# The Proceedings

## Editorial notices

1 The Editor welcomes the submission of articles on the history and archaeology of the County for publication in the *Proceedings*, but in order to avoid disappointment potential contributors are advised to write to the Editor, to enquire whether the subject is likely to be of interest to the Society, before submitting a final text. The Editor, if necessary with the advice of the editorial committee, reserves the right to refuse to publish any papers even when an earlier approval of the subject has been given.

2 Authors are reminded that the cost of printing is high and that, all other things being equal, a short and succinct paper is more likely to be published than a long one. It would also assist the Editor if contributors who know of possible sources of subventions towards the cost of printing their paper would inform the Editor of this when submitting their manuscript.

3 Illustrations must be of high quality. They should not be more than twice the size intended for publication and they should be accompanied by a list of captions.

4 The copyright of both text and illustrations will normally remain with the author, and where relevant the photographer and draughtsman, but to simplify future administration contributors are invited to assign their copyright on a form that will be supplied by the Editor.

## Back numbers

Members might like to know that a considerable stock of back numbers of the *Proceedings* can be obtained from the Honorary Librarian, who also has copies of many publications in the Quarto and Octavo series for sale.

## Membership

Subscriptions (£6 annually) and inquiries about membership should be sent to the registrar, Mrs R. Desmond, 3 Orchard Estate, Cherry Hinton, Cambridge CB1 3JW.

The Proceedings are produced for the Society by Christopher & Anne Chippindale  
Printed and bound in Great Britain by Warwick Printing Co. Ltd.,  
Theatre Street, Warwick CV34 4DR
