## ANNUAL REPORT

The Council herewith submits to the Fellows of the Society its Report for the year ending 30th November 1960.

*Fellowship.* 42 Fellows were elected during the past year and 7 Honorary Fellows, of whom 3, Professor Hencken, Dr Reid and Mr Lacaille, were Fellows of the Society. 23 Fellows died including our late President Sir William Calder, who held office from 1950 to 1955 and was Rhind Lecturer in 1948. 8 Fellows resigned and 11 allowed their membership to lapse. There are therefore at present 939 Fellows, 14 Honorary Fellows, 1 Lady Associate and 2 Corresponding members. Our one Lady Associate, Dr Margaret Murray, completes today 60 years in that position and a letter of congratulation has been sent to her on behalf of the Society.

*Meetings.* Meetings of the Society were held each month from October 1959 to May 1960 as well as the Anniversary Meeting and an extra meeting for Professor Richmond's annual report on his work at Inchtuthil.

*Rhind Lectureship.* A highly successful series of Rhind Lectures was given by Mr J. B. Ward Perkins, Director of the British School at Rome, his subject being *Roman Imperial Art*. This coming year Professor Haseloff of Würzburg is to give the Lectures on *The Origins of Later Celtic Art*.

*Proceedings.* Volume XCI is just about to be published and it is hoped that various changes that have now been made as regards printers will enable volumes to be issued more expeditiously in future. Four new libraries became subscribers to the Proceedings and two new exchanges have been arranged. At present the Society exchanges with 131 Societies, British and foreign, and 76 libraries subscribe.

*Excavations.* Grants for excavations were made to Mr Feachem, Miss Marshall, Dr Reid, Dr Steer, Mrs Stewart, Dr Wainwright, Mrs Young and Miss Henshall. Dr Reid's grant, which was for excavations to be carried out by Mr A. C. Thomas, was not after all required, as he obtained the money from another source.

*Gunning Fellowship.* The Fellowship was awarded to Mr Alexander Fenton, Assistant Keeper, who visited Folk Museums in England and Wales.

