Alteration of Laws. The Laws of the Society have been altered in two respects during the year. Laws 8 and 9 have been altered to authorise the raising of the annual subscription to three guineas. Law 13 has been altered to ensure that the Editor holds an *ex officio* place on the Council.

Sub-Committee on Increasing Membership. A Sub-Committee was set up under the Chairmanship of Dr Steer to discover ways of increasing the membership of the Society in order to obtain a larger income. The Sub-Committee produced a circular which was sent to all Fellows urging them to encourage suitable candidates to stand for election. The circular was sent out and it is encouraging to be able to report that the results to date have been very satisfactory. There were 29 candidates for election on 12th October 1964 and 26 candidates on 9th November 1964 and applications are still coming in at an increased rate.
