**The team**

The main survey team is Lynn Amadio, Brian Clarke (Technical Support), Stella Maddock (DBS), Hilary Dunscombe, Sara Morgan, Mike Williams, Mike McQueen and Judith Roseaman; and also other members of WANHS AFG.

**Acknowledgements**

Invaluable help came from Ben Lennon who gave us a hard copy of the LiDAR. Thanks are also due to Chris Sorensen of the Forestry Commission and Dick Greenaway.

Wiltshire and Swindon Record Office kindly allowed the reproduction of a number of maps from their archive.

A huge debt of gratitude it owed to Brian Clarke, Hilary Dunscombe, Stella Maddock, Sara Morgan and Mike Williams for their support and especially for their comments on the report.
