Human remain crates at Çatalhöyük

My wife Camilla and I arrived at Çatalhöyük on Sunday morning with Christopher Knüsel after flying into Konya from Istanbul. Sabrina Agarwal joined us a day later with her graduate student Inbal. Clark Spencer Larsen and his graduate students Josh and Barbara arrived two days before us. With the arrival of Bonnie Glencross this morning, the Çatalhöyük 2012 human remains team is assembled and ready for action. Please continue reading at: [A Bone to Pick](#)
