Planning Application No. 97/00667/MUL

Dear Sir,

Saville Street Methodist Church, Malton, North Yorkshire

I am writing to inform you that the archaeological watching brief has been conducted at the above site and the planning condition has been fulfilled. No archaeological deposits or artefacts were uncovered during the excavation of the groundworks. The extension foundation trench was roughly on the same alignment as the old extension and Sunday School seen on previous Ordnance Survey maps.

If you have any questions please do not hesitate to contact the office.

Yours faithfully,

K. C. Hunter
