CONTENTS

WALKING THE FURROWS: A LITHICS TRANSECT ACROSS THE PEAK John Barnatt and Mark Edmonds	1
PREHISTORIC ROCK ART, DOBB EDGE, BASLOW John Barnatt	78
THE EXCAVATION OF TWO ROUND BARROWS AT LONGSTONE EDGE, DERBYSHIRE Jonathan Last	81
ARCHAEOLOGICAL INVESTIGATIONS AT BAKEWELL CHURCHYARD AND HASSOP ROAD ROUNDABOUT, DERBYSHIRE Alvaro Mora-Ottomano	173
THE WARSHIP AND MARRIAGE OF ROBERT BARLEY, FIRST HUSBAND OF ‘BESS OF HARDWICK’ Terry Kilburn	197
A HARDWICK SCANDAL OF THE EARLY SEVENTEENTH CENTURY: WILLIAM CAVENDISH, LADY ARBELLA STUART, AND THE CASE OF MARGARET CHATTERTON Timothy Raylor	204
THE BUTTERLEY GANGROAD Trevor Griffin	221
INDEX	253

ILLUSTRATIONS

WALKING THE FURROWS: A LITHICS TRANSECT ACROSS THE PEAK

Fig.1	The Peak Lithics Transect: location	4
Fig.2	The Peak Lithics Transect: distribution of fields walked, topographical zones/areas and modern settlement	8
Fig.3	The Peak Lithics Transect: length/breadth ratios for flake and blades from selected field groups	17
Fig.4	The Peak Lithics Transect: fields with high and low densities of finds	22
Fig.5	The Peak Lithics Transect: fields with high percentages of flint, chert and black chert	24
Fig.6	The Peak Lithics Transect: the distribution of arrowheads, showing microliths and backed blades and leaf-shaped types	25
Fig.7	The Peak Lithics Transect: distribution of arrowheads, showing transverse and barbed-and-tanged types	26
Fig.8	The Peak Lithics Transect: fields with high percentage of cores	28
Fig.9	The Peak Lithics Transect: tool and debitage distributions at selected fields on high western ridges	31
Fig.10	The Peak Lithics Transect: tool and debitage distributions at fields south of Arbor Low	33
Fig.11	The Peak Lithics Transect: tool and debitage distributions at fields south west of Arbor Low	35
Fig.12	The Peak Lithics Transect: tool and debitage distributions at fields north and east of Arbor Low	37
Fig.13	The Peak Lithics Transect: tool and debitage distributions at selected fields in the Monyash Basin and on the north eastern ridges	40
Fig.14	The Peak Lithics Transect: tool and debitage distributions at selected fields on the ridges between the Wye and the Derwent	43
Fig.15	The Peak Lithics Transect: tool and debitage distributions at fields near Bubnell on the low ridges between the Wye and the Derwent	46
Fig.16	The Peak Lithics Transect: tool and debitage distributions at fields near Freebitch on the eastern ridges and eastern gritstone upland	50
Fig.17	The Peak Lithics Transect: dated finds showing the distribution of Earlier and Later Mesolithic date	52
Fig.18	The Peak Lithics Transect: dated finds showing the distribution of Earlier Neolithic, Later Neolithic and Earlier Bronze Age date	53
Plate 1	The Peak Lithics Transect: a representative selection of scrapers	12
Plate 2	The Peak Lithics Transect: a representative selection of arrowheads	12
Plate 3	The Peak Lithics Transect: a representative selection of knives	13
Plate 4	The Peak Lithics Transect: a representative selection of knives	13
Plate5	The Peak Lithics Transect: a selection of transverse and leaf arrowheads from the Arbor Low area	27
Table 1	The amount of land fieldwalked in different topographic zones zones of the Transect	9
Table 2	The grouping of walked fields into analytical units based on fields that are conjoined or close to each other	19
Table 3	The subdivisions made to analytical units as a result of identified difference between individual fields	20

PREHISTORIC ROCK ART, DOBB EDGE, BASLOW

Fig.1	The Dobb edge rock art, with the extent of exposed rock art as recorded in December 2012	79
Plate 1	The Dobb Edge rock art after being washed clear of soil for recording in December 2012	79

