

Birmingham University Field Archaeology Unit

The Quadrant, Redditch. Project No. 501

Building Materials, Archive Report

Box No. 11

- 2213 Floor tile, 0.19m x 0.19m (7 1/2in) x 0.038m (1 1/2in) irregular, hand made, red/brown in colour, base = sandy, top = worn.
- F203 Brick, l. 0.246m (9 1/2in), w. 0.115m (0.115-0.120m (4 1/2in) h. 0.50m (2in). Dull orange/grey in colour, hand made and irregular.
- F#### Brick, l. 0.224m (8 3/4in), w. 0.102m (4in), h. 0.05m (2in).
- 22## Brick from destruction? l. n.a., w. 0.105m (4 1/8in), h. 0.05m (2in).
- 4 fragments of roof tile, 3 containing nibs. l.n.a., w. 0.166m (6 1/2in), d. 0.018m (3/4in). Red/brown in colour. Hand made with sandy face from casting bed facing upwards when laid. No peg holes.
- F203 Mortar sample, Colour = yellow/brown 7A (Roman Pottery Colour Identification Chart).
- F203 Roof tile used in wall construction. w. 0.166m (6 1/2in), d. 0.015m (5/8in). Note no nibs, possibly broken off in order to create flat surface.
- 2280 Small fragments of roof tile, up to 0.025m. Fill of F####.
- F202 Mortar sample, Yellow/brown A7 (RPCIC).
- ? Floor tile, machine made, mortar on base. Early industrial mid-19th century. l. and w. 0.223m (8 3/4in), d. 0.044m (1 3/4in).
- F202 Roof tiles, 2 fragments, no nibs. w. 0.195m (7 5/8in), d. 0.015m (5/8in).
- Brick fragment, hand made, sandy base, d. 0.044m (1 ##/in).
- 2253 1 brick fragment, mortar as F202. w. 0.107m (4 1/4in), d. 0.06m (23/8in).

Box No. 8

- 2224 3 fragments of hand made roof tile, no details.
- 2247 2 fragments of hand made roof tile, no details.
- 2213 1 fragment of hand made ridge tile. Profile:

2248 3 fragments of roof tile and 1 of ridge. Peghole in 1 fragment 3mm-6mm.
Note: the peg hole is situated 25mm and 35mm from the edges of the tile, based on other examples 25mm would be the distance from the top of the tile.

u/s III 3 fragments of roof tile, no details.

u/s IA 3 fragments of roof tile, 1 with details, est w. 0.19m (7 1/2in). Peghole as in 2248. Very slight hand made nib.

2213 3 fragments, no details. 1 machine made fragment, est. w. 0.165m (6 1/2in).

2219 1 fragment, no det. Overfired.

2216 2 small fragments, no det.

2218 1 fragment, no det. Overfired.

u/s 16 fragments, no details.

2245 3 fragments, no details

2244 1 fragment with nib.

2215 2 very small fragments.

2236 1 overfired ridge tile fragment and 1 other fragment.

2211 1 fragment of brick no dimensions.

2213 1 fragment of brick, no dimensions.

2201 1 fragment machine made tile, centre of cut nib 0.05m from the edge of the tile suggesting that it probably had two nibs. No peg holes.

2220 1 fragment. no details.

2214 3 fragments, no details.

2210 3 fragments, no details.

2214 1 corner fragment.

2239 1 fragment with hand made nib.

2212 1 frag.

2221 2 frag,

2244 2 frag. no detail and 1 frag. ridge tile.

- 2233 1 frag., overfired.
- 2237 4 frag.
- 2230 7 frag. and 1 frag of ridge tile.
- 2226 14 fragments and 1 frag of floor tile, no details.

Box No. 10

- u/s 2 frag., no details.
- 2279 1 frag.
- 2270 6 frag., also 1 frag showing slight lip at base of tile. See sketch.
- 2275 7 frag. with no detail. 1 frag. with small part of hand made nib and a peg hole dimensions from corner 15mm from top and 25mm from side. The peg hole is square and tapers from 8mm on top surface to 3mm on underside. also 1 brick fragment with a d. of 45mm (13/4in).
- 2277 2 frag. ridge tile, overfired. 1 fragment of roof tile with no details. 4 fragments with nibs and nail holes. a) left hand corner with slight evidence of nib and peg hole 30mm from top and 35mm from edge. b) left hand corner, est. w. 0.16m (61/2in). Peghole 30mm from top and 25mm from edge of tile. c) right hand corner, peg hole 35 and 30mm from edges. d) right hand corner, est. w. 0.190m (71/2in). Peg hole 25mm from top and 30mm from edge of tile.
- 2274 4 v. small and 2 larger fragments. Est. w. 0.175m (67/8in)
- 2278 21 frag. no detail and 2 frag. overfired. 1 fragment with strange cuts into its body for unknown purpose - should it be illustrated? 1 fragment with pale grey bubbly glaze on sandy surface.
- 2271 10 frag. no detail, overfired. 1 frag. ridge tile. 1 fragment with hand made nib and 4 fragments with peg holes or partial remains. Distance from corner, 7mm from top, 20mm from side and 20 from top, 41 from side.

Box No. 9

- 2252 7 fragments of roof tile. 1 fragment allows an est. w, of 0.178m (7in). 1 fragment with hand made nib and est width of 0.20m (8in).
- 2267 14 fragments, no details.
- 2269 5 fragments and 1 with a possible peg hole.
- 2268 23 very small, shattered fragments.
- 2263 5 fragments and 1 ridge tile frag.

- 2253 1 fragment, 1 brick/floor tile corner fragment, d. 0.35m (13/8in).
- 2265 1 fragment allows est. w. 0.166m (61/2in) with a hand made nib.
1 fragment with hand made nib. 4 fragments, no detail and 1 frag. of ridge tile.
- 2254 1 fragment, no details, overfired.
- 2265 1 fragment of green glazed tile with d. of 0.20m (8/10in). a slight dip along the edge with the glaze running on top and side surfaces.
- 2269 2 fragments, no details.
- 2255 2 v. small fragments.
- 2262 5 fragments, no details.
- 2263 21 fragments, no details. Also 1 frag brick? min d. 0.30m (13/16in). 2 fragments of ridge tile, 1 frag. with remnant of peg hole, 1 frag with nib but no peg hole, w. est. 0.176m (7in), d. 0.016-18m (1/2-3/4in).
