Preface

2010 was the 100th anniversary of the Roman Society and happily coincided with the 1600th anniversary of the traditional date of the end of Roman Britain. As part of the way of celebrating its anniversary, the Society organised a series of conferences on the topic, which were held in London, Durham, Nottingham, Glasgow, Cardiff, York, Winchester and Aberystwyth. Such events take a lot of organising and the Society is very grateful to all the individuals and institutions that participated, especially Barry Burnham, Chris Catling, Rob Collins, Ken Dark, Simon Esmonde Cleary, Neil Faulkner, James Gerrard, Peter Guest, Fiona Haarer, David Hibbitt, Stuart Laycock, Sam Moorhead, Simon West, Roger White and Pete Wilson.

The papers in this volume were all given at one or other of the conferences and their publication in a single volume is a way of marking the Society's anniversary year. We are also very grateful to Simon Esmonde Cleary for introducing and Martin Millett for concluding the volume, and also to Lynn Pitts for her usual superb editorial work.