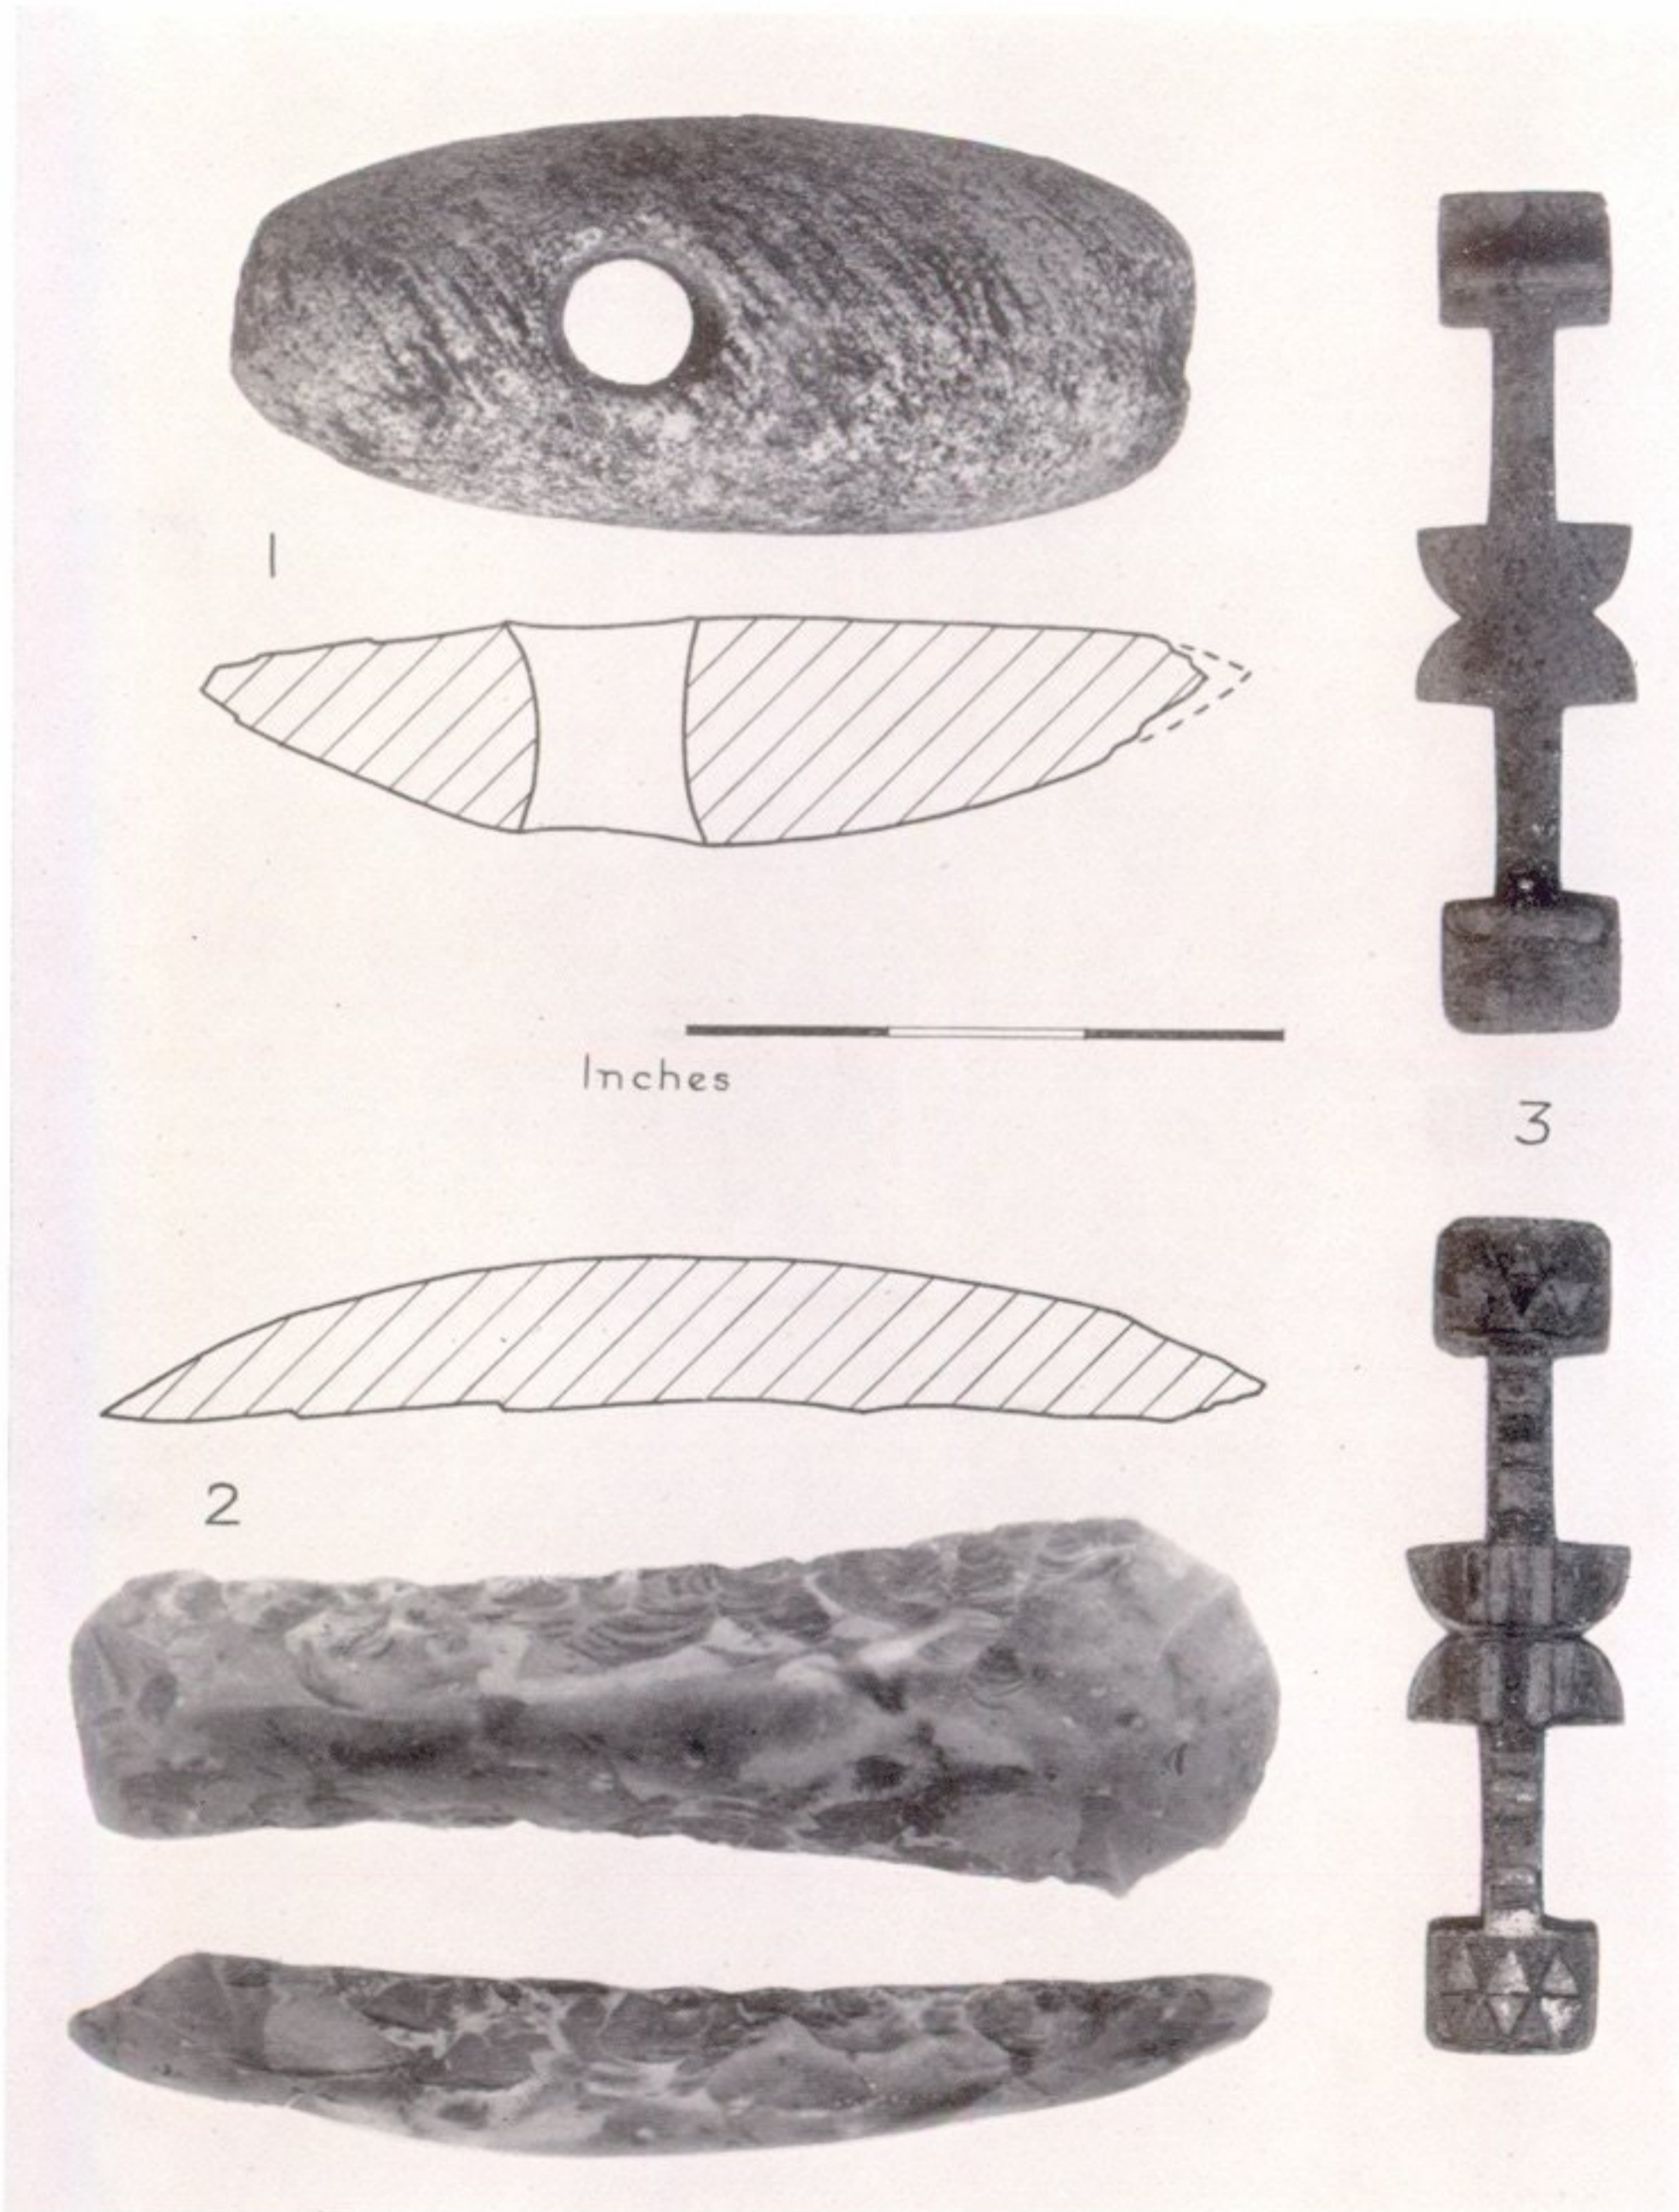

*Chalmers-Jervise Prize.* The results of the Chalmers-Jervise Prize under the new regulations were announced in the spring of 1960. The Prize was awarded to Dr J. M. Coles for a paper on *Scottish Swan's-Neck Sunflower Pins*, which will be published in Volume xcii of the Proceedings. The next award of the Prize will be in 1962.

This Report was unanimously approved on the motion of the President seconded by Mr J. H. Hendrie.

The Treasurer then made a statement regarding the funds of the Society for 1959-60, which had been duly audited. The Accounts were unanimously approved on the motion of the President seconded by Commander More-Nisbett.

