

Plate 1: View south across the White Horse Stone and Pilgrim's Way sites

Plate 2: Aerial view of White Horse Stone site. Excavation of the first area of the Pilgrim's Way site to the south has just begun

Plate 3: Pilgrim's Way section + other sections

Plate 4: Early Neolithic structure 4806 from the north. Late Neolithic structures and pits lie to the south and within the structure

Plate 5: Pit 714

Plate 6: Late Neolithic structure 5972 and 19140 with pit group 19399 looking north. Early Neolithic structure 4806 and late Neolithic pit group 19400 lie in the background to the north

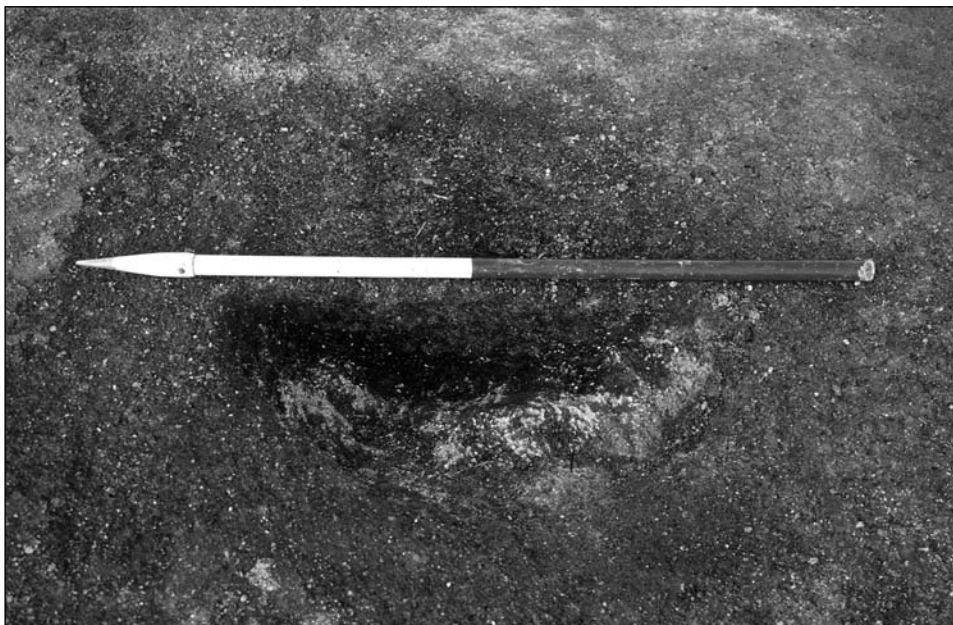

Plate 7: 'Hearth' 4830, probably late Neolithic, within early Neolithic structure 4806

