
15.0 Plates

Plate 1. Wall [4] revealed in drainage trench. 2 x 1.00m scales.

Plate 2. Wall [52] prior to excavation of drainage trench.

Plate 3. North-facing elevation of wall [52] prior to dismantling for drainage trench. Scale 0.50m.

Plate 4. Wall [52] after dismantling for passage of drain. Scale 0.50m.

Plate 5. Depth of structures below modern ground level. Scale 1.00m.

Plate 6. In foreground note wall revealed at the bottom of drainage trench.

Plate 7. Western jamb of entrance to *frater*. Scale 0.50m.

Plate 8. Eastern claustral range – northern doorway looking west. Scale 1.00m.

Plate 9. Detail of northernmost jamb showing door fitting and plastered wall. Scale 0.50m.

Plate 10. Eastern claustral range, southern doorway. Scale 1.00m.

Plate 11. Detail of partially robbed southern threshold. Scale 1.00m.

Plate 12. Window head found in the northernmost doorway of the eastern cloister. Scale 0.50m.

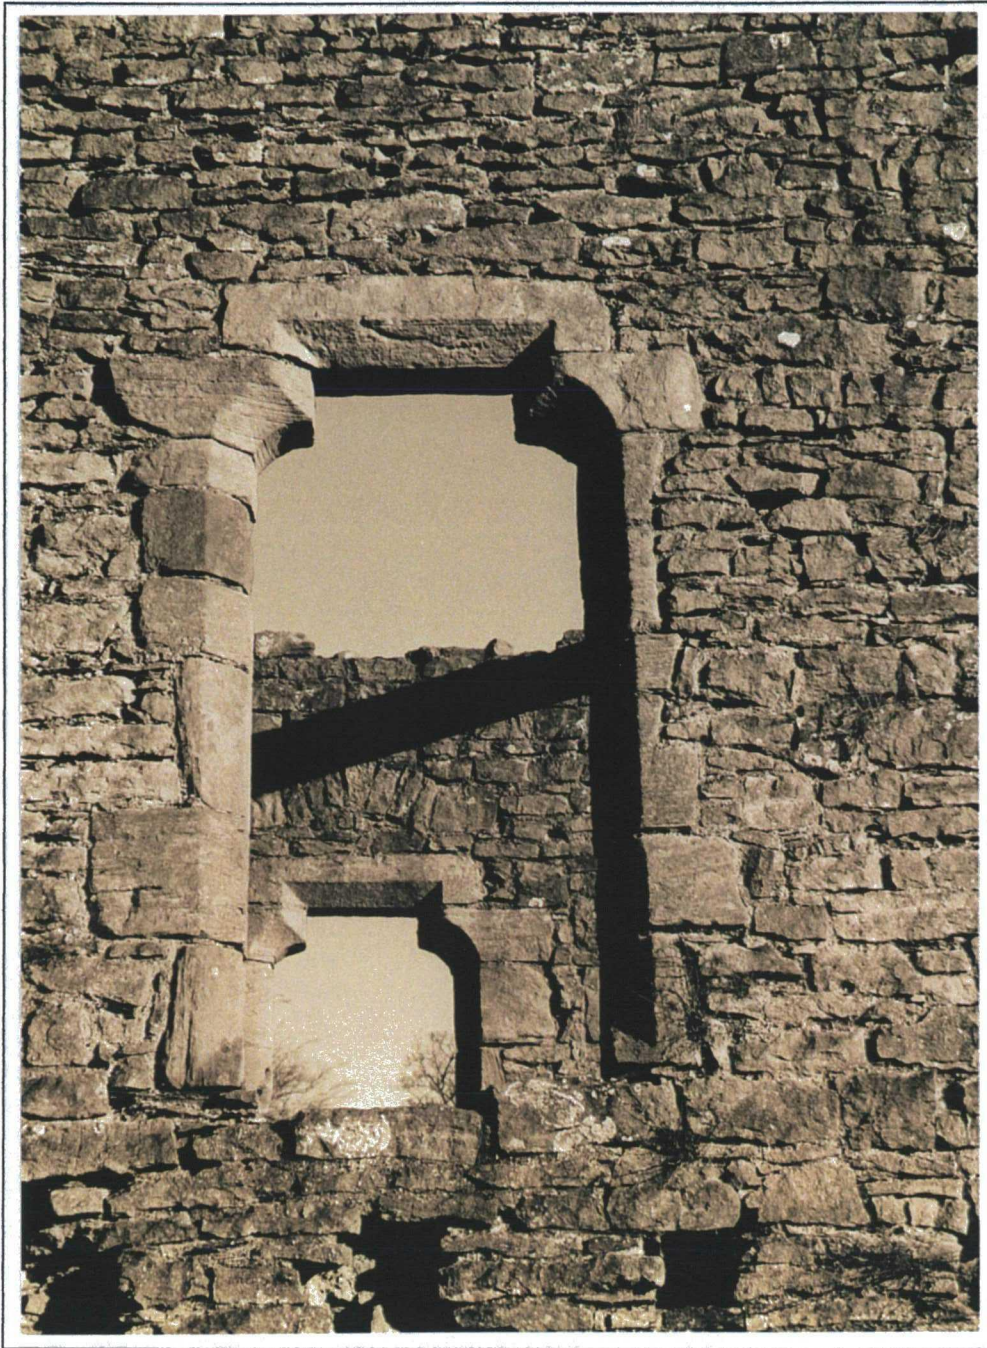

Plate 13. Window in the Abbot's Solar at Easby Abbey.

Plate 14. Building at the western edge of the site – detail of plaster floor. Scales 1.00 & 0.50m.

Plate 15. Southern end of building running under western boundary wall. Note probable entrance and stones in robber trench to the left of 1.00m scale. Scales 1.00 & 0.50m.

16.0 Figures

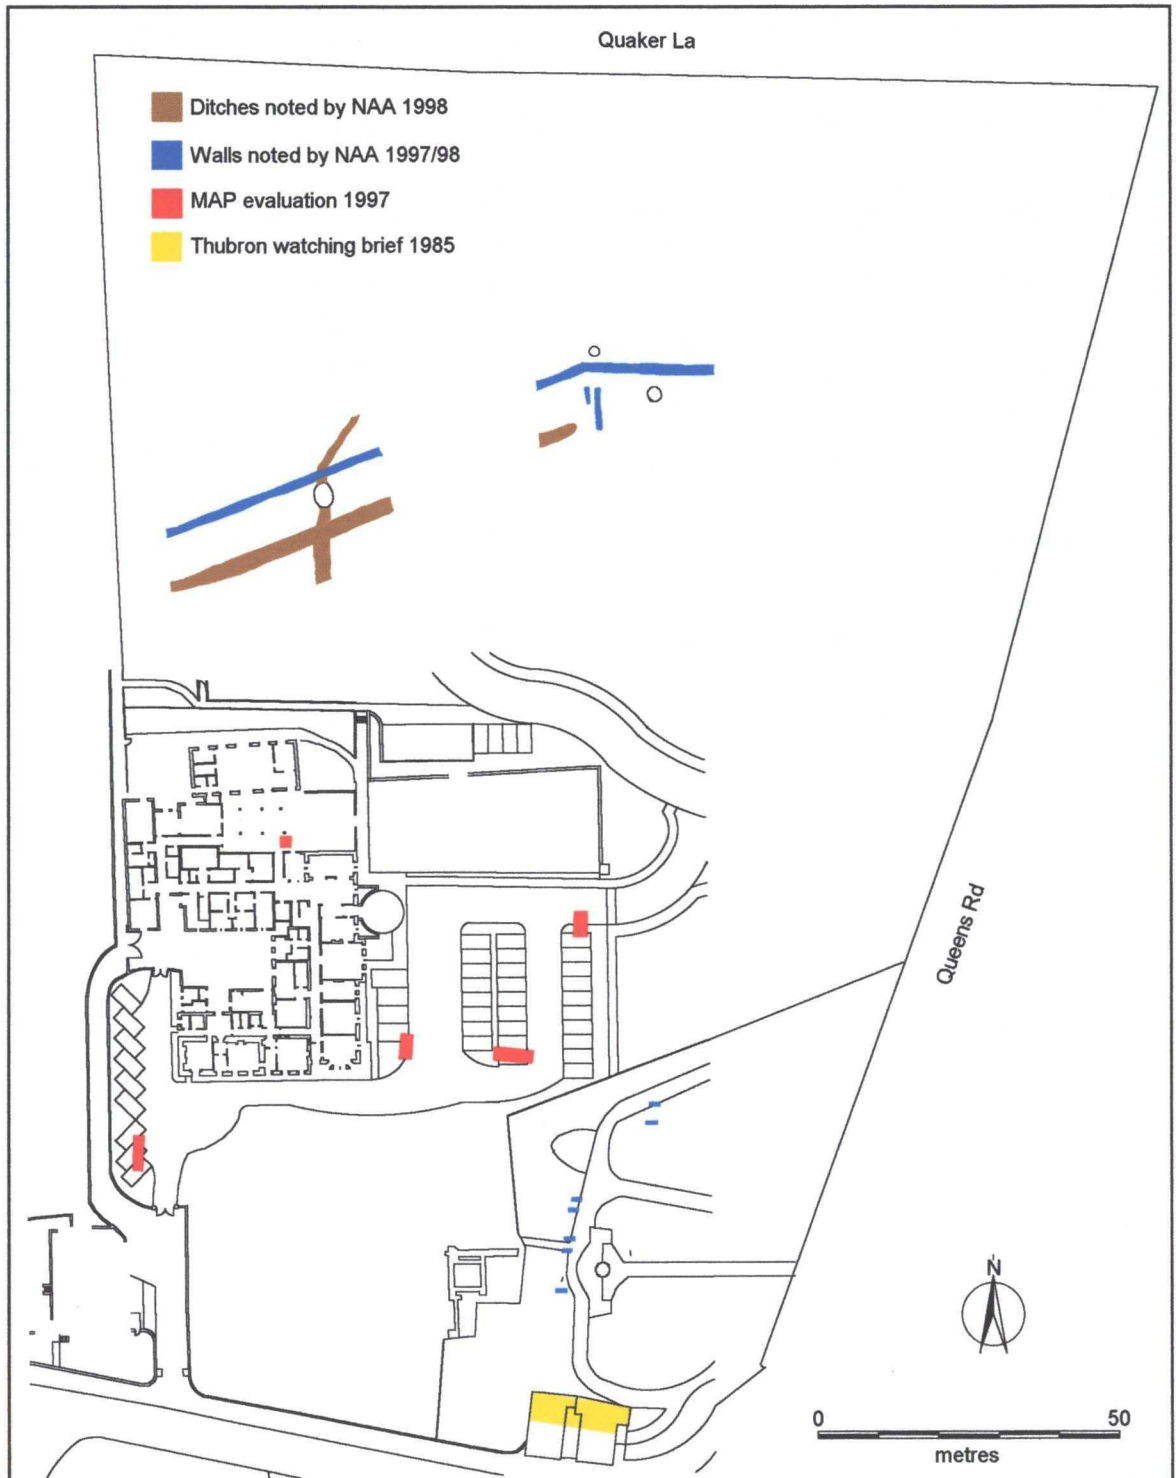

Figure 2. Previous archaeological work at the Friary. Scale 1:1250.

