription becoming in arrear, the delivery of the *ARCHAEOLOGICAL JOURNAL* is liable to be discontinued. Members two years in arrear will be struck off the List.

Honorary Secretary.