THE EXCAVATION OF TWO ROUND BARROWS AT LONGSTONE EDGE, DERBYSHIRE

Fig.1	Location map showing local topography and known barrows	83
Fig.2	View of fissure in Barrow 2, with Barrow 1 in the background	84
Fig.3	Detailed location and pre-excavation topographic survey, showing barrow mounds as initially defined, fissures and modern features	85
Fig.4	Excavation areas	86
Fig.5	General plan of Barrow 2	88
Fig.6	Profile through Barrow 2	89
Fig.7	Rock-cut grave in Barrow 2 as recorded by Bateman and during the recent excavation	90
Fig.8	Bateman's plaque from Barrow 2	91
Fig.9	Barrow 2 pre-mound finds distribution	92
Fig.10	Barrow 2 finds distribution from the barrow mound	93
Fig.11	General plan of Barrow 1	94
Fig.12	Section through Barrow 1	95
Fig.13	Enclosure bank looking south	96
Fig.14	Barrow 1 cist grave and burials	97
Fig.15	Worked bones from the Barrow 1 cist grave and beads from the mound	98
Fig.16	Barrow 1 pre-mound finds distribution	99
Fig.17	Barrow 1 stone mound finds distribution	101
Fig.18	Barrow 1 cremation grave	102
Fig.19	Barrow 1 mound finds distribution	103
Fig.20	Distribution of Romano-British sherds	104
Fig.21	Probability distribution of dates	106
Fig.22	Probability distribution of simulated dates	109
Fig.23	Human bone isotope data	110
Fig.24	Lithics	114
Fig.25	Prehistoric pottery	118
Fig.26	Food vessels from Bateman's excavations	122
Fig.27	Immature pig humerus associated with human burial in context 75	135
Fig.28	Summary of the taxonomic composition of all small vertebrae samples analysed	138
Fig.29	Skeletal element representation in deposits from different contexts	140
Fig.30	Proportion of plant remains in Barrow 1 and Barrow 2	152
Fig.31	Shell preservation	158
Table 1	Radiocarbon results	107
Table 2	Composition of the flint assemblage	111
Table 3	Prehistoric pottery analysis by fabric, site and condition	116
Table 4	Hand-collected animal bone: taxonomic distribution by area and phase	133
Table 5	Amphibian and reptile remains from selected samples	146
Table 6	Charred plant remains	148-151
Table 7	Examples analysed for molluscs and taxa identified	156-157

ARCHAEOLOGICAL INVESTIGATIONS AT BAKEWELL CHURCHYARD AND HASSOP ROAD ROUNDABOUT, DERBYSHIRE

Fig.1	Location of Sites 1 and 2	174
Fig.2	Final plan of Site 1	177
Fig.3	East-facing section through excavated trenches 1 and 2, Site 1	178
Fig.4	Plan of Site 2 with the excavated area and superimposed over the results of the earthwork and geophysical surveys	184
Fig.5	Final plan of excavated area Site 2	186
Fig.6	Sections through road surfaces, Site 2	188
Plate 1	The high cross, Bakewell churchyard	175
Plate 2	Site 1, trench 2, with burials to the left and to the right	180
Plate 3	Site 2, general view looking east, roads to the right and to the left	187
Plate 4	Site 2, south-west facing section through feature	189
Table 1	Radiocarbon dating analysis	182
Table 2	Summary of lithic types by context	192

THE WARDSHIP AND MARRIAGE OF ROBERT BARLEY, FIRST HUSBAND OF 'BESS OF HARDWICK'

Appendix 1	Peter Frescheville's allegations of the abduction and illegal marriage of Robert Barley	202
Appendix 2	Common Pleas proceedings for dower of Elizabeth Barley, widow of Arthur Barley, 1543/4	203

THE BUTTERLEY GANGROAD

Fig.1	Map of branch railways serving the Cromford Canal pre-1839	221
Fig.2	Plate rail from another Outram line at Codnor Park	222
Fig.3	Comparative view of the old and new alignments looking north from just south of Fritchley village	223
Fig.4	Map of the lands where limestone extraction took place c.1800	225
Fig.5	Map of the Crich Gangroad as built	225
Fig.6	Plan of Amber Wharf 1805	229
Fig.7	Brunton's Horse	229
Fig.8	Map of Fritchley showing the tunnel 1839	231
Fig.9	Plans of the Hat Factory area 1839 and 1849	233
Fig.10	Map of the Butterley Gangroad c.1860 showing the old and new alignments and the Midland Railway Crich branch proposal of 1846	235
Fig.11	Diagram showing the possible transition arrangement between the plateway and the later railway track	236
Fig.12	The Hat Factory area as shown on the 1880 Ordnance Survey 25 inches to one mile map	238
Fig.13	The Amber Wharf area as shown on the 1880 Ordnance Survey 25 inches to one mile map	239
Fig.14	The Amber Wharf area as shown on the 1900 Ordnance Survey 25 inches to one mile map	241
Fig.15	Map of the railway at its fullest extent showing the sidings to tips. Based on the 1916 Ordnance Survey map	243
Fig.16	output from the Crich Limestone works 1902-1913	244
Fig.17	Sales, costs (labour and coal) and profit 1920-1932	245
Fig.18	Postcard c.1930 showing the 'Tramway' at Fritchley	246