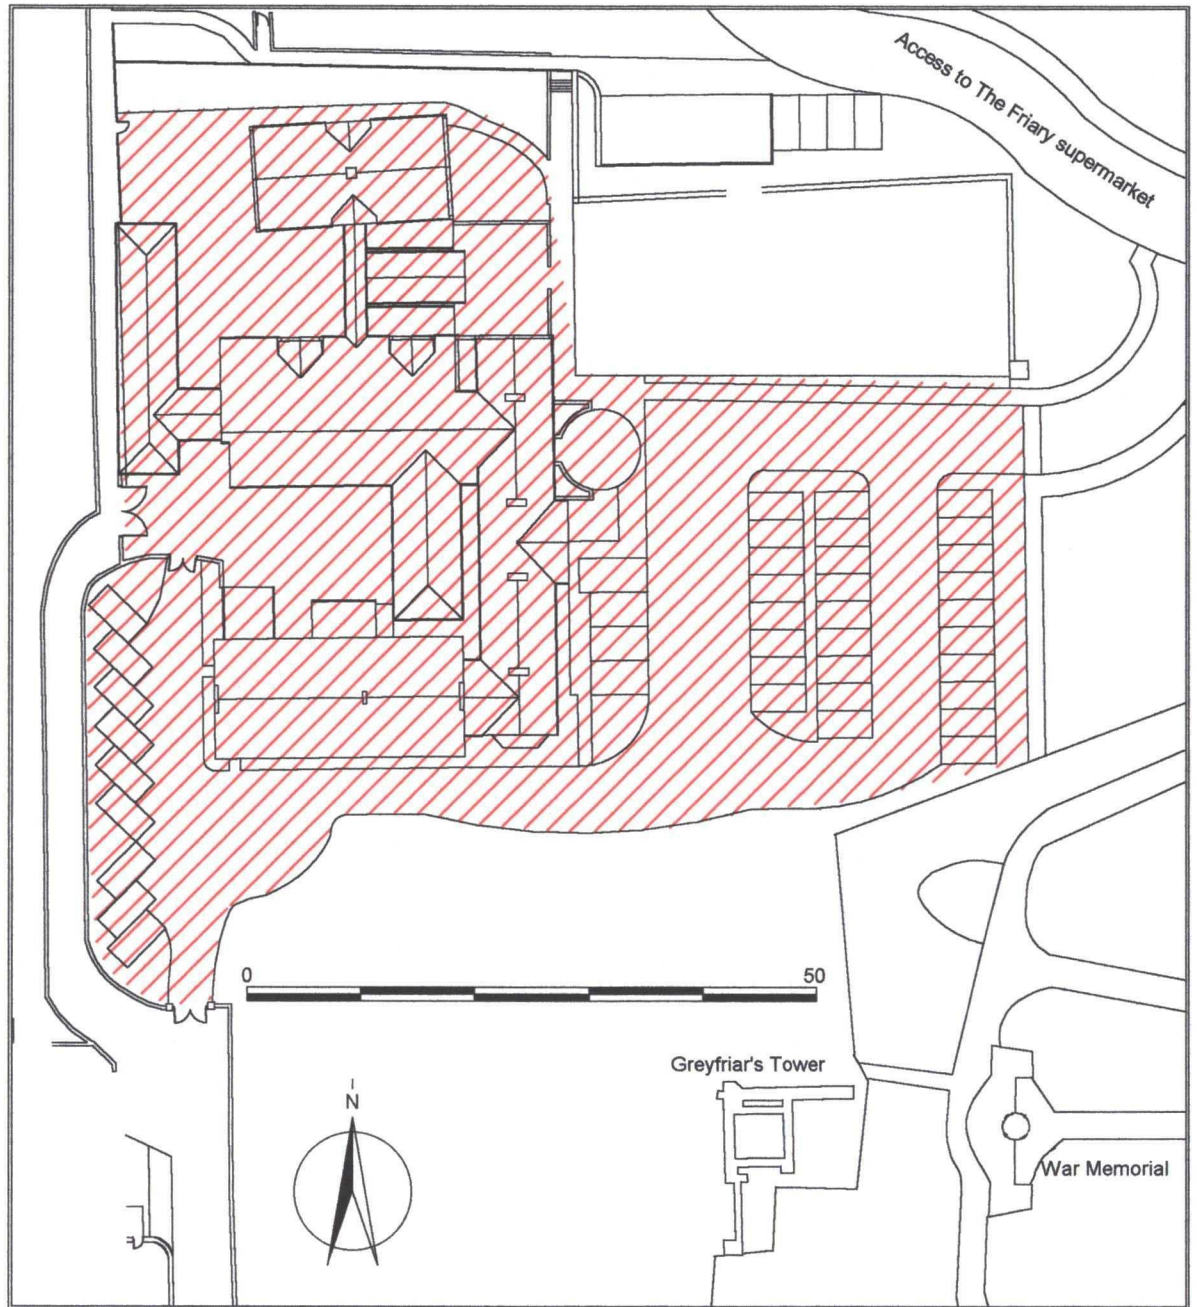

Figure 3. Scope of works

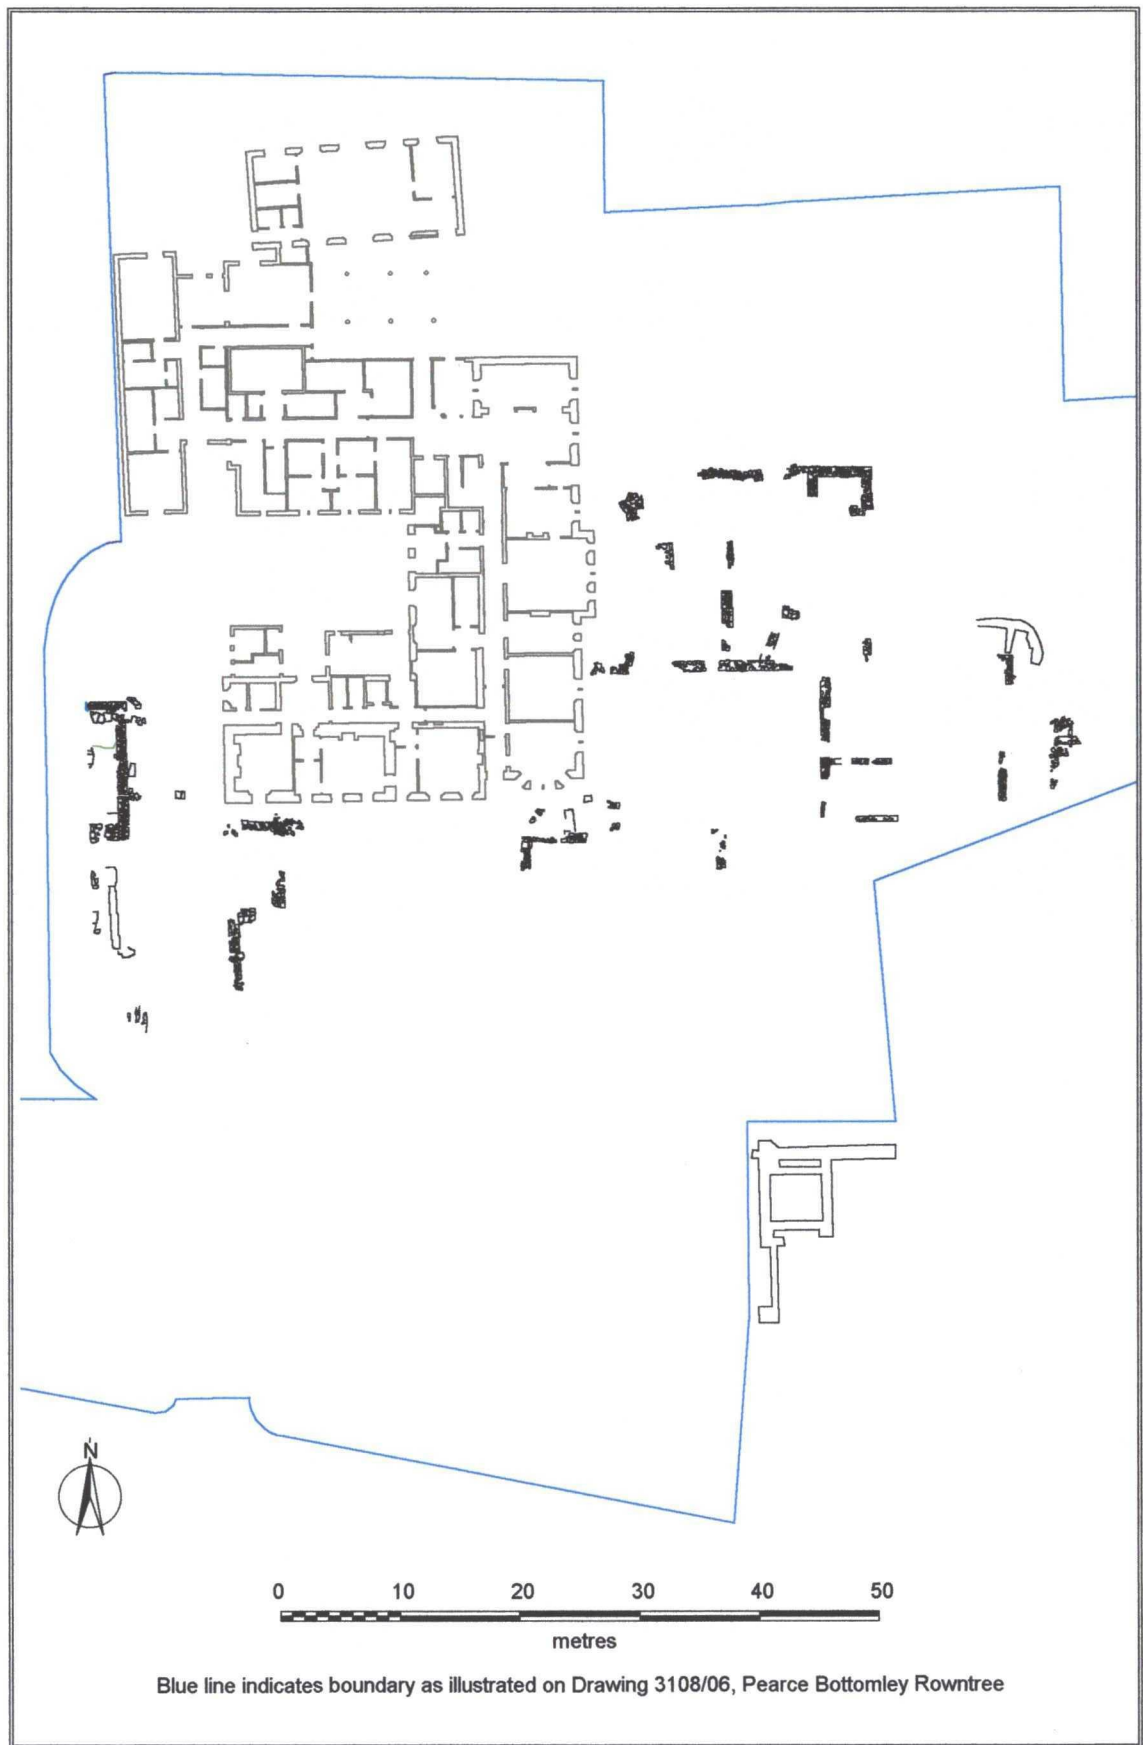