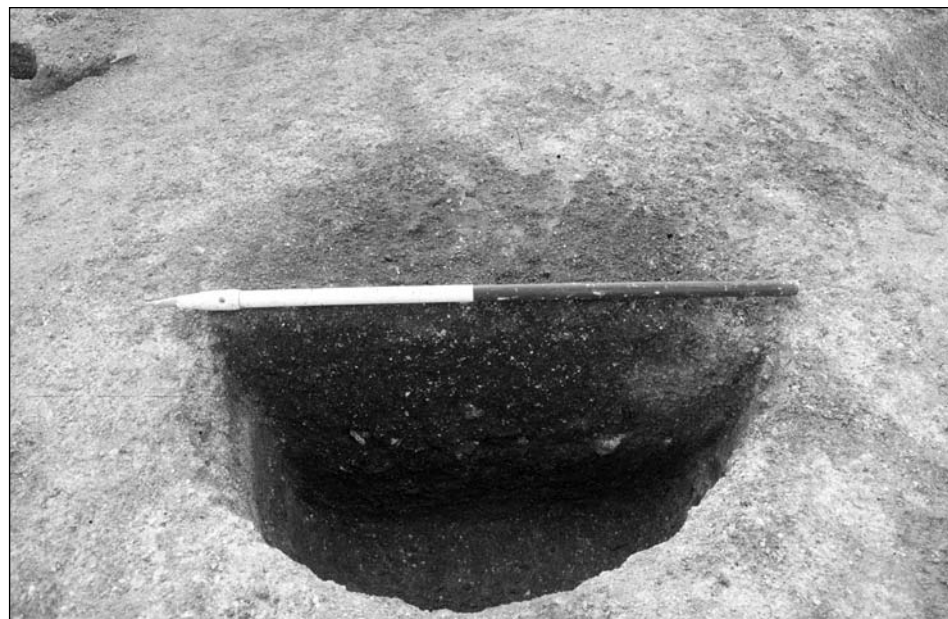

Plate 8: Pit 4965, part of late Neolithic group 19400

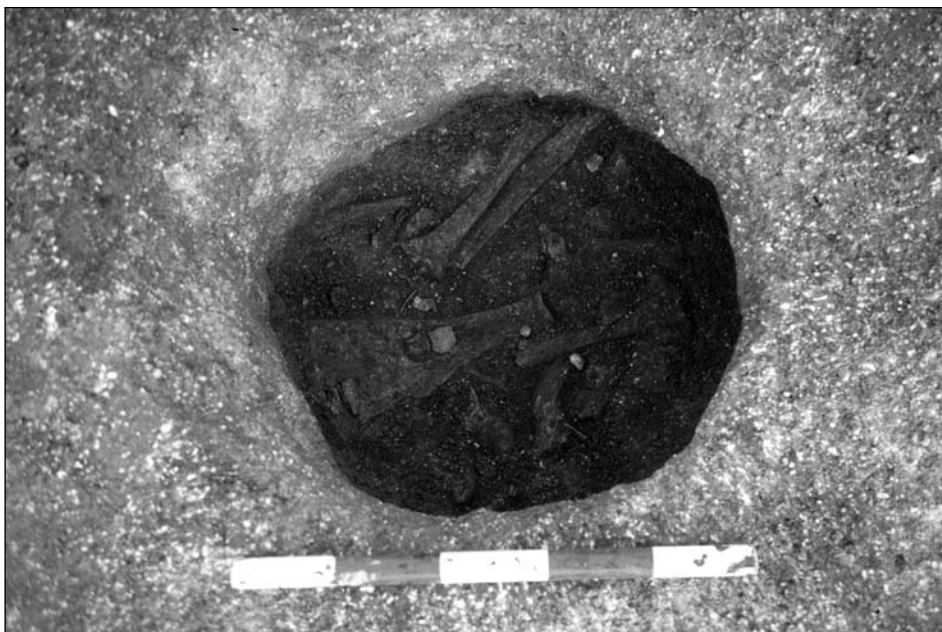

Plate 9: Lower fill of late Neolithic pit 4994 in pit group 19413

Plate 10: Late Neolithic hollow 5072 near pit group 19413, showing the cattle skull

