

Collins Creek - Area 1- West of Lower Collins
 Timber Alignments plotted by field survey in 1993
 W-E arm only visible on the earlier AP survey - other data
 would suggest might have been below gravel bank at this time

— Timber alignment (1993)

Collins Creek - Area 1- West of Lower Collins
 Showing timber alignments surveyed in 2003

— Timber alignments (1993)
 — Additional Timber alignments (Field survey 2003)