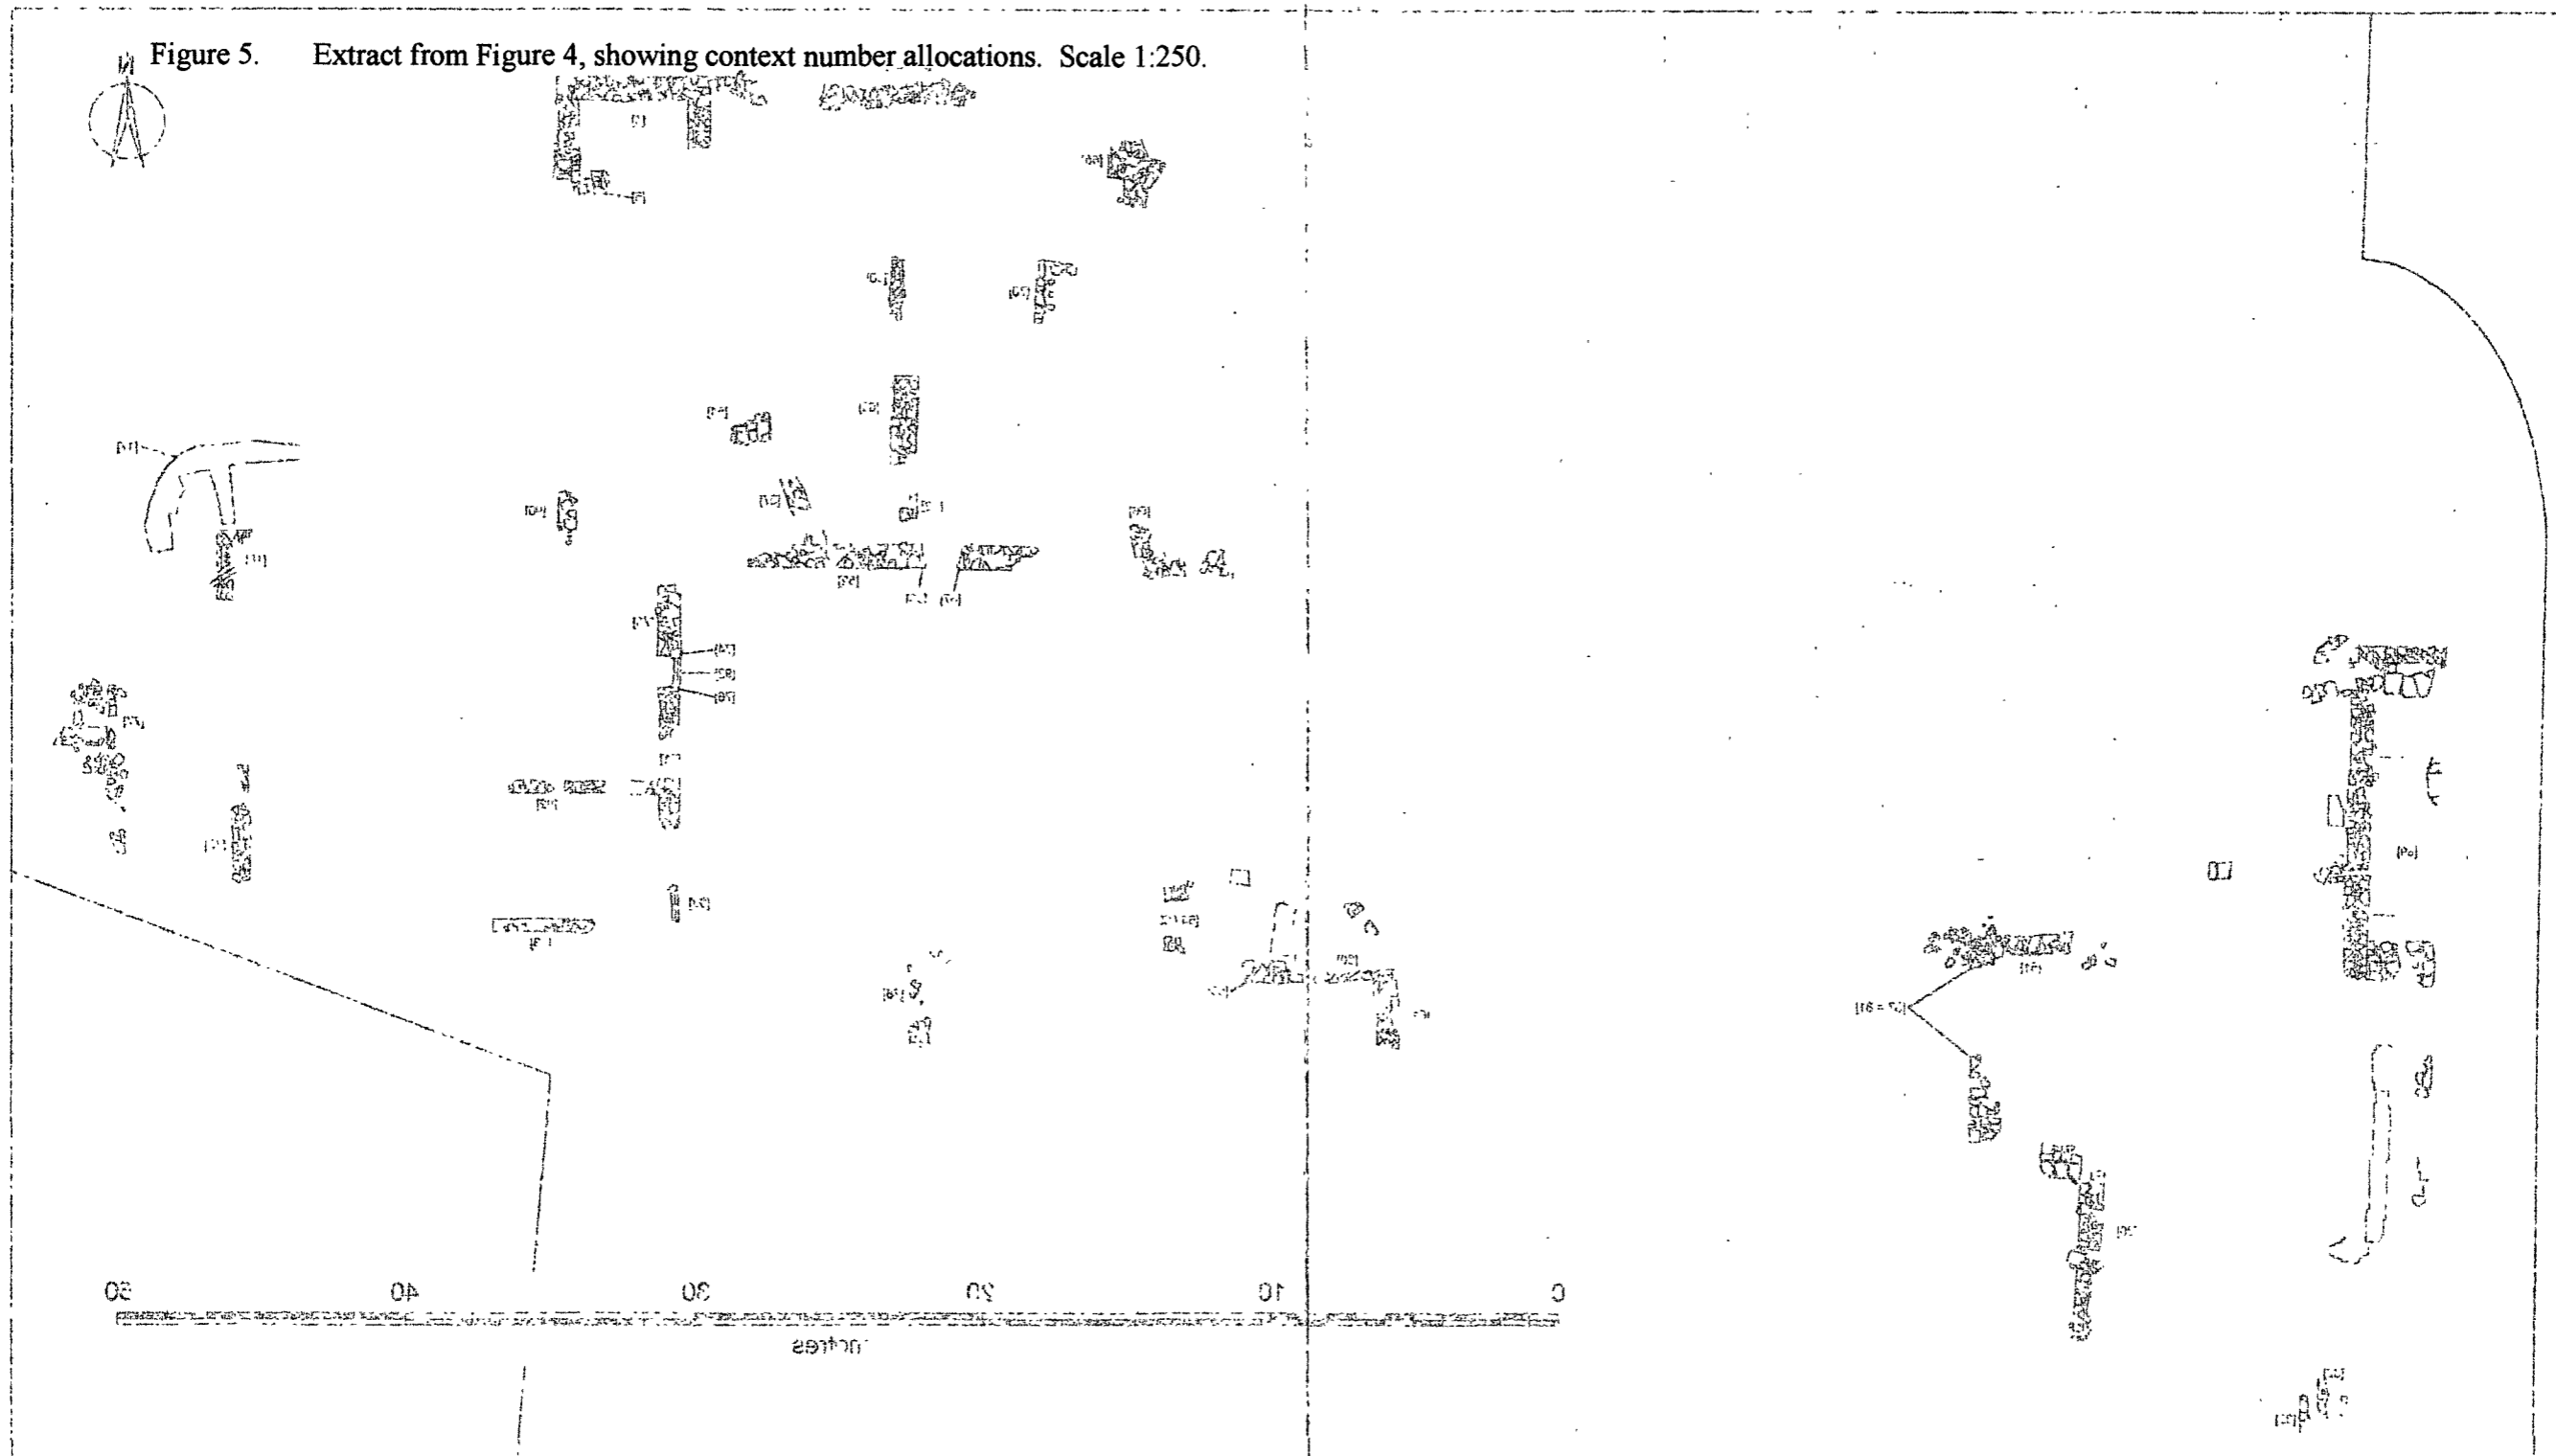

Figure 4. General plan of archaeological features revealed during the watching brief

