HISTORIC TOWNS IN SURREY

Martin O'Connell

**Surrey Archaeological Society
Castle Arch, Guildford
1977**

The Council of the Surrey Archaeological Society desires it to be distinctly understood that it is not responsible for any statement or opinions expressed in the *Collections* or any other of its publications, the authors of the communications and articles being alone accountable for the same.

This survey has been published with the aid of a grant from the Department of the Environment.

Hon. Editor: Joan Harries

Acknowledgements

This report was undertaken at the prompting of the Inspectorate of Ancient Monuments in the Department of the Environment as one of a series of archaeological surveys of the administrative county. Particular thanks are due to David Bird, Rosamond Hanworth and Dennis Turner for their help in its compilation. I must also thank Marguerite Gollancz for her criticisms and suggestions. Thanks are due to the staff of the Surrey Record Office, especially Jill Beck and Shirley Corke; George Underwood for his help with the Surrey Archaeological Society's research material; the staff of the Conservation and Historic Buildings section; and the staff of the District Planning Departments of Guildford, Mole Valley, Reigate and Banstead, Runnymede, Tandridge and Waverley. I am also grateful to a number of individuals for their comments on specific sections of the survey. They are Peter Gray (Blechingley), Bernard Pardoe (Chertsey), Vivien Ettlinger and Lionel Green (Dorking), Ashton Booth (Farnham), Tom Maile and Dr W. C. Palmer (Godalming), Jill Beck, Shirley Corke, Felix Holling and Audrey Monk (Guildford), Norma Frost (Haslemere), Derek Renn (Leatherhead) and Dennis Turner, who made a significant contribution to the section on Reigate. I would also like to thank Kathleen Needham and my wife, Penny, who were responsible for typing the report. Responsibility for the views expressed in this survey must remain with the author.
