I am writing to inform you that the above watching brief has been undertaken and no archaeological deposits or artefacts were observed. Machine excavation consisted of the removal of 200mm of turf, topsoil and a section of concrete pavement.

Work commenced on April 5th, and was completed by 11.30am. I have enclosed a map locating the site of the work.

If you have any queries do not hesitate to contact the office.

Yours sincerely,

Kelly Grieveson
