BISHOPS OF THE COUNTY OF BERKS.—In Vol. VII. (No. 1, p. 32) of the *Berks, Bucks and Oxon Archaeological Journal* a short note on the names of the Bishops of Berkshire, from the first up to 1901, appears: but it assigns the year 625 as the date of the first Bishop of the county. This is incorrect, inasmuch as Birinus, who had been consecrated at Genoa before he landed in England in 634, was established as first Bishop of Wessex (including Berkshire)—with Dorchester in Oxfordshire as his See—in 635. He died in 650.—F. T. WETHERED.