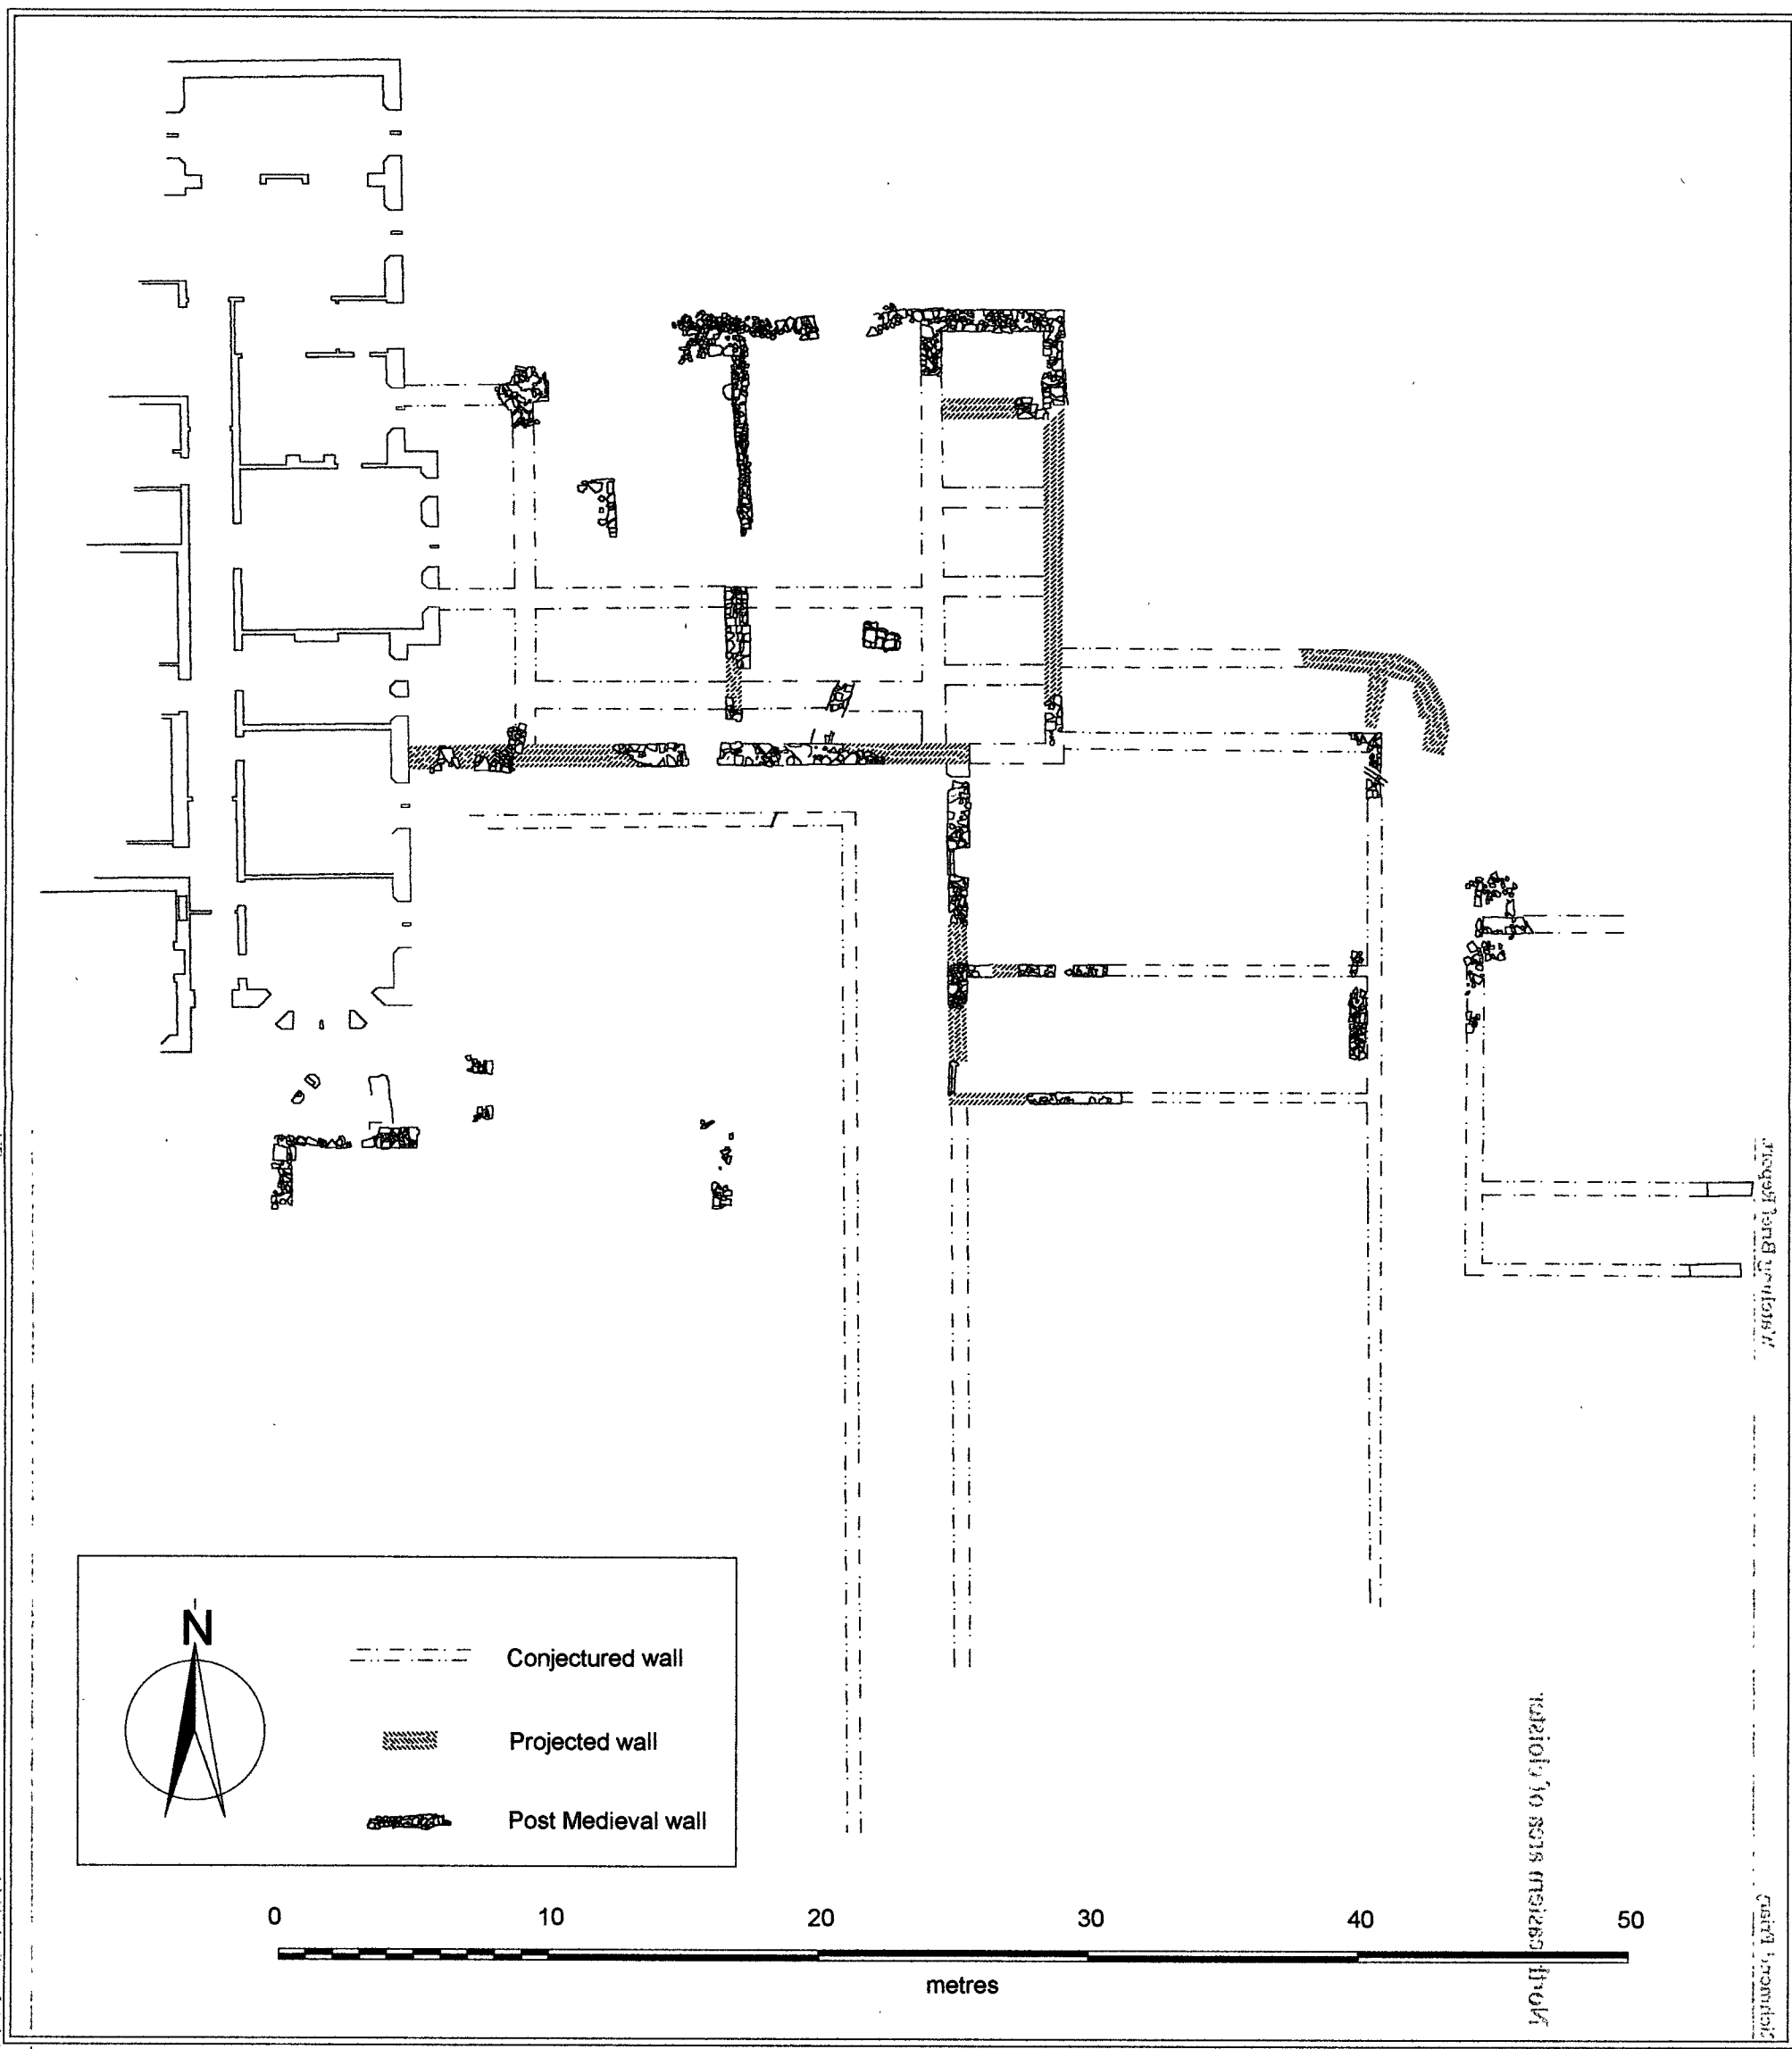

Figure 1: Plan of the site showing the layout of the walls and structures.

Figure 6. North-eastern area of cloister.

