*this could go either here or before the title page on the IFC*

The title of the book is from **Pied Beauty** by Gerard Manley Hopkins:

*"Glory be to God for dappled things --  
For skies of couple-colour as a brinded cow;  
For rose-moles all in stipple upon trout that swim;*

*Fresh fire-coal chestnut-falls; finches' wings;  
Landscape plotted and pieced -- fold, fallow, and plough;  
And áll trádes, their gear and tackle and trim."*

*(quoted by permission of ??????????: **get permission**)*

*The cover*

The cover photograph is ?the aerial view of Fyfield Down taken by Major Allen on 13 June, 1933; or another (colour?) AP (RCHM has some recent beauties); or part of a local, old map? i.e. *to be decided*
