

## COSSINGTON – NOTES ON HEADINGS ETC

### 1. Ordinary text = 11pt

H1\ 12pt bold (use initial capitals); 1 line after (+ 1 line before within text?)  
= Section Break

H2\ 11pt italic bold; 1 line after

H3\ 11pt italic regular, 1 line after

H4\ 11pt, italic, no line after

### 2. Appendices

text = 10pt

HA1\ 10pt bold italic, 1 line after

HA2\ 10pt italic regular, 1 line after

### 3. Tables

Some of the complex tables need to have 2 line weights to make them readable. Submitted as grey and black – need to find a solution for these.