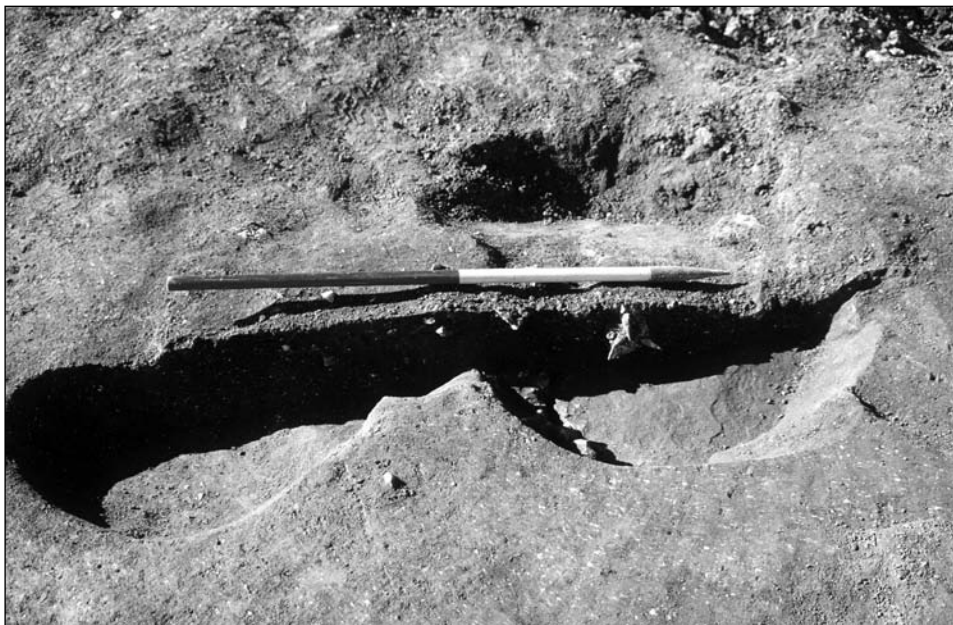

Plate 11: Late Neolithic pit group 19395

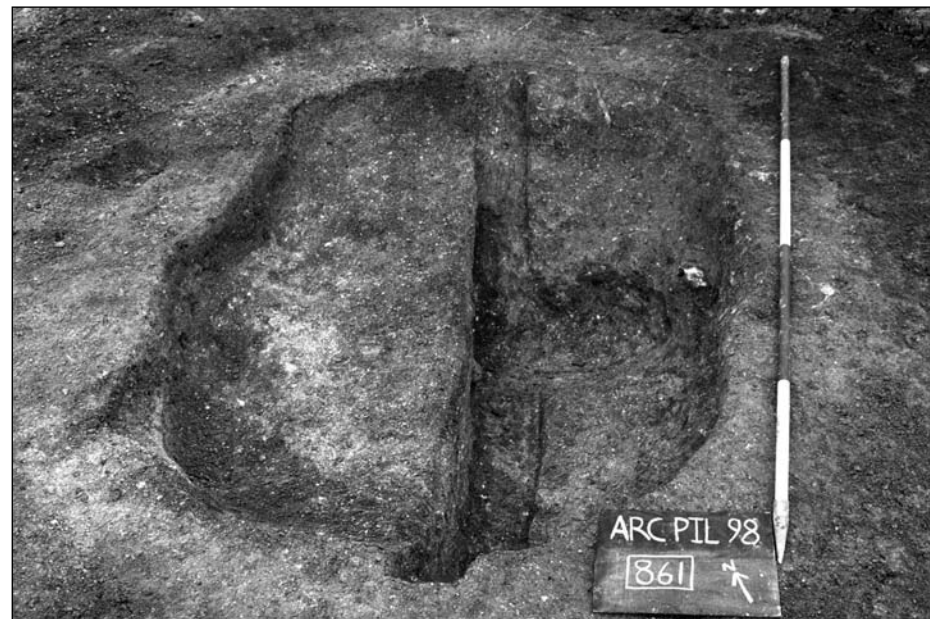

Plate 12: Late Neolithic tree-throw hole 861

Plate 13: Late Neolithic tree-throw hole 861

Plate 14: Middle Bronze Age structure 647 and other postholes

Plate 15: Possible middle Bronze Age structure 764

Plate 16: Middle Bronze Age pit 5454 showing the sheep skeleton