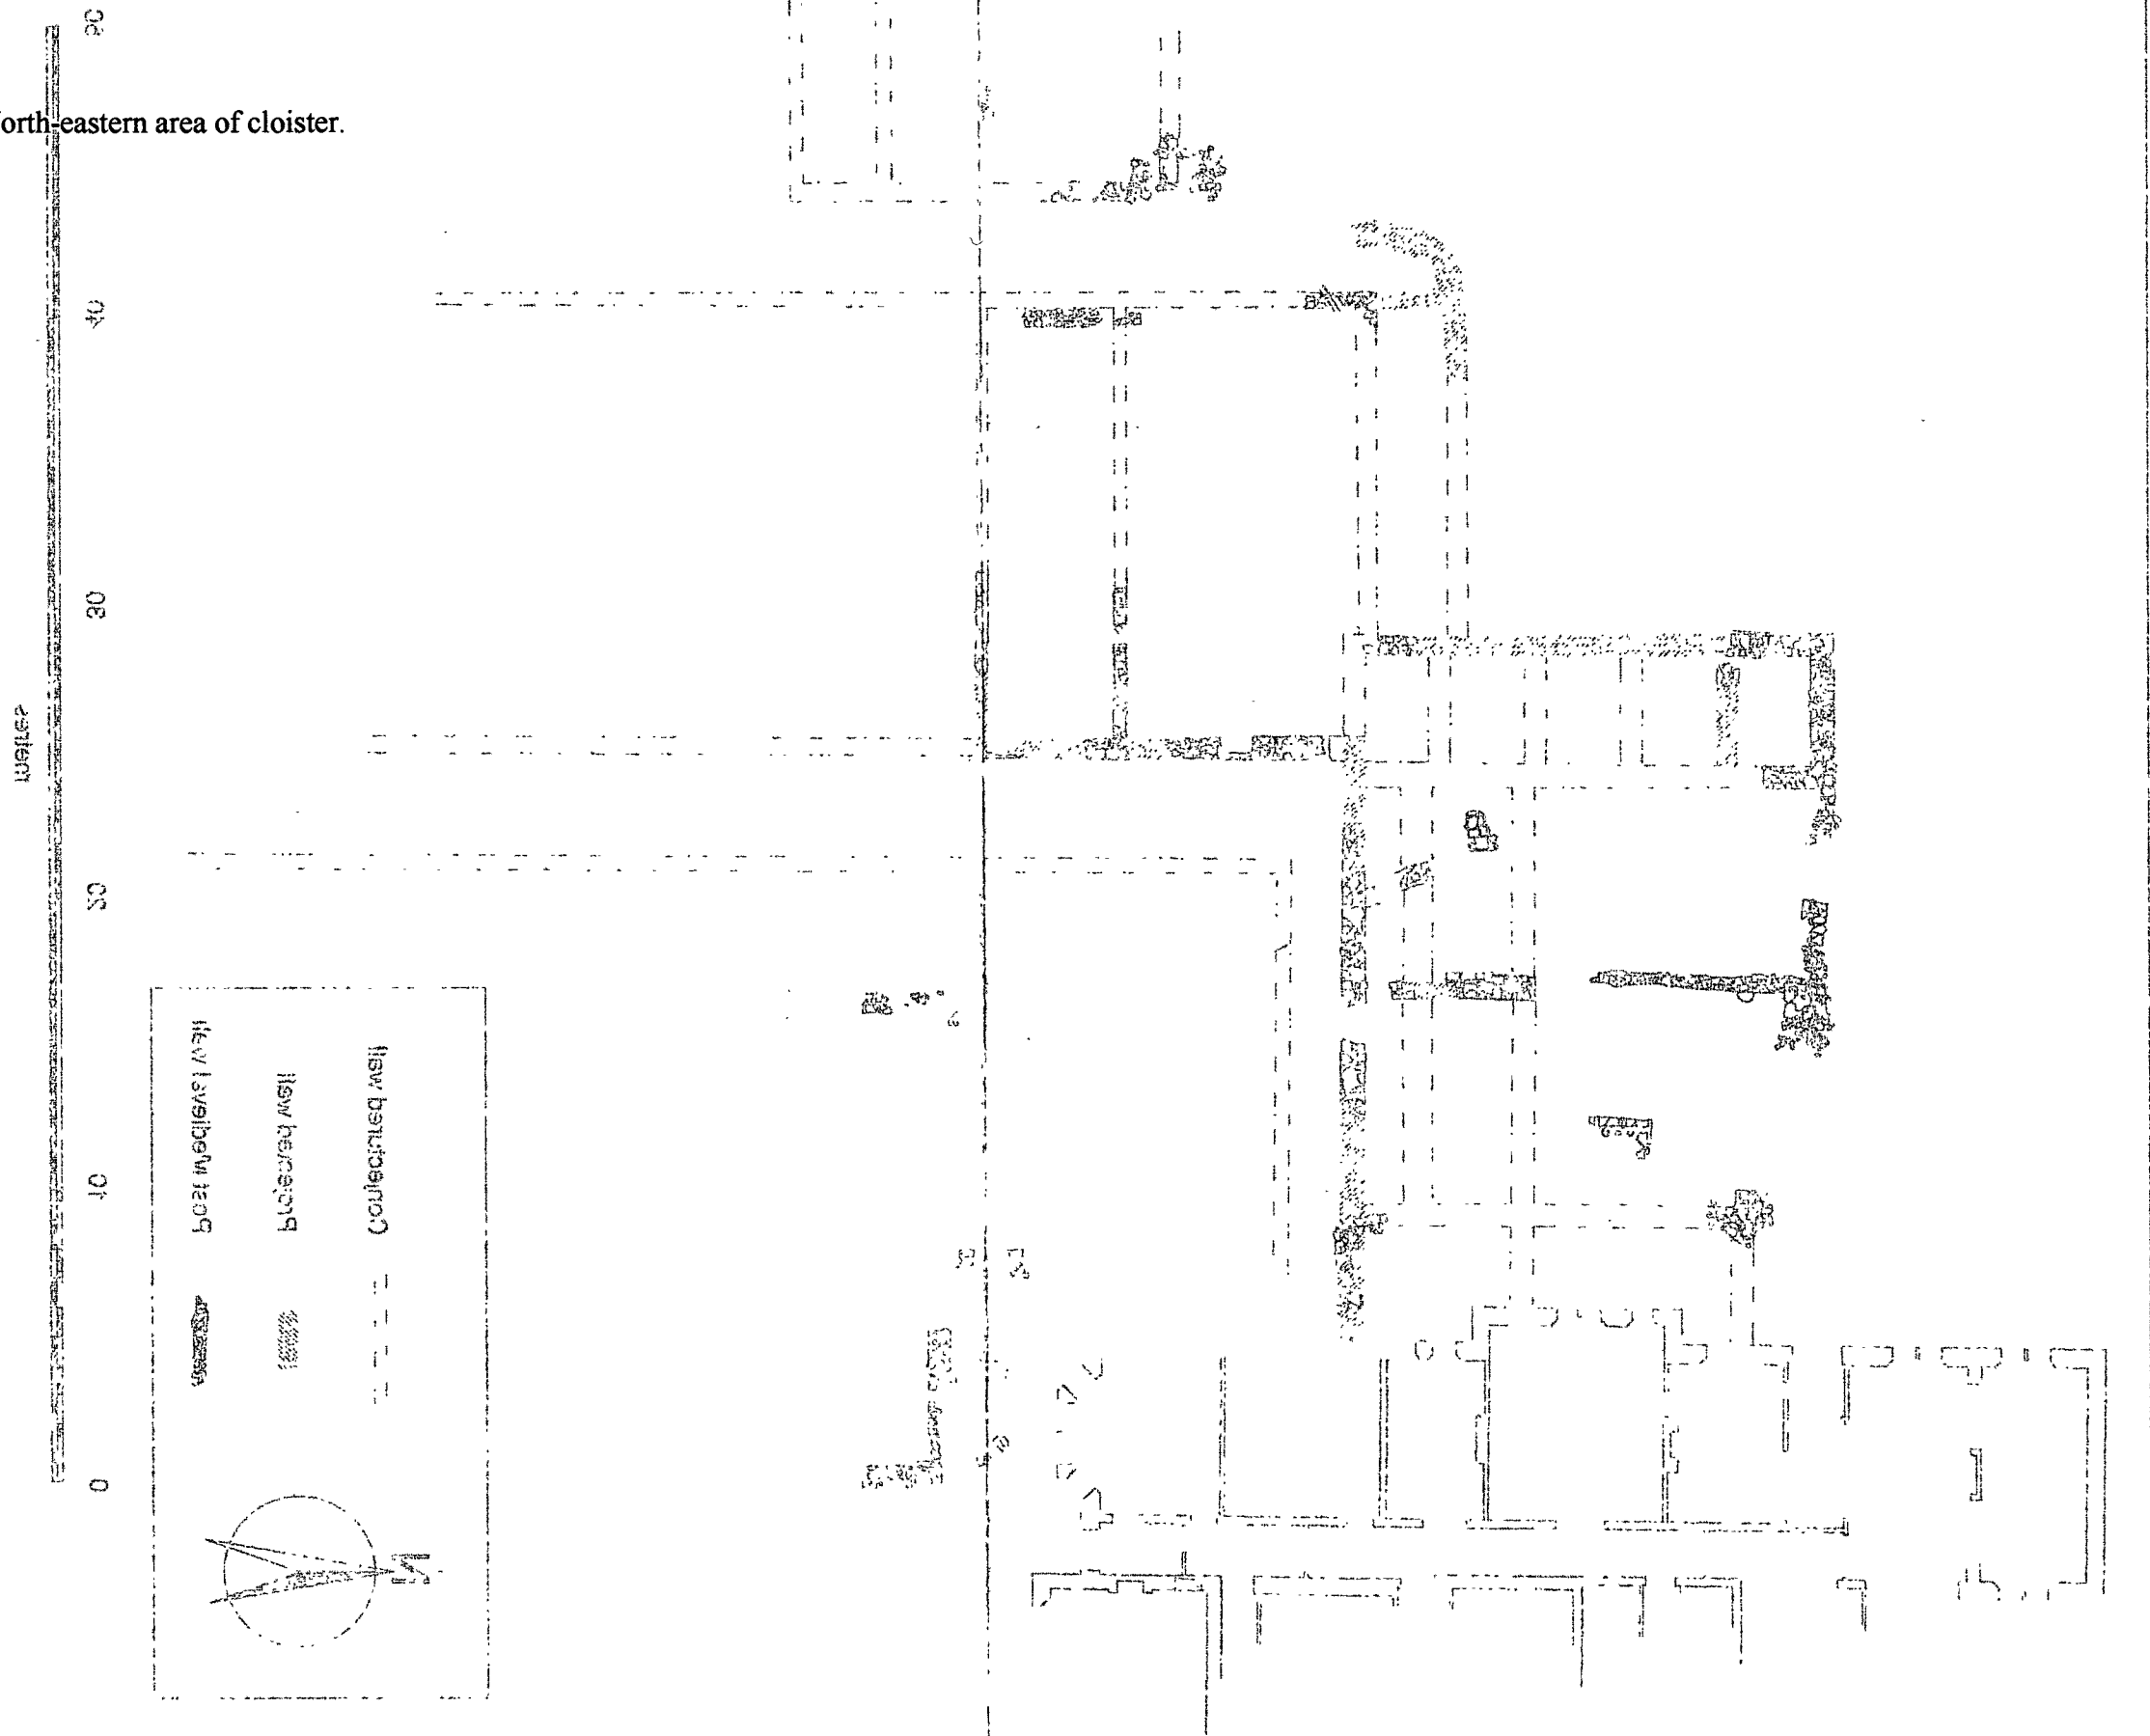

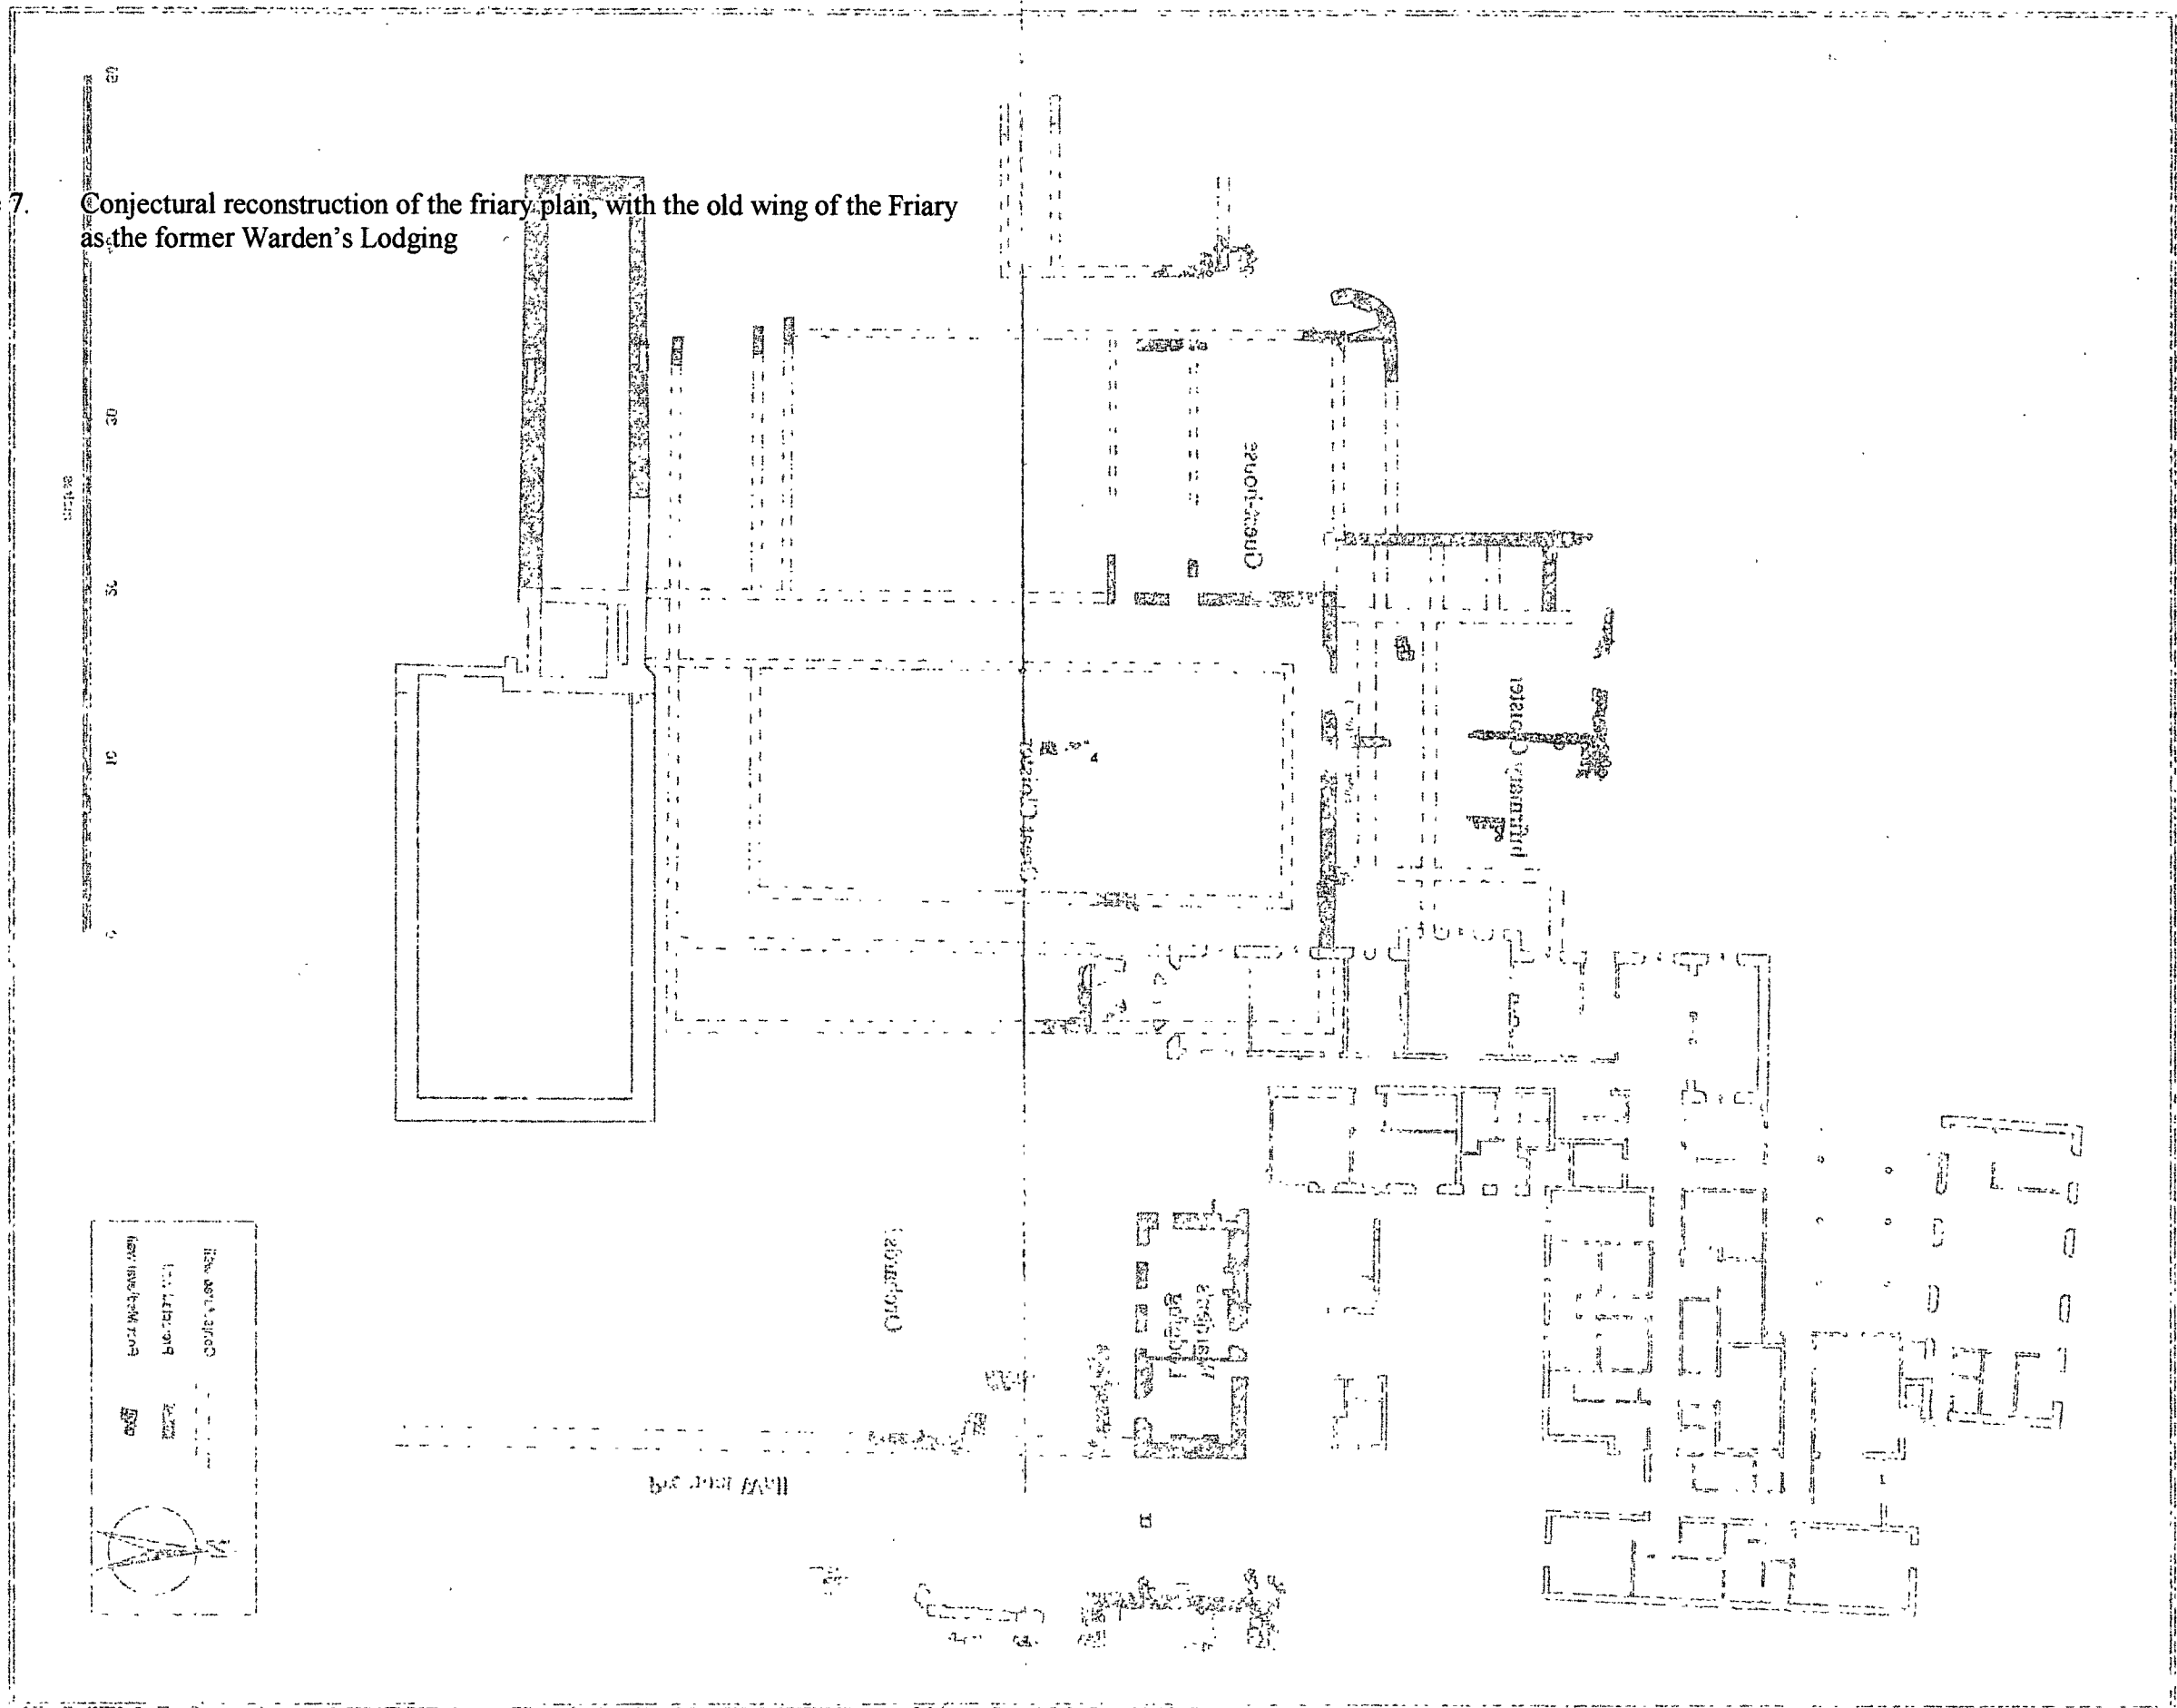

Figure 7. Conjectural reconstruction of the friary plan, with the old wing of the Friary as the former Warden's Lodging

