

APPENDIX 1 -GLASS

1.1 Glass

- 1.1.1 A total of eight small fragments of undiagnostic green-blue fragments of vessel glass were recovered from the fill of a tree-throw hole (Table 3.1).
- 1.1.2 They are in reasonable condition and do not require any further conservation. They have no potential for further work.

Table 3.1: Quantification of glass by context

Context	SF number	Count	Weight (g)	Comments
8283	803	8	10	undiagnostic green-blue fragments of glass vessel