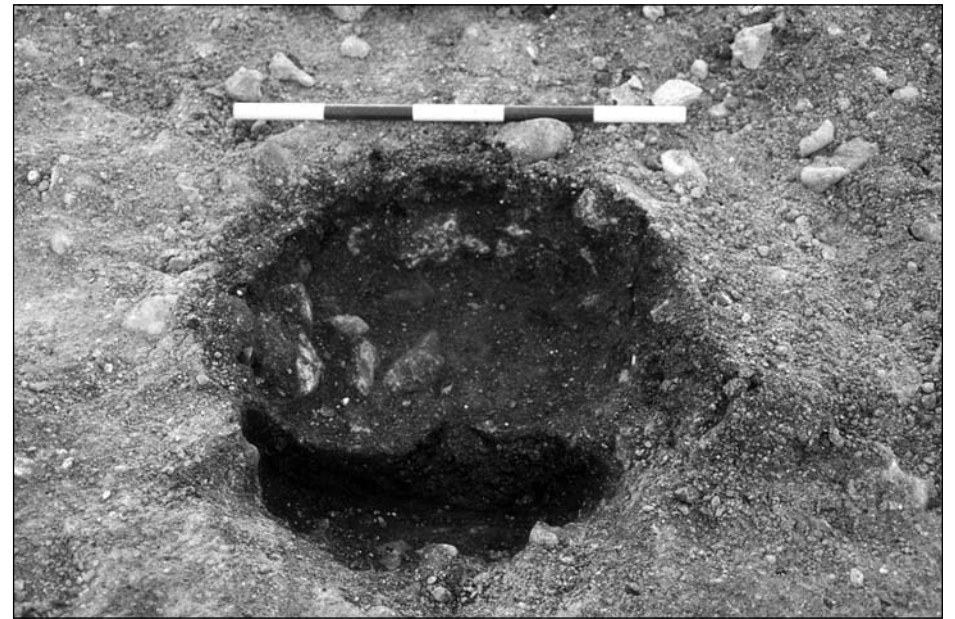

Plate 17: Late Bronze Age pit 852, containing cremated human remains

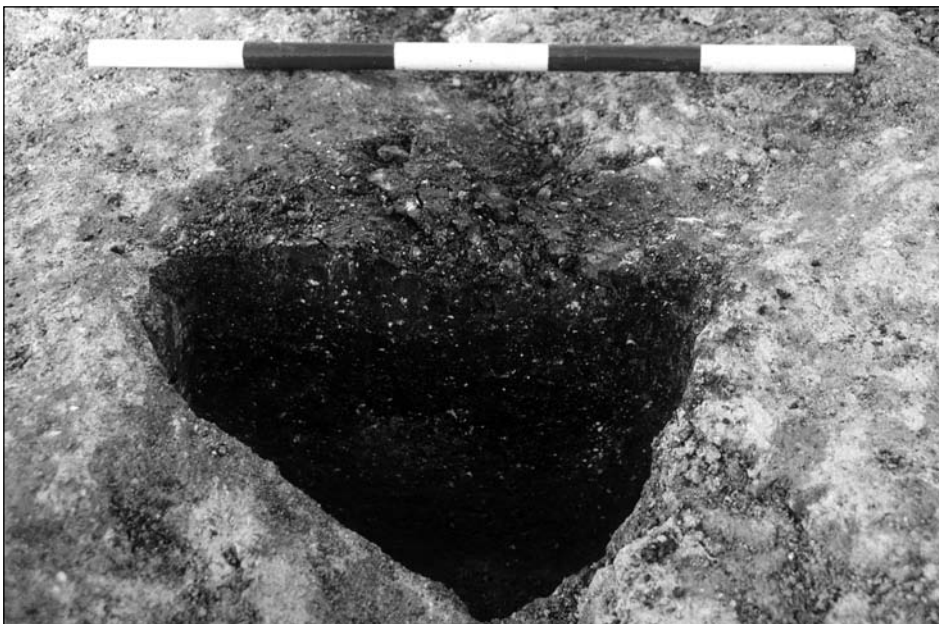

Plate 18: Late Bronze Age pit 948, containing cremated human remains

Plate 19: Late Bronze Age pit 5421

Plate 20: The early-middle Iron Age settlement: four-post structures in Areas 1-6

