for Notes, price £1 7s. 6d. net.

### **NOW READY. THE NEW TWENTIETH VOLUME FOR 1906. BOOK PRICES CURRENT.**

*Being a Record of the Prices at which Books have been sold at Auction, the Titles and  
Descriptions in Full, the Catalogue Numbers, the Names of the Purchasers,  
and Special Notes containing the Prices for the Season 1906.*

•• The NEW VOLUME contains an Introduction in which is recorded the Characteristics,  
of the Sales of 1899. It also furnishes a forecast of the tastes of Collectors, and of the  
prices of the future.

"All who collect or deal in books are under the greatest obligation, and even debt, to  
Mr. Slater, whose work has for thirteen years been their *vade mecum*, and each of whose  
annual volumes seems to grow bigger than that which immediately preceded it. His judg-  
ment in the matter of selection is excellent, and the index of forty-three double-column  
pages is a marvel of labour and accuracy."—*Daily Chronicle*.

"The book collector and, indeed, everyone interested in the commercial value of books,  
will find 'Book Prices Current' a work of great value."—*Literature*.

*Some of the earlier volumes of "Book Prices Current" are out of print, and greatly  
advanced in price. Information concerning these can be had on application to the  
Publishers ; the more recent ones can still be had at the published price.*

### **The Second Decadal Index to Book Prices Current.**

**SHORTLY.** In demy 8vo., bound in buckram, uniform with BOOK PRICES CURRENT,  
price £1 5s. 0d. net.

### **THE INDEX TO THE FIRST TEN BOOK PRICES CURRENT VOLUMES OF (1897 TO 1906).**

CONSTITUTING A REFERENCE LIST OF SUBJECTS AND, INCIDENTALLY, A KEY TO  
ANONYMOUS AND PSEUDONYMOUS LITERATURE.

"If money, as Anthony Trollope neatly put it, be the reward of labour, too much is cer-  
tainly not asked for the labour which has 'marshalled into order a manuscript involving  
33,000 distinct titles and considerably over 500,000 numerals.' The typographical arrange-  
ment of the volume will receive praise from those who can understand the difficulties of the  
printer's task."—*Guardian*.

**ELLIOT STOCK, 62, PATERNOSTER ROW, LONDON, E.C.**
