The yellow shading around number (1) indicates the area called Clatford Down in the late 18th century. The boundary of this land with 'Manton Liberty and Field' (4) is shown by the yellow line (3). A smaller land area within Clatford Down land unit was also shown, though it is unnamed (5); its boundary is marked (7). The pit (2) is referred to as an Old Chalk Pit in the 1950s.
