¹ Only four marriages were celebrated in June 1637:—June 4 Francis Scott—Rebecca Milles; June 6 Thomas Murrey—Elizabeth Hull; June 29 George Street—Mary Yett; June 29 Varguis Sparke—Joane Caustine. As the families of F. Scott, G. Street, and V. Sparke occur in the registers, and no other entry of Thomas Murrey; it is most probable it is his wedding at which the bells were rung.
