

ETN88 East Tenter Street, Scarborough Street, E1

Map site: 13 TQ 3399 8102 SMR: 082096-8

DGLA(N): David Bowsher

Excavation in 1988 revealed shallow Roman deposits, eight burials (three of them in chalk) and two fragments of a mortared flint structure which may have been part of a mausoleum. Along the E fragment of wall was an inhumation. Also found were many large cut features, perhaps gravel pits.