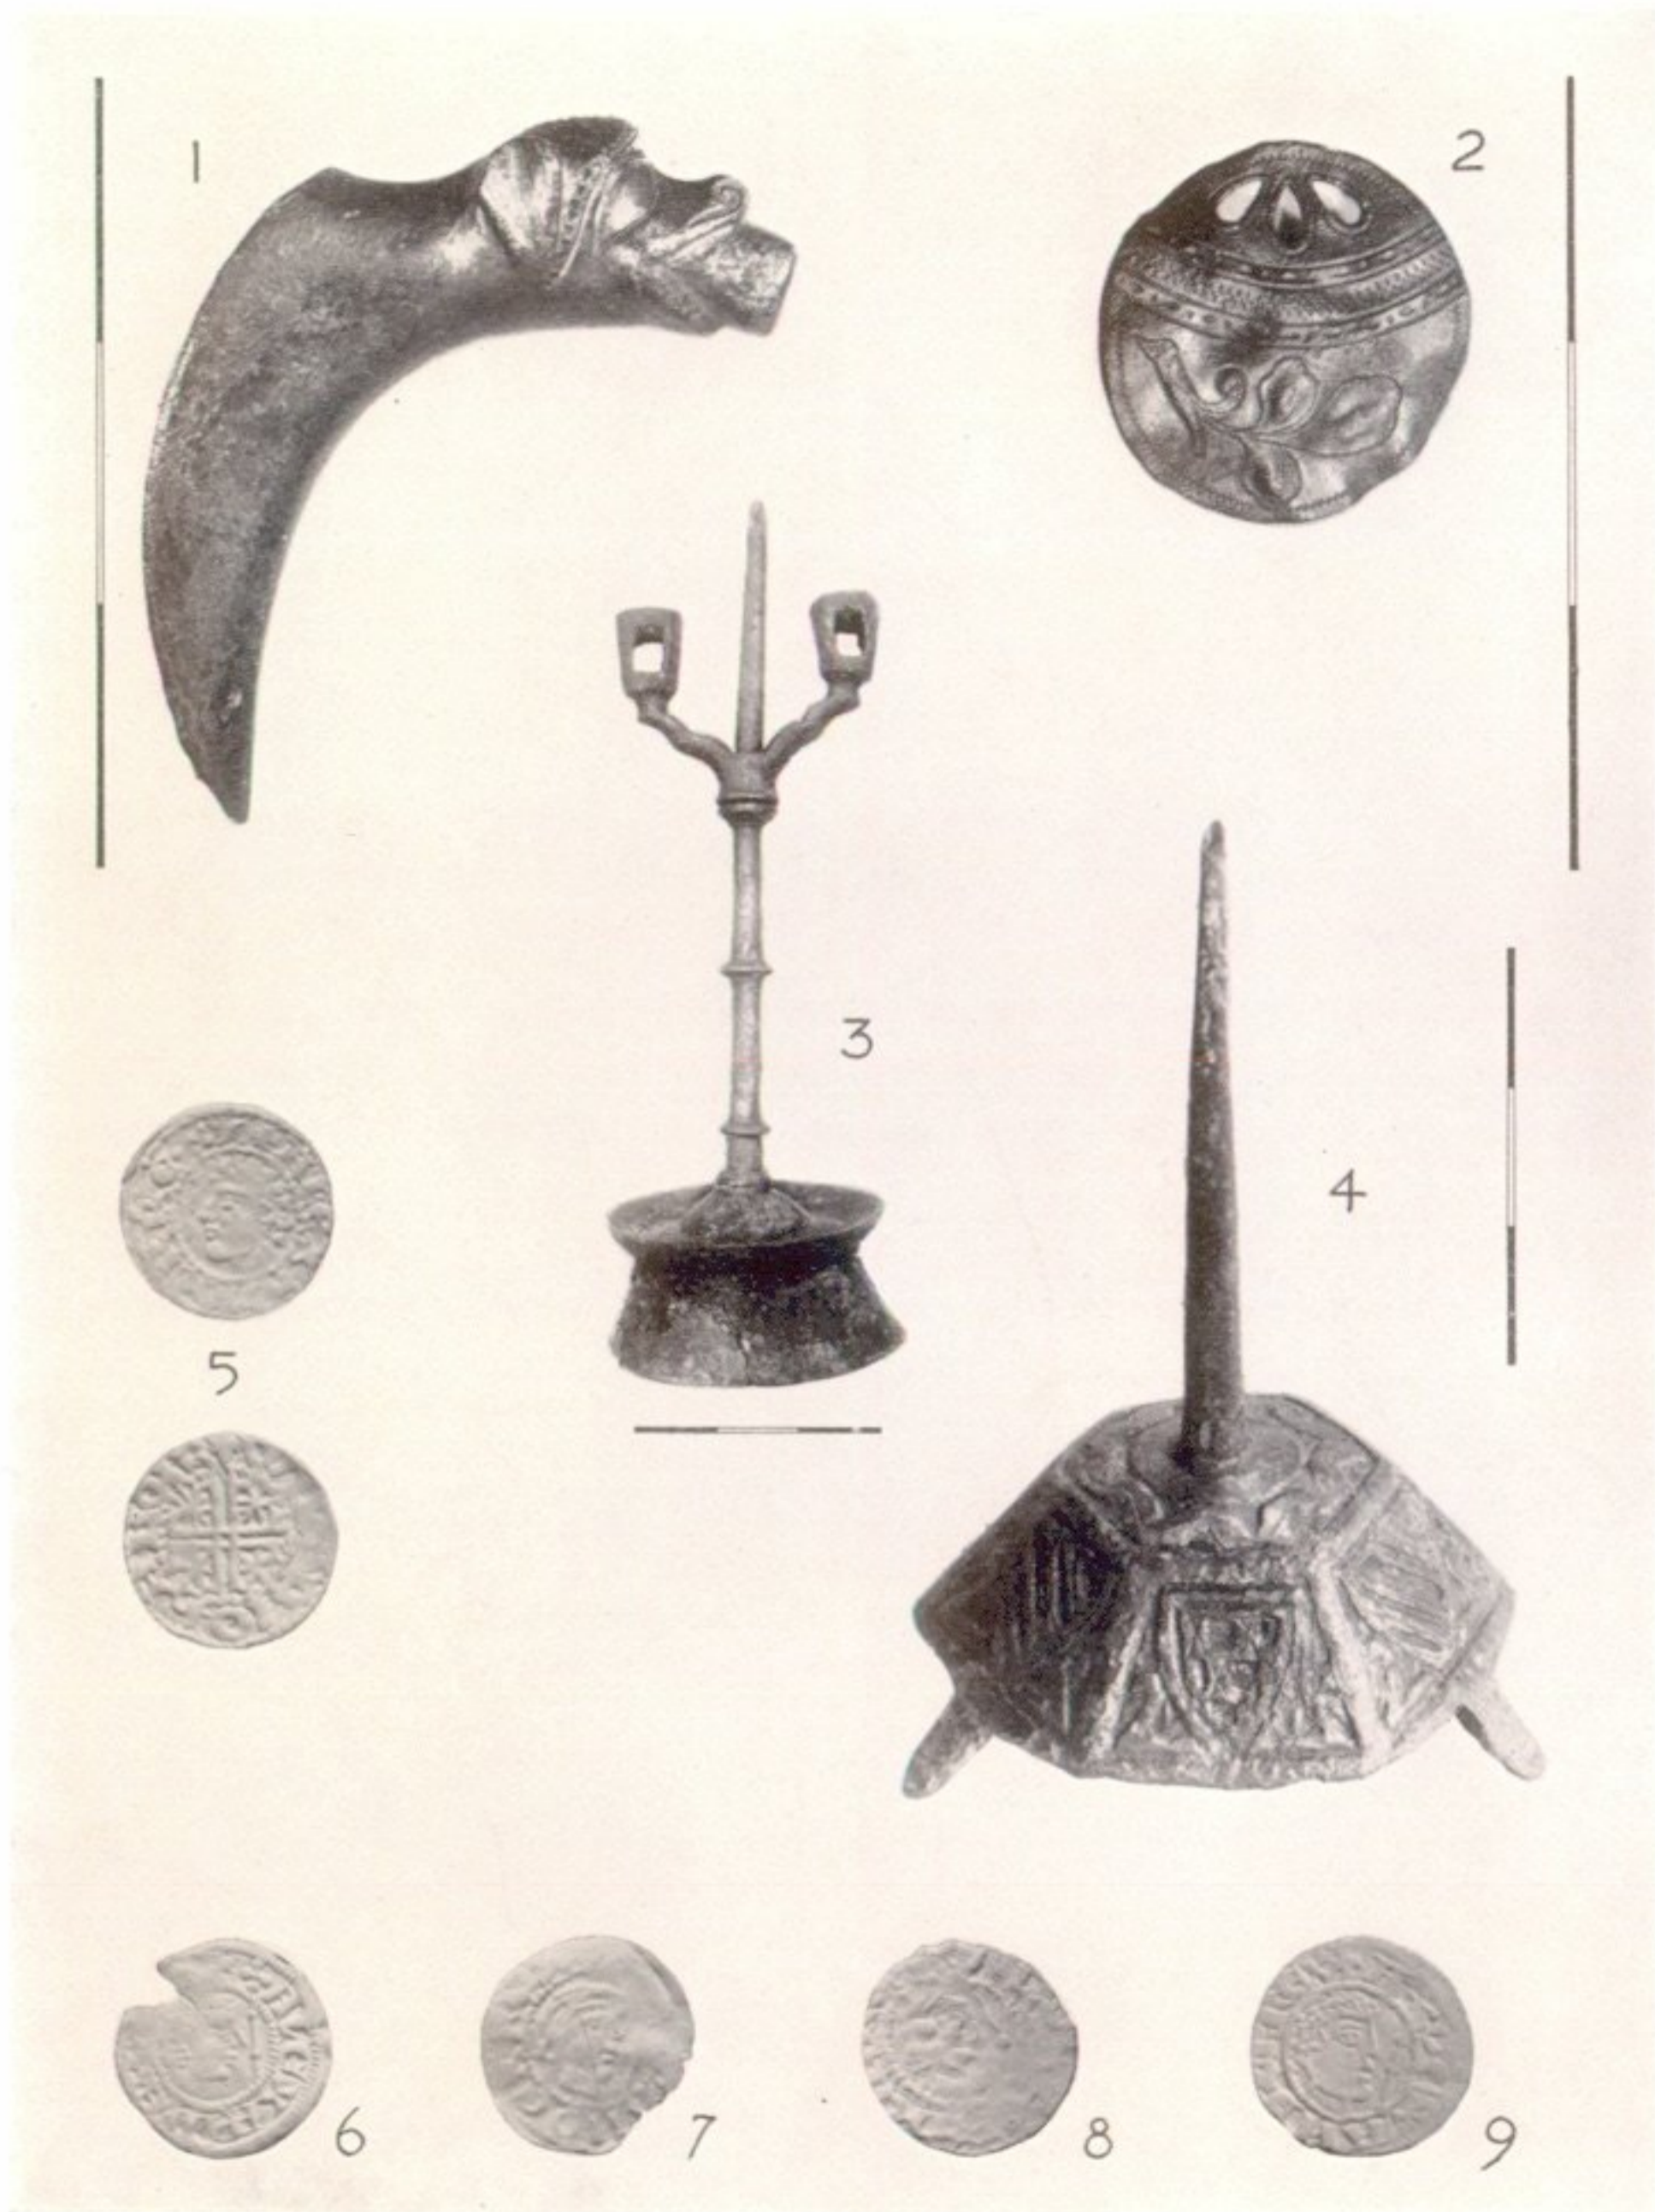

Lord Clyde thanked the retiring members of Council for their services and expressed the interest and pleasure he had derived from his own term of office. He then invited the new President, Lord Migdale, to take the Chair. Lord Migdale did so and thanked Lord Clyde for all that he had done for the Society during his Presidency and hoped that he might serve it as well.

A talk on the work of the Islay Survey Group was given by Mr Francis Celoria, B.A., F.S.A. SCOT. At the conclusion of the meeting sherry was served to Fellows and friends.