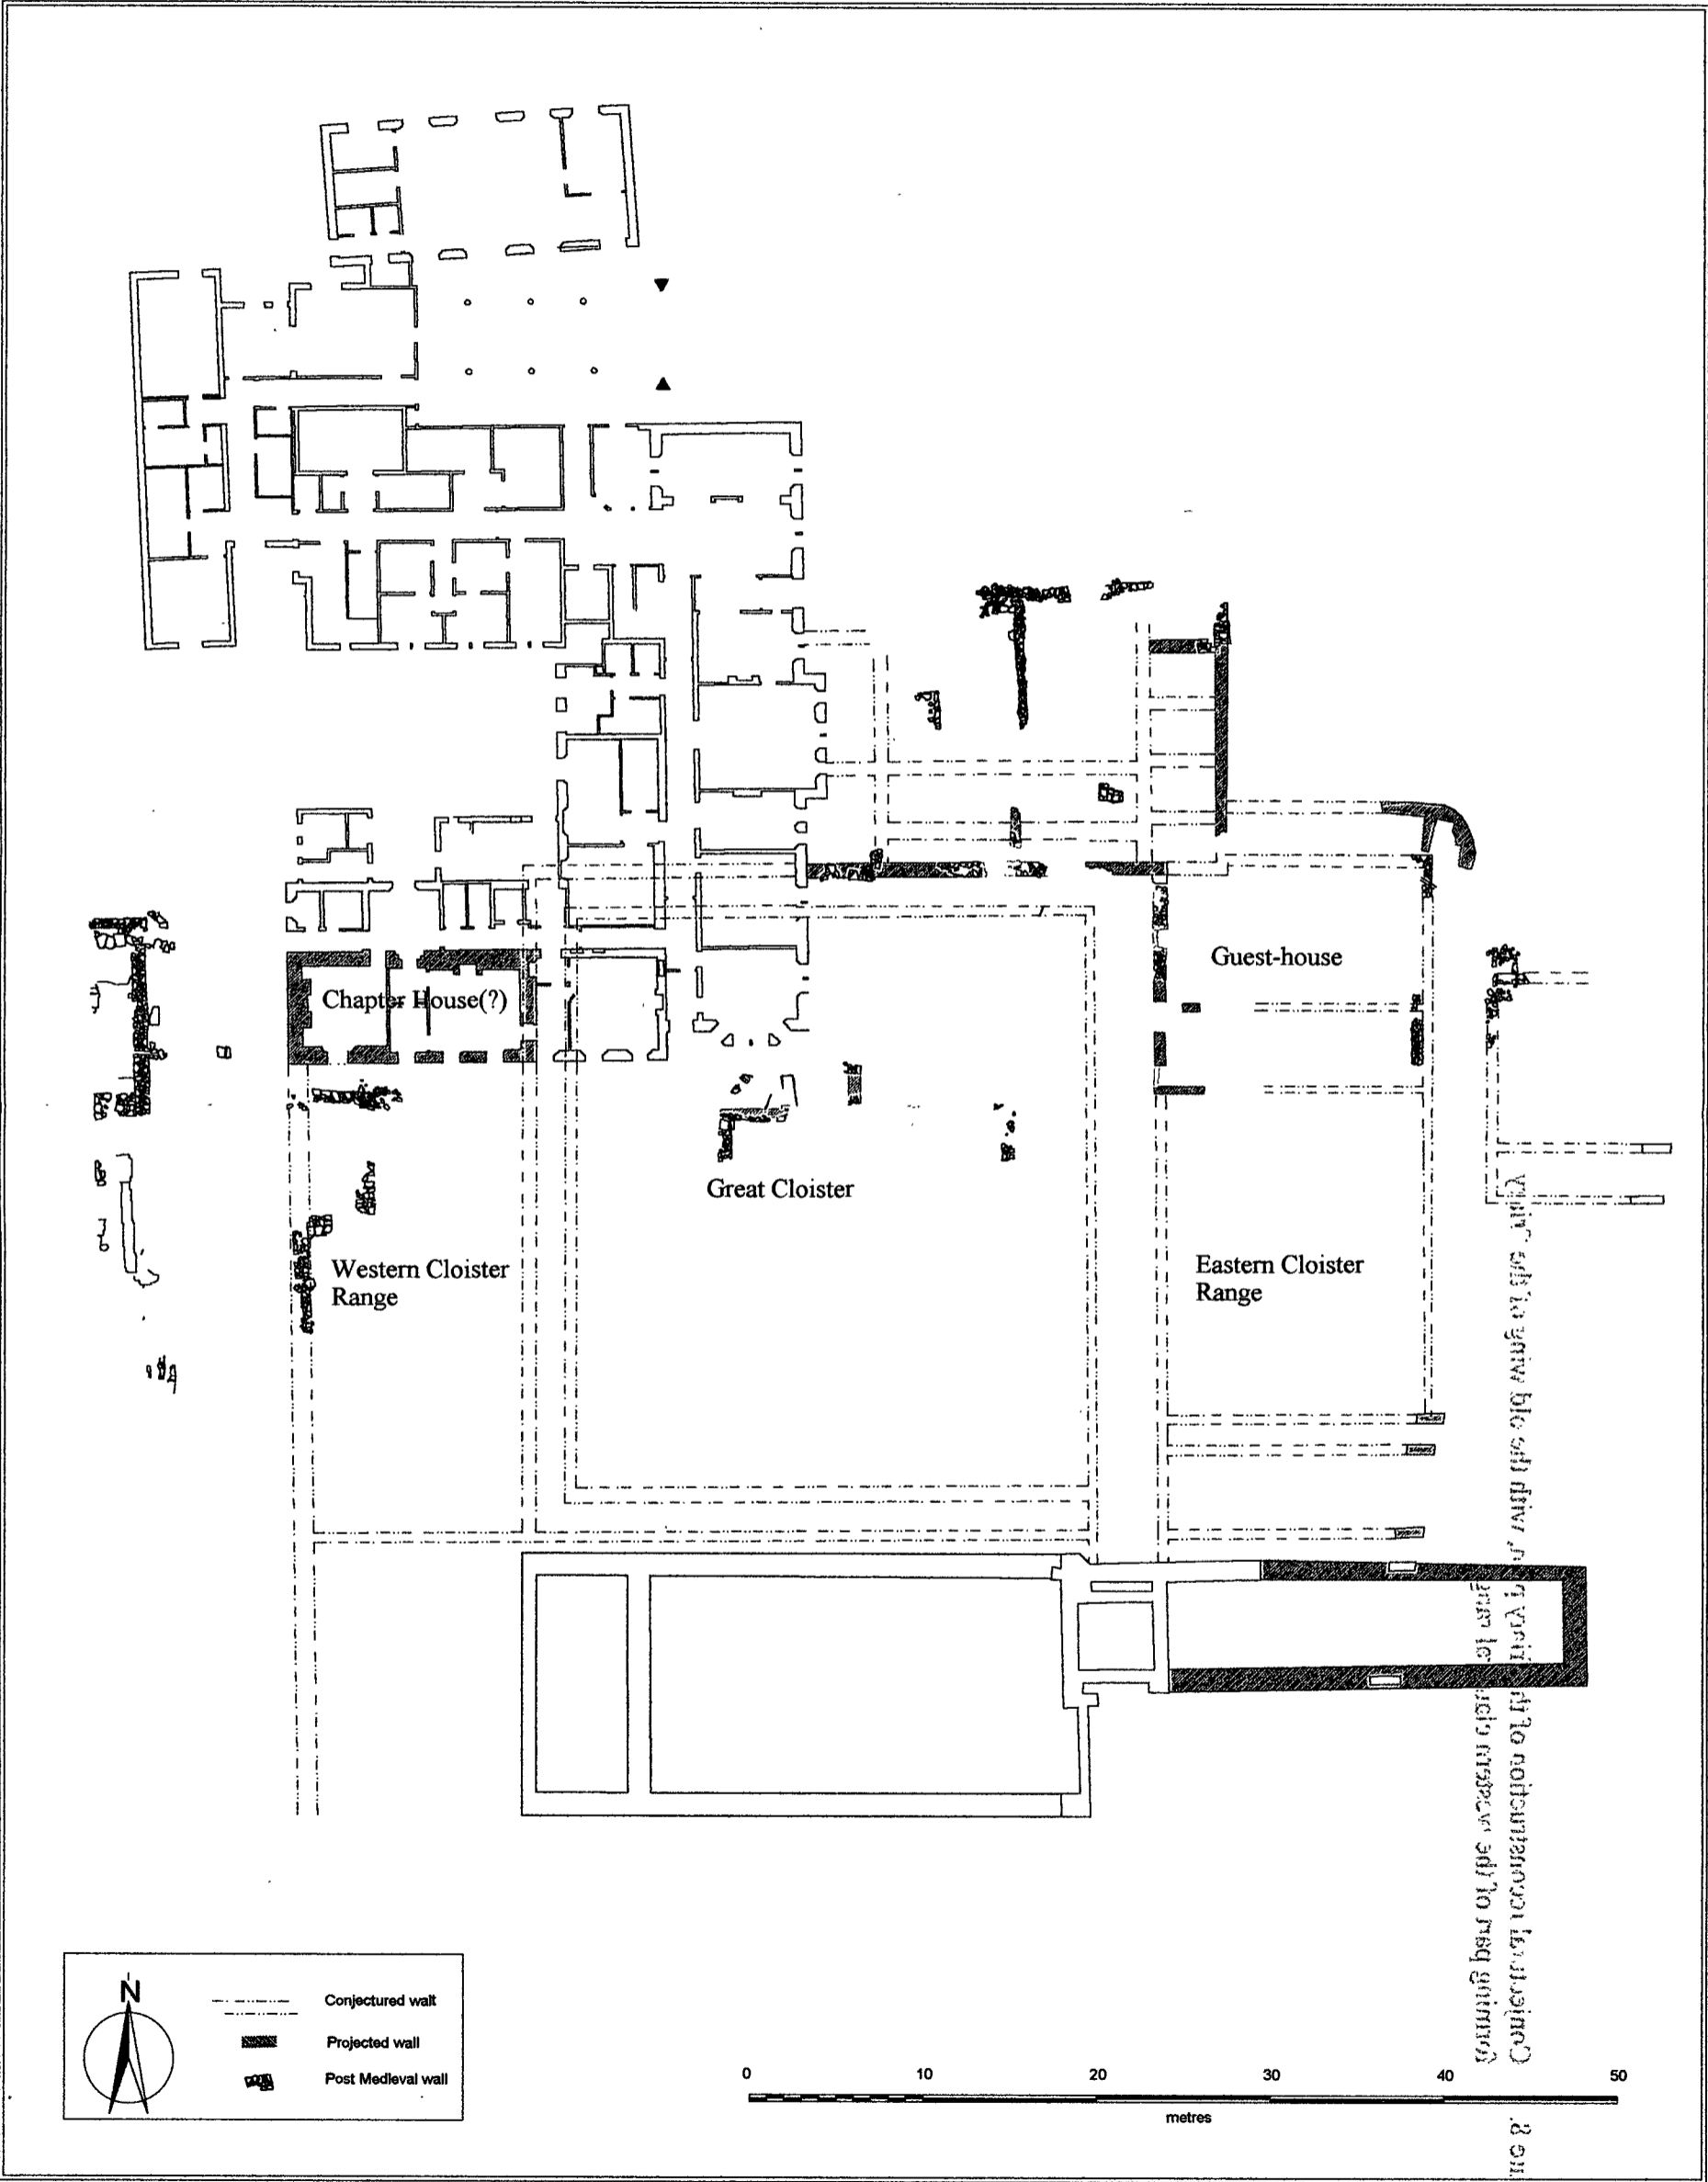

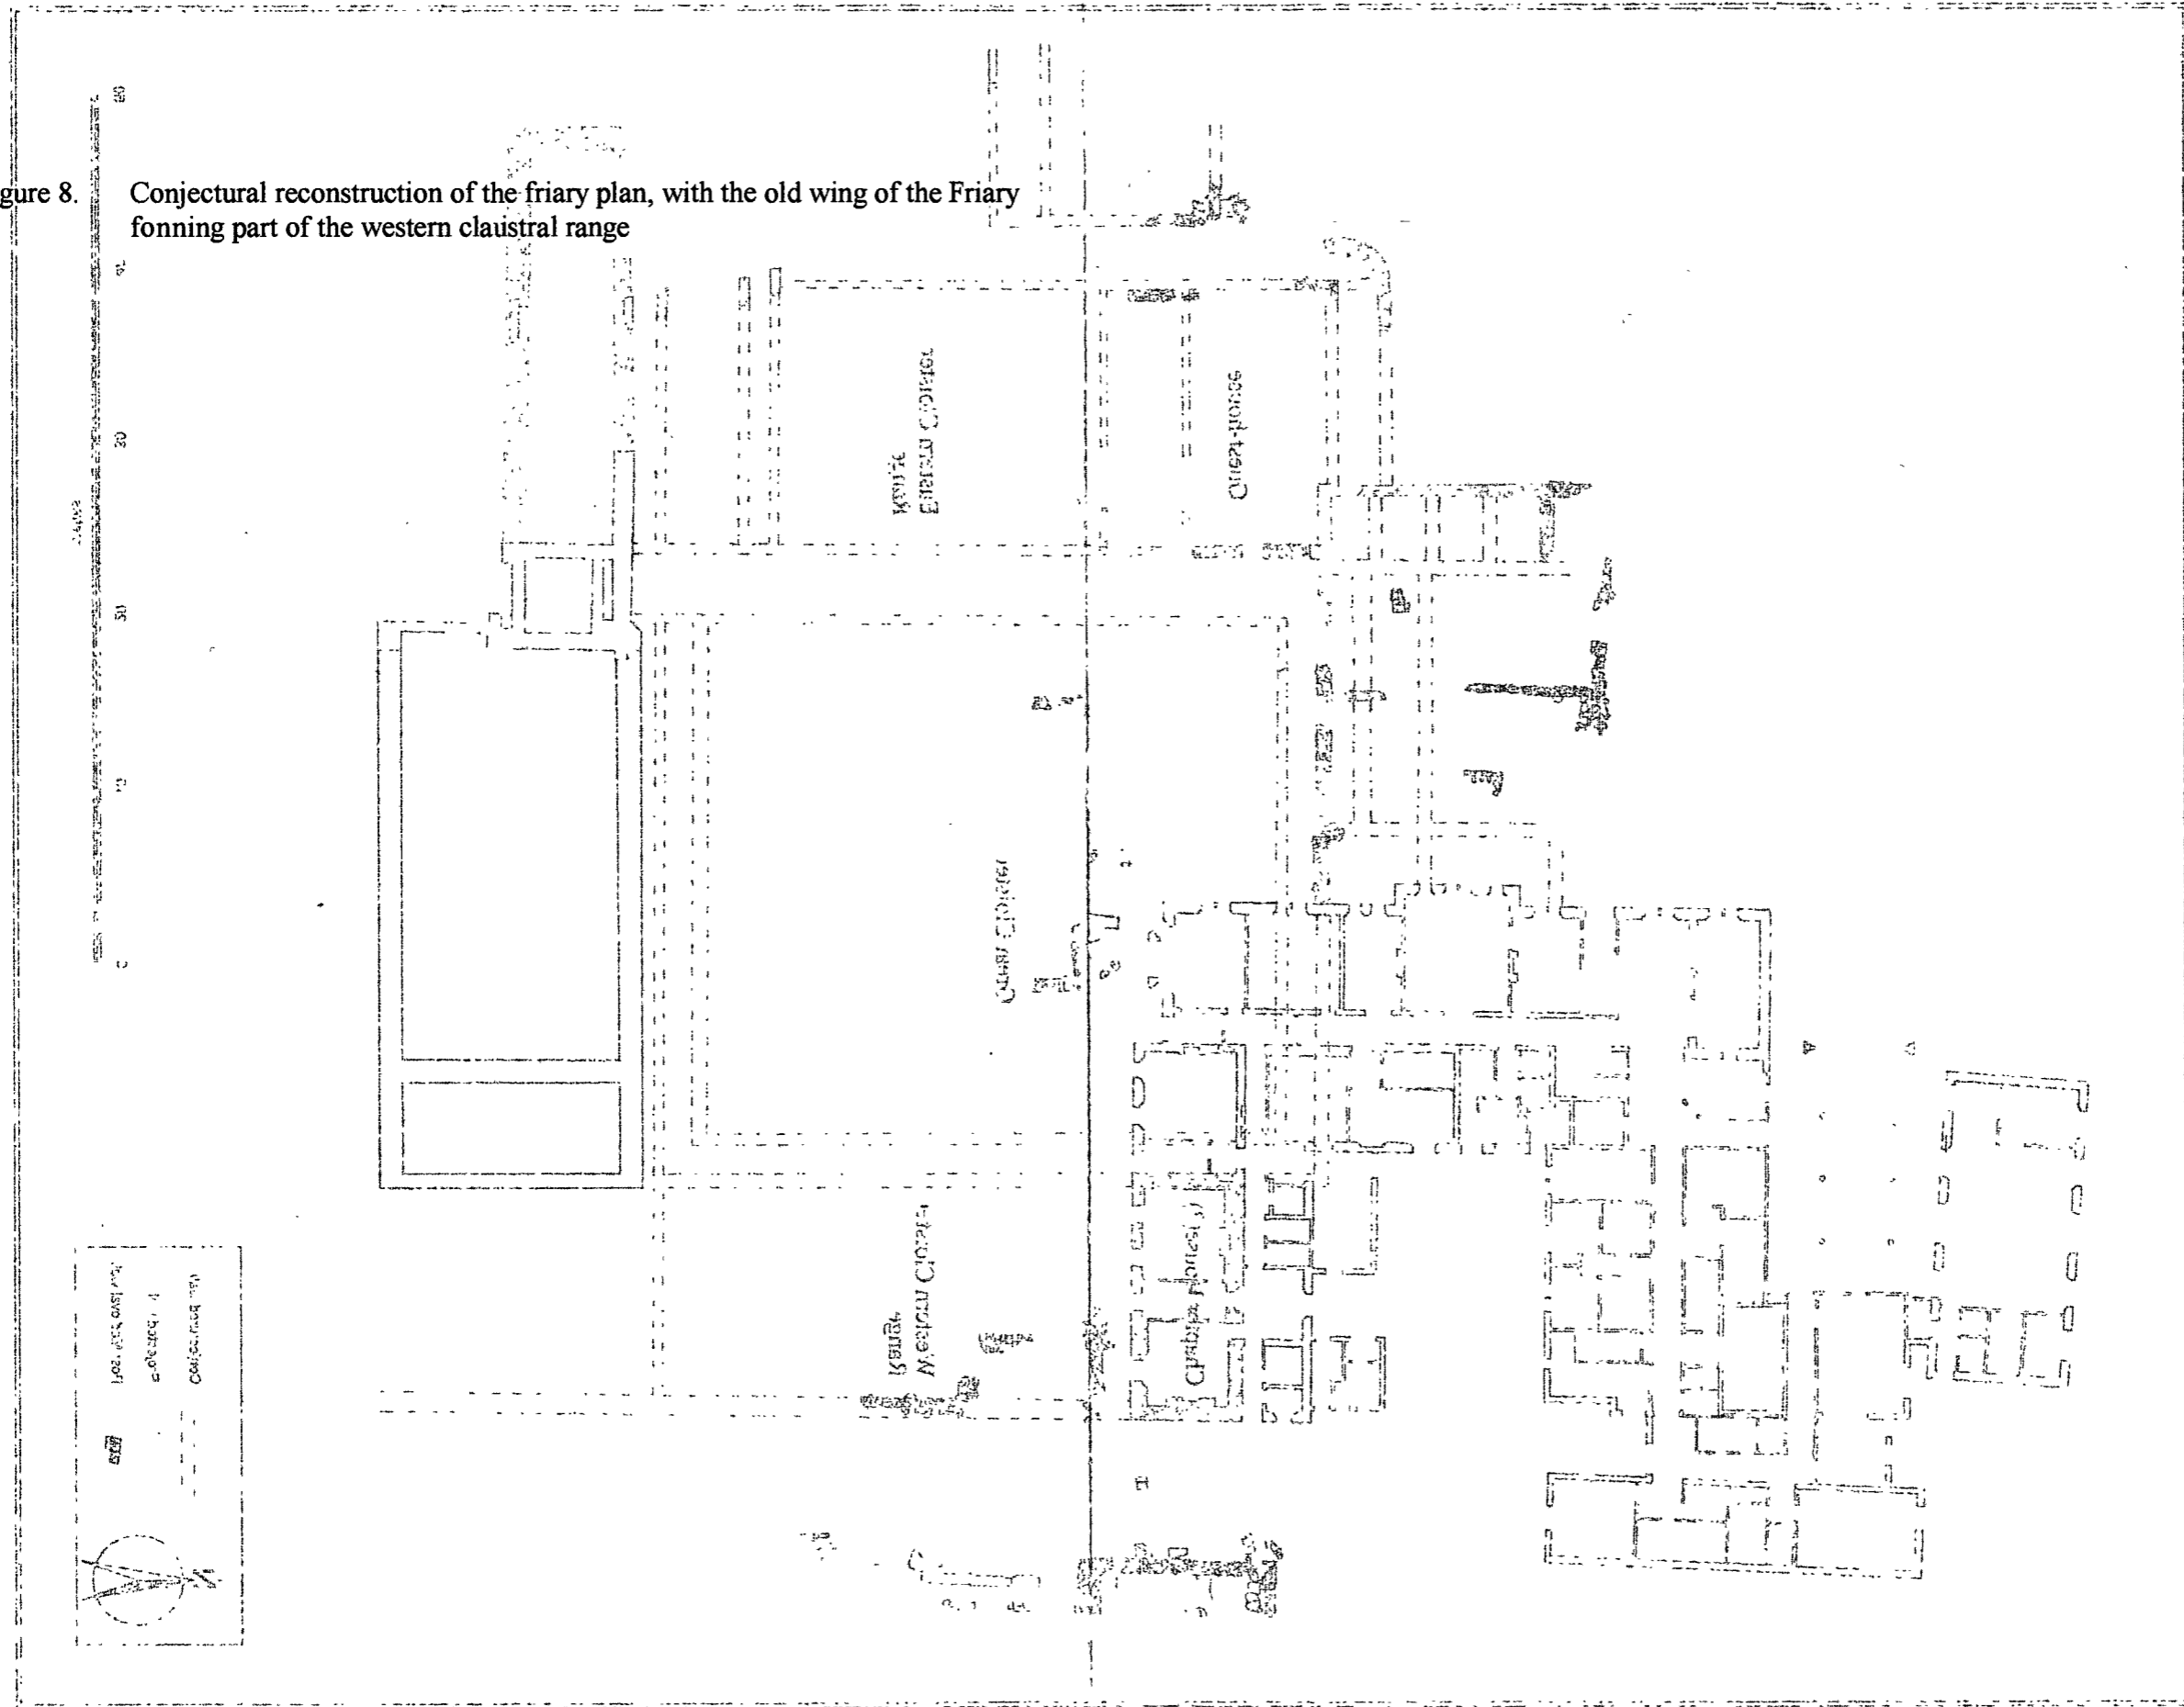

Figure 1. The plan of the abbey.

Figure 2. The plan of the abbey.

Figure 8. Conjectural reconstruction of the friary plan, with the old wing of the Friary forming part of the western claustral range