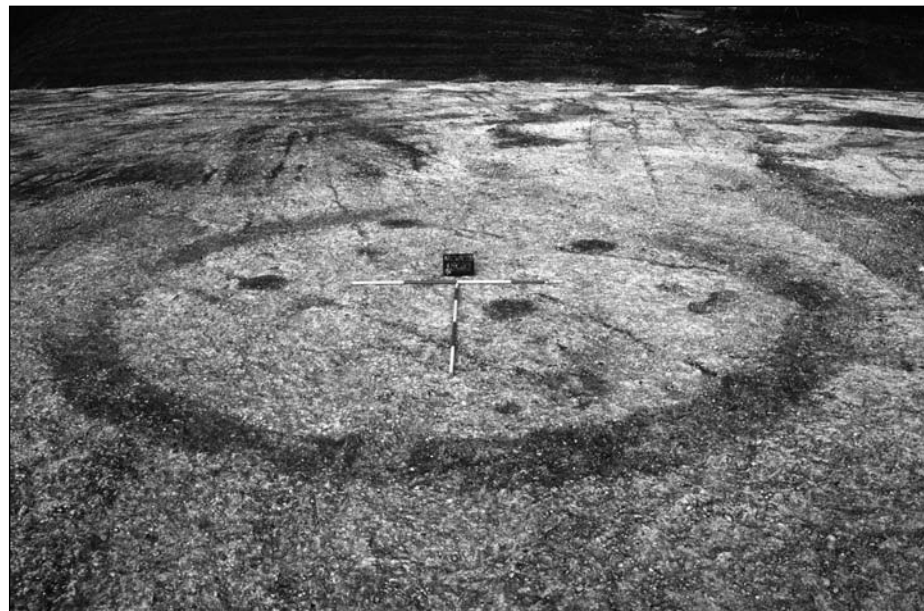

Plate 21: The early-middle Iron Age settlement: structure 19061 and penanular gully 19020

