Fineness does not depend much on size. A good design will bear enlargement or diminution without much altering its quality.

On this basis the *distinguished* towers of Cambridgeshire may be classed as follows:—

1st Class	{ Haslingfield. Swaffham Prior St Cyriac's, <i>when complete</i> .
	{ Soham. Sutton.
2nd Class	{ Cambridge Gt. St Mary's. Swaffham Prior St Mary's, <i>when complete</i> . Wisbech.
3rd Class	{ Melbourn. Swavesey. Burwell.

St Benet's cannot fairly be classed with these, since, although excellent for its period, it is a primitive or archaic building.
