

File Number	Number Range	Date Photos scanned	Approx. Order in which taken	Subject
nn001	nn001001-nn001037	12/09/2007		forward in situ ceiling details aft of F9: cleaning and then record shots
nn002	nn002001-nn002037	12/09/2007	10	displaced timbers and two deck elements amidships above ceiling planks
nn003	nn003001-nn003037	12/09/2007		early excavation, working shots cleaning midships inc maststep. Lifted composite beam cut ends. Deck element unclean. Beam shelves. Baulk still partially in place
nn004	nn004001-nn004037	12/09/2007		Cleaned hull with ceiling and maststep. Indiv timber pics of stave with merchant's mark and lifted timber ggat 1162, 1288 (beam?) and 1437
nn005	nn005011-nn005035	27/09/2007		Riders from bow (R1 inprocess of being wedged to lift). Stringers with ancient wedges? Stringers STRP1.2 (1680), STRP2.1 (1684), STRP2.2 (1684) and STRS2.2 (1667)
nn006	nn006001-nn006035	04/09/2007		Port side ceiling in situ and labelled. Pumphole, mini-step and stanchion back to 'coffin'. Starboard side with ceiling lifted
nn007	nn007001-nn007037	04/09/2007		Pumphole, mini-step and stanchion back to 'coffin'. Starboard side with ceiling lifted
nn008	nn008001-nn008-037	04/09/2007		STR3.1 1687, STRP2.4 1686 and CP4.3 1531, elm block at F28 in STR, beamshelf on STRS7?, wedges in situ after removal of STRS?, stern during excavation,sten starboard quarter, mast step and braces, braces BRS1 to BRS5
nn009	nn009001-nn009037	04/09/2007		General shots of outer hull planking with most frames removed, photogrammetry
nn010	nn010001-nn010037	04/09/2007		F1.0 1848 and 1899 Aft Face, F2.0 Aft Face, 1928, views of stern, pump, views towards stern after frames exposed, views of bow frames
nn011	nn011001-nn011037	27/09/2007	9	Early stages of exposing ceiling planks and top of frames, exposed braces round mast step, preparation for planning of initial exposed timbers midships and towards stern
nn012	nn012001-nn012037	27/09/2007		Upright deck element being cleaned, disart timbers in ship including roughout and carling, bow after removal of all disart timber
nn013	nn013001-nn013036	09/10/2007		BRS4 1718, BRS5 1719, BRS6 1720, BRS7 1721, BRS8 1722, BRS9 1723, BRS10 1724, 1725, CP1 1528, BRP10 1735, BRP9 1734, BRP8 1733, BRP7 1732, BRP6 1731, BRP5 1730, BRP4 1729, BRP3 1728, BRP2 1727, BRP1 1726, general views of exposed braces and maststep
nn014	nn014001-nn014037	09/10/2007		General views of frames after ceiling planks removed, structure 1003-walkway area.
nn015	nn015001-nn015036	09/10/2007		Fragment of Stern Cowtag1651, general views of timbers being cleaned and examined at Maesglas, including use of FARO arm, recording trials,
nn016	nn016001-nn016037	09/10/2007		Several shots of pump in bows damaged by pile, several shots of frames after removal of ceiling planks and stringers, including removal of some midship frames
nn017	nn017001-nn017034	09/10/2007		Several shots of hull planks after removal of frames, close-up shots of frames near mast step, possible stringer 1838, 1839, shots of maststep with 1833 to 1836
nn018	nn018001-nn018012	23/10/2007		Views of hull planking, shots of aft pump in vicinity of F58 2073 during lifting - garboard plank lift
nn019	nn019001-nn019038	23/10/2007		close-up views of frames in bows, general views towards stern of hull planking after most frames removed

