

**Geophysical Survey
Land off Sparry Lane
Carharrack
Redruth**

**Abstraction and interpretation of
magnetometer anomalies**

-  Positive linear anomaly - possible ditch-like feature
-  Negative linear anomaly - material of low magnetic susceptibility
-  Negative anomaly - material of low magnetic susceptibility
-  Positive anomaly - material with enhanced magnetic susceptibility
-  Magnetic debris - spread of magnetically thermoremanent/ferrous material
-  Magnetic disturbance from ferrous material
-  Strong multiple dipolar linear anomaly - pipeline / cable / service
-  Strong dipolar anomaly - ferrous object
