THE ROYAL ARCHAEOLOGICAL INSTITUTE OF GREAT BRITAIN AND IRELAND was established in 1843 for the encouragement of intelligent research into British antiquities, and of vigilant care for their preservation. It has constantly advocated an increased attention to all national vestiges and memorials of remote antiquity or of medieval character, and endeavoured to throw light on their date or peculiarities. The Institute endeavours to create an interest in such subjects, to ensure their preservation if possible, and to provide for their record in the *Archaeological Journal*.

It is confidently believed that, in the present extended interest felt in the investigation of historical evidence and national monuments of every description, the purpose of THE ROYAL ARCHAEOLOGICAL INSTITUTE will be recognised by many persons who have not hitherto taken a part in its proceedings, or noticed its influence to preserve ancient remains.

THE ARCHAEOLOGICAL JOURNAL.

A Journal is published in which the chief papers read at the meetings are printed, with such illustrations as may be desirable, and a report given of the proceedings. Communications received from corresponding members in foreign lands are also reported. The Journal has now completed its ninety-first volume, and comprises a vast amount of antiquarian information.

Besides the Journal, various works have been published under the auspices of the Institute, illustrating many archaeological subjects, and the antiquities and history of certain localities. A list of those still in stock is printed on the cover of the Journal.

MONTHLY MEETINGS.

Afternoon meetings are held during the session in the apartments of the Society of Antiquaries, Burlington House, Piccadilly. Objects of antiquity are exhibited, papers read upon antiquarian, historical and architectural subjects, and particulars given of recent discoveries.

THE SUMMER MEETING.

A meeting is held annually, towards the middle of July, usually extending over a week, at some place which has been chosen on account of its archaeological interest, or as being a centre from which remarkable historical sites and ancient memorials may be visited. Investigations of antiquities, architecture, and history are undertaken, and papers read and discussed, relating chiefly to local objects of interest. Excursions are made under the guidance of persons most conversant with the locality. In 1925 and 1926 the Institute met at Newcastle-on-Tyne and at Birmingham, and in 1927 at Cambridge. In 1928 and 1929 the meetings were held at Shrewsbury and Canterbury, in 1930 at Bath, in 1931 at Dublin, and in 1932 at King's Lynn.

SPRING AND AUTUMN MEETINGS.

Spring and autumn meetings are also held for the examination and study of ancient buildings in and around London.

THE LIBRARY.

Members have the privilege of access to the library of the Society of Antiquaries at Burlington House.

ADMISSION OF MEMBERS.

The Institute consists of life members, the amount of whose composition is fifteen guineas (minimum); and annual members and subscribing Societies and Institutions, whose annual subscription is respectively one guinea and one pound (the latter including the Journal only). The entrance fee of life and annual members is one guinea. No entrance fee is payable by subscribing Societies and Institutions.

Candidates for membership are elected upon the nomination of one member of the Council or of two ordinary members of the Institute.

All subscriptions become due on 1st January in each year. The subscription may be paid direct to MESSRS. COUTTS, 440 Strand, London, W.C., by means of a Bankers' Order, which can be had from the Secretary of the Institute on application, or to the Secretary by Cheque or Postal Order made payable to THE ROYAL ARCHAEOLOGICAL INSTITUTE, crossed 'COUTTS & Co.'

By adopting the former method of payment members will save considerable time and trouble, both to themselves and to the Officers of the Institute, and it is therefore hoped that they will cause their subscriptions to be paid in this way.

To ensure the delivery of the *Archaeological Journal*, members are requested to remit their subscriptions punctually. Information as to any change of address, resignation or death, or of any inaccuracy or omission which may occur in the printed List of Members, should be sent at once to the Secretary.

Members wishing to resign should signify their intention in *writing* previously to 1st January of any year, otherwise they will be considered liable to pay the subscription for that year. On the Subscription becoming in arrear, the delivery of the ARCHAEOLOGICAL JOURNAL is liable to be discontinued.