Plate 22: The early-middle Iron Age settlement: areas 8 and 9

Plate 23: The early-middle Iron Age settlement: pit 2211=2175

Plate 24: The early-middle Iron Age settlement: pit 2214

Plate 25: The early-middle Iron Age settlement: pit 4561

Plate 26: The early-middle Iron Age settlement: pit 8082

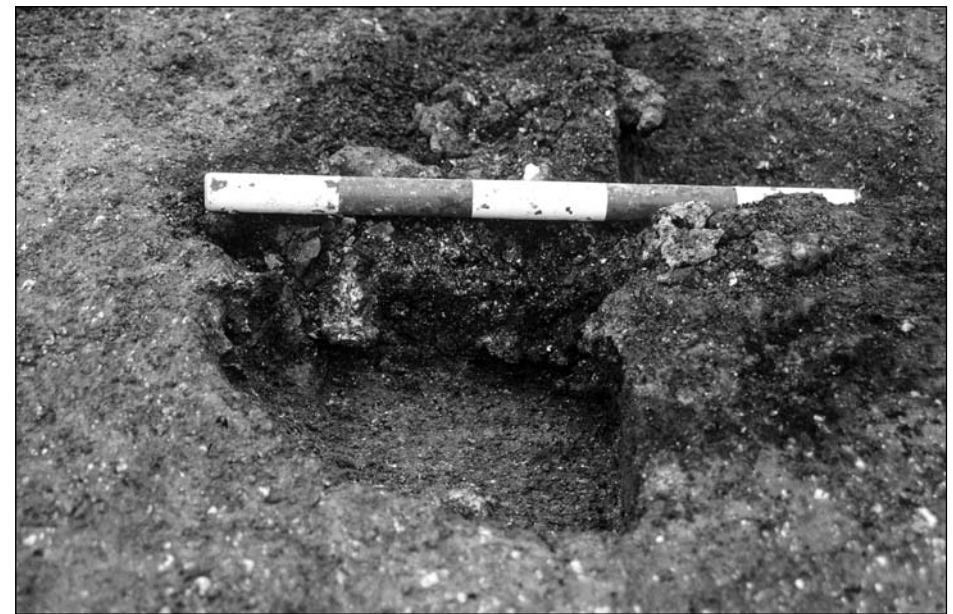

Plate 27: The early-middle Iron Age settlement: possible furnace base 7007

Plate 28: The early-middle Iron Age settlement: pit 2296

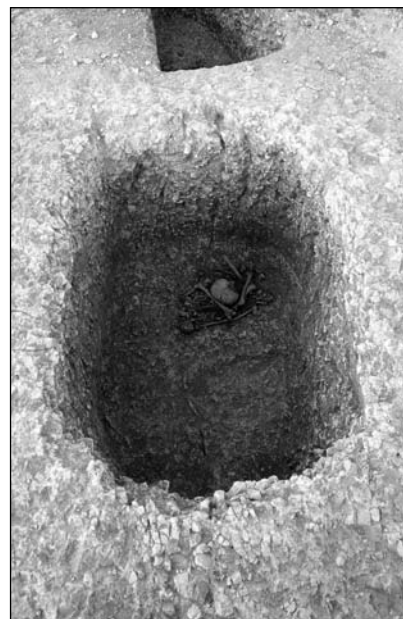

Plate 29: The early-middle Iron Age settlement: pit 2184

Plate 30: The early-middle Iron Age settlement: pit 8012

Plate 31: The early-middle Iron Age settlement: pit 6132

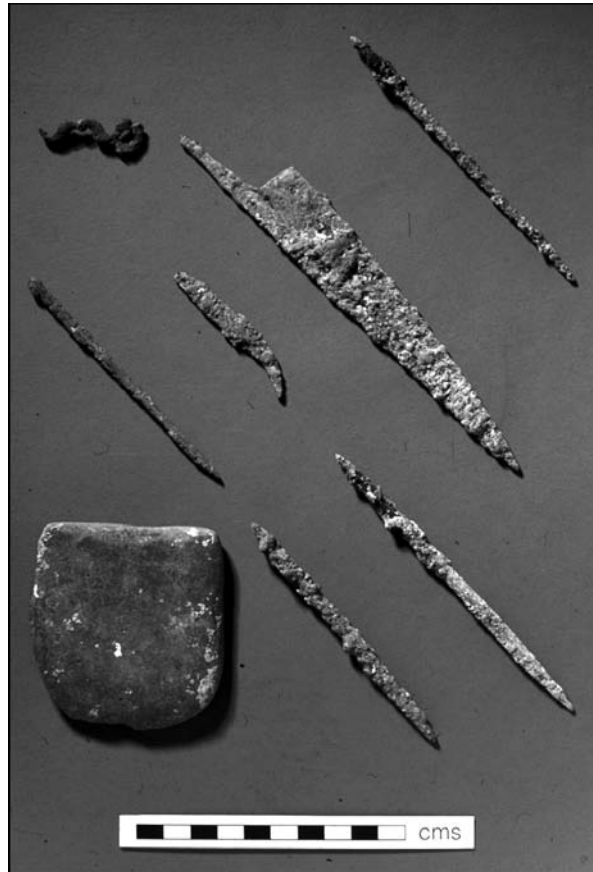

Plate 32: The early-middle Iron Age settlement: metal artefacts from pit 6132

Plate 33: The early-middle Iron Age settlement: spindle whorls from pit 2296

Plate 34: The Pilgrim's Way section Anglo-Saxon burial (9025)

Plate 35: West of Boarley Farm: cattle burial in pit 1036

Plate 36: West of Boarley Farm: horse burial in pit 1061

Plate 37: Medieval crop drier 390
