Penn's Country, and other Buckinghamshire Sketches.

By E. S. ROSCOE. With Thirteen Illustrations.

"He writes attractively, with an evident love of his theme, and furnishes many excellent portraits of the persons, places, and documents with which his book concerns itself."—*The Reader*.

"The field embraced by these sketches is tolerably extensive. It includes scenes sacred to the memory of Cowper—Olney and Weston Underwood, and the homely landscape of the Ouse Valley—and there is no part of the county dealt with in this little book that better merits the quiet study of the pious wanderer."—*Westminster Gazette*.

"A series of brief, bright sketches, in which no pretence is made to original research or full treatment, but in which the available materials are served up skillfully. . . . The volume contains a number of interesting illustrations."—*Oxford Chronicle*.

"A delightful volume. . . . The author writes pleasantly regarding Penn's association with the district, and touches also on the men of letters, statesmen, and others notable in history who have been at one time or another identified with the county."—*City Peers*.

CHEAP EDITION.

Literary Celebrities of the Lake District.

By FREDERICK SESSIONS.

"His criticism of life and letters is sensible and sympathetic. The value of the volume is increased by a number of illustrative portraits and landscapes."—*Spectator*.

"What Mr. Sessions wishes to tell is told in simple, graphic, and sometimes eloquent English, quite in keeping with the nature of his work. The book contains charming pictures of many historic spots."—*Globe*.

"The book is one to send the visitor away to the Lake District with renewed zest, and enhance his glowing recollections when he returns."—*Fall Mail Gazette*.