File Number	Number Range	Date Photos	Approx. Order in	Subject
nn020	nn020001-nn020037	23/10/2007	7	Early excavation - views of damage caused by piles to ceiling and stringer timbers and frames - shots of deck support timber - shots of archaeologists working on site
nn021	nn021001-nn021037	23/10/2007		Series of shots of hull after ceiling planks and some stringers removed, including several of mast step region
nn022	nn022001-nn022037	23/10/2007		Timbers under ship after planks removed? Preparation and removal of keelson and keel
nn023	nn023001-nn023037	23/10/2007		S4.1 2247 damaged by pile in bow, shots of site as keel/ keelson being prepared for removal, shots of large lifting crane
nn025	nn025001-nn025020	30/10/2007		general shots of planks after frames removed. Several shots of F62.0 2231 in situ, shots of S10, S11, S12
nn026	nn026001-nn026037	30/10/2007		Series of shots of during removal of keel and keelson - Views of keelson on lorry, Shots of hull towards stern P2.9 (2542)
nn027	nn027001-nn027037	30/10/2007		Filler Stbd of Keelson F39 1867, Filler overlaying F23.0 1997, Filler port of Keelson F41 1844, taking dendro samples at Maesglas, BRP2 1727, S1.1 2250, S6.1 2242, Stem 2544. from nn027022 Shots of outdoor location by lake showing timbers sampled for dendro, from nn027032 shots of stem at Maesglas storage location
nn028	nn028001-nn028036	30/10/2007		Series of shots of hole in timber, shots of frames (F37, F39, F40 ) before removal - views of pump by F57, close up of fillers over F55.0 1930, F56.0 1929, F57.0 1985, shots of removal of frame F16.0 (1760)
nn029	nn029001-nn029036	30/10/2007		Shots of maststep, fillers port of keelson F44 to F49 after ceiling planks and stringers removed, general shots round mast step, removal of mast step, shots of GGAT staff in hut
nn030	nn030001-nn030037	07/11/2007		General shots of hull before complete removal of stringers and debris between frames - shots of photogrammetry in progress - shots of damage due to piles through stringers and frames
nn031	nn031001-nn031037	07/11/2007	50	General views of debris under hull? beams 513, 509, 506 & 503, knee 500(?), strut 562, 561, fragment 1020, views of cranes removing struts
nn032	nn032001-nn032046	07/11/2007		Filler board on F43 (1751), removing debris above ceiling planks, BRS5 (1719), CP1.4 (1520), views of pump hole, frames F18.4(1767) & F19.4 (1769), F18.2(1756), F19.2(1768)
nn033	nn033001-nn033034	07/11/2007		Views around pile through mast step, close ups of planking, bow after removal of stringers, F1.1, F7.2 (1907),
nn036	nn036001-nn036040	31/01/2008	5	Views of knee and components in situ, views of damage to hull caused by piling, plus close up shots of archaeologists
nn037	nn037001-nn037036	31/01/2008		General shots of frames and keel being removed from site by lorry, close up shots of exposed frames in situ around F40 and F41, views of pump hole around F58
nn038	nn038001-nn038025	31/01/2008	2	Views of early stages of exposing ship - exposure of cut off tops of frames,
nn039	nn039001-nn039025	04/02/2008	4	Views of knee and components, exposed tops of cut frames, exposure of ceiling planks,
nn040	nn040001-nn040037	04/02/2008		Views of ceiling planks and stringers after mud and debris removed, crosspiece supporting bilge board (1620), Views of bilge boards near mast step (1616 to 1619), views of hull after removal of ceiling planks, views of mast step pierced by pile,
nn041	nn041001-nn041037	04/02/2008		Ceiling Planks B, close ups of ceiling planks, one view of braces round mast step
nn042	nn042001-nn042011	04/02/2008		Oxford Archaeology Bow, views of stem and plank fragments
nn043	nn043001-nn043037	04/02/2008		Recording Trials - Photos of Timbers including S6.1 (2242) (cowtag 562), close ups of treenail holes etc. Close up of cleaned frame with treenail holes, stringer STRS 7.2 (1677) (Cowtag 1528), ,

File Number	Number Range	Date Photos scanned	Approx. Order in which taken	Subject
nn044	nn044001-nn044037	16/10/2007		Barrel stave (2071) Aft pump (2072) around F58 (2073), close ups of forward planking, 'Surf Board'
nn045	nn045001-nn045025)	16/10/2007	1	First shots of discovery of ship's timbers at start of excavation - shots 20-24
nn046	nn046001-nn046037	16/10/2007		Close ups of planking S6-S14, after removal of frames, from bow to stern, close ups of F61.0 (2230) and F62.0(2231), 3 shots of general excavation
nn047	nn047001-nn047037	16/10/2007	51	Close ups of port planking P1- P16 after removal of frames from bow to stern, close up of frame F63.0 (2531)
nn048	nn048001-nn048037	16/10/2007	3	General views of early stages of excavation with cut tops of frames and some ceiling planks exposed, some shots of knee,
nn049	nn049001-nn049037	14/05/2007	8	General views of excavation during removal of ceiling planks, views of damage caused by piles, general views of archaeologists at work
nn050	nn050001-nn050037	15/05/2007	6	General views of early stages of excavation, uncovering of ceiling planks, initial exposure of frames around mast step?
nn051	nn051001-nn051037	16/05/2007		general views of exposed mast step pierced by pile and surrounding braces, CP1.5 (1532), several shots of unknown blocks 1555, 1556, 1557 & 1558 (see drawing 81)
nnphotos_only	nnphoto_only001-nnphoto_only070	04/02/2008		dist planking inc rebated deck plank (? c1358 ggat1271), recording ceiling, in situ and excavated coopered vessel group, chamfer and stopp detail on timber, muddy people, deck element and overlying rebated deck plank, Views of barrel staves, general views of excavators at work among debris above ceiling planks and resting,
