

## COMMUNITY ACCESS TO ARCHIVE OFFICES

Thank you for taking the time to look at this questionnaire, which is part of an English Heritage project titled **Expanding the Neighbourhood Plan Evidence Base**.

### **The Questionnaire**

The questionnaire is structured into 3 sections. **Please complete multiple choice questions using the letter 'x'**. Each question has a short explanatory sentence indicating whether one or multiple boxes should be checked. For free text questions we welcome as much concise detail as you can supply. We would be grateful if you could avoid the use of 'jargon' in your replies. A brief glossary of terms is included in a separate document to help in the interpretation of some questions.

We hope you'll find everything straightforward. We've attached some explanatory notes about the questionnaire, which we hope will enable you to complete the questionnaire as fully as possible. However if you do have any problems please don't hesitate to give us a call on the numbers below, and we'll gladly talk things through. Thank you again for sharing your information with us.

## **SECTION 2: ACCESSIBILITY**

This section is divided into three parts, investigating online access to holdings, remote enquiries and requests for research, and physical access by a member of the public.

### **> ONLINE**

A growing number of archives are providing information online, including via third party websites (e.g findmypast, ancestry). The styles of website vary considerably, particularly according to the information displayed, the different structures in which information is held, and the resources available.
