## **A VILLAGE STORY.**

**Large Crown 8vo. Cloth Illustrated, Gilt, 1s. 6d.**

This fascinating story of typical village life—the chief incidents of which are culled from fact—possesses many charms, and is calculated to inspire the loftiest instincts. It is a book pre-eminently suitable to place in the hands of young people, and all who incline to a tale free from strong and sordid imagination.

“Mr. Ditchfield is widely known as a scholarly and learned antiquarian, but we rather fancy that this is the first time that he has ventured into fiction. If so, we can only hope that he will soon repeat the venture and give us a second transcript from his long experience as a parish clergyman. For he tells us in his preface that the main incidents in the tale are true, and that they reproduce the memories of those dreadful times before the repeal of the Corn Laws. He hopes, and we endorse the hope, that the recollections here set down may be useful to the younger generation, and Mr. Ditchfield has certainly done well in writing them down before the days of his pilgrimage are ended.”—*The Bookseller*.

“It is well that the young should have presented to them in so interesting a form as this particulars of life and custom in the last generation. The book, however, appeals to middle-aged and old as well, and we wish for it the large circulation it deserves.”—*Christian Commonwealth*.

**LONDON: ROBERT SCOTT, 62, PATERNOSTER ROW, E.C.**