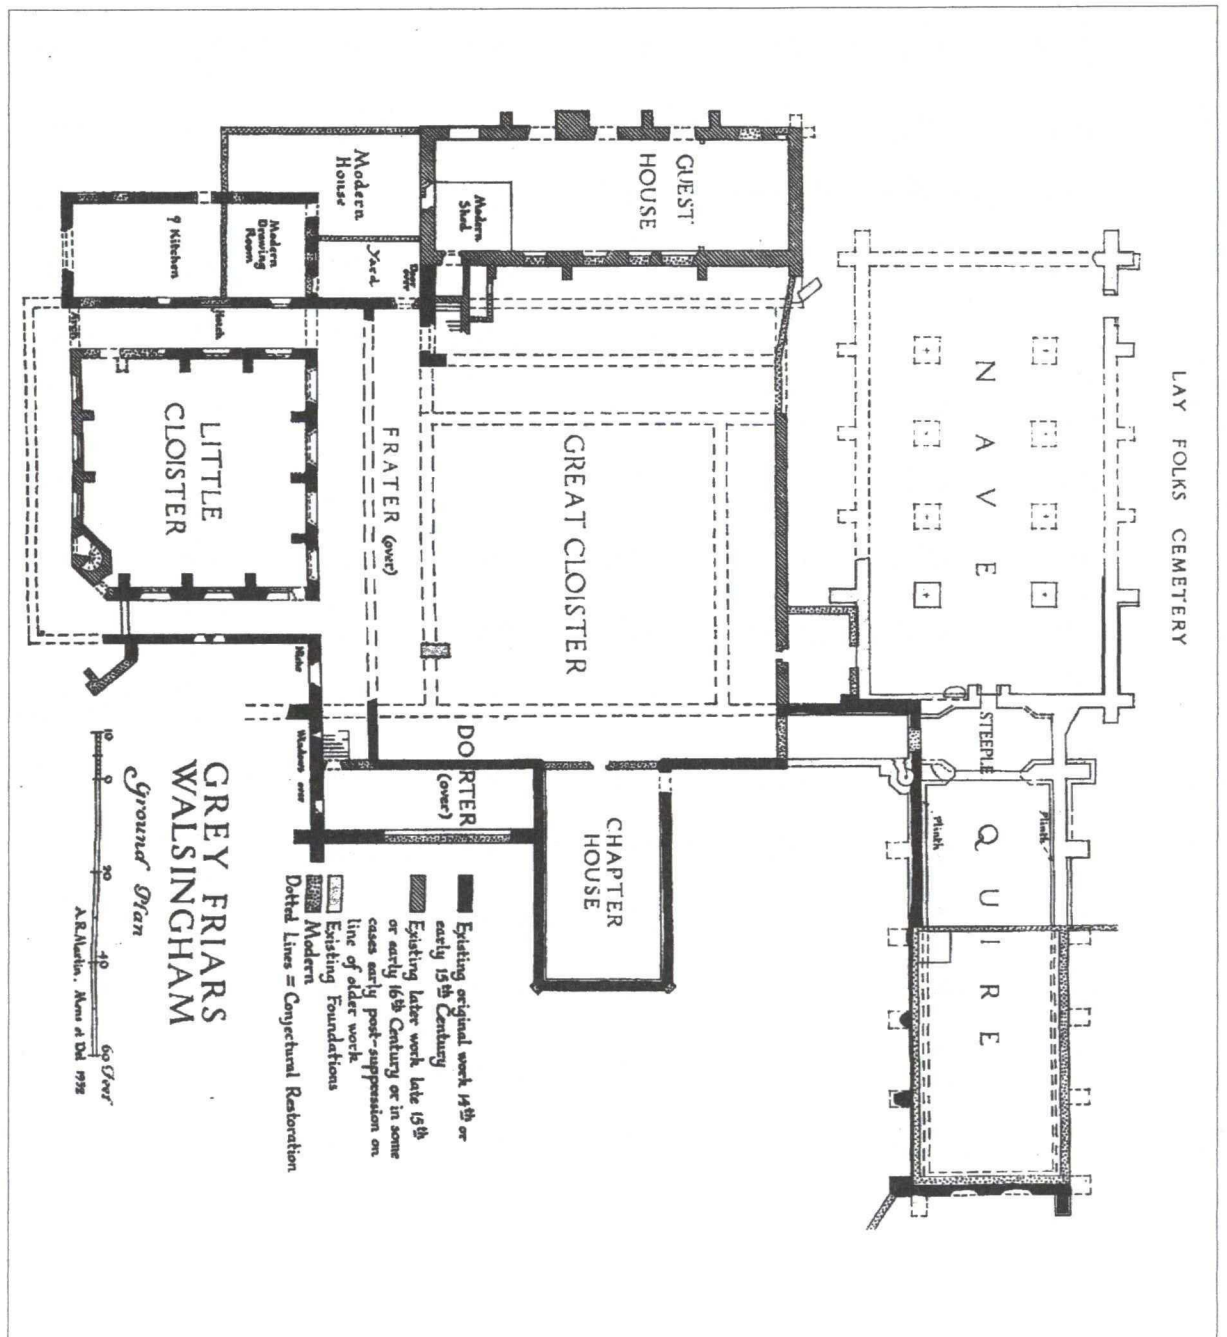

Figure 9. Plan of the Franciscan friary at Walsingham. From A.R. Martin *Franciscan Architecture in England*.

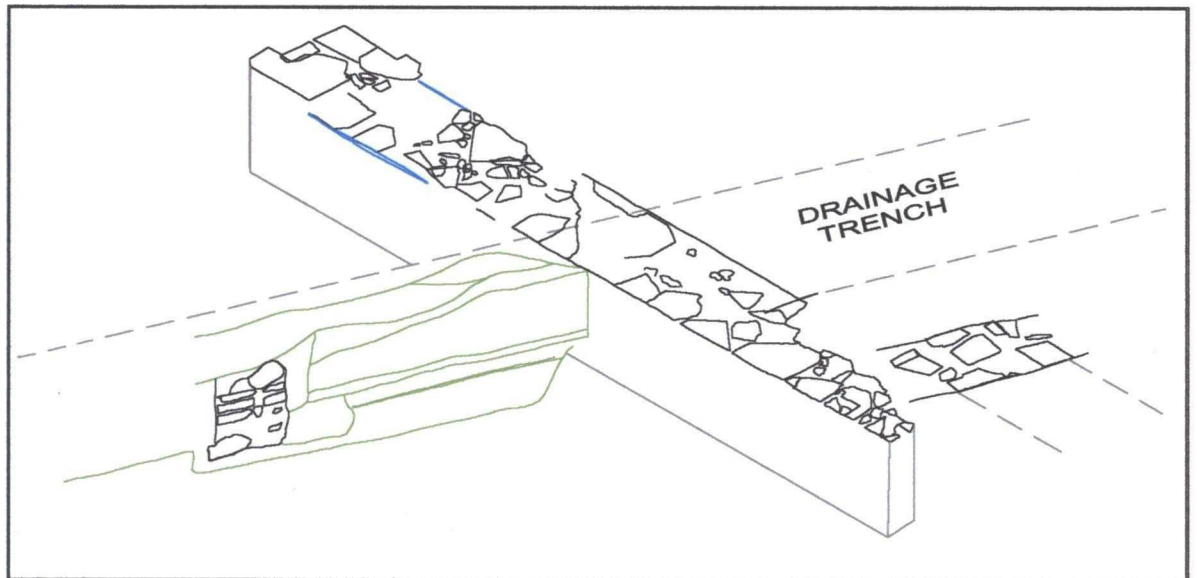

Figure 10. Isometric view of cloister walk revealed in section of drainage trench

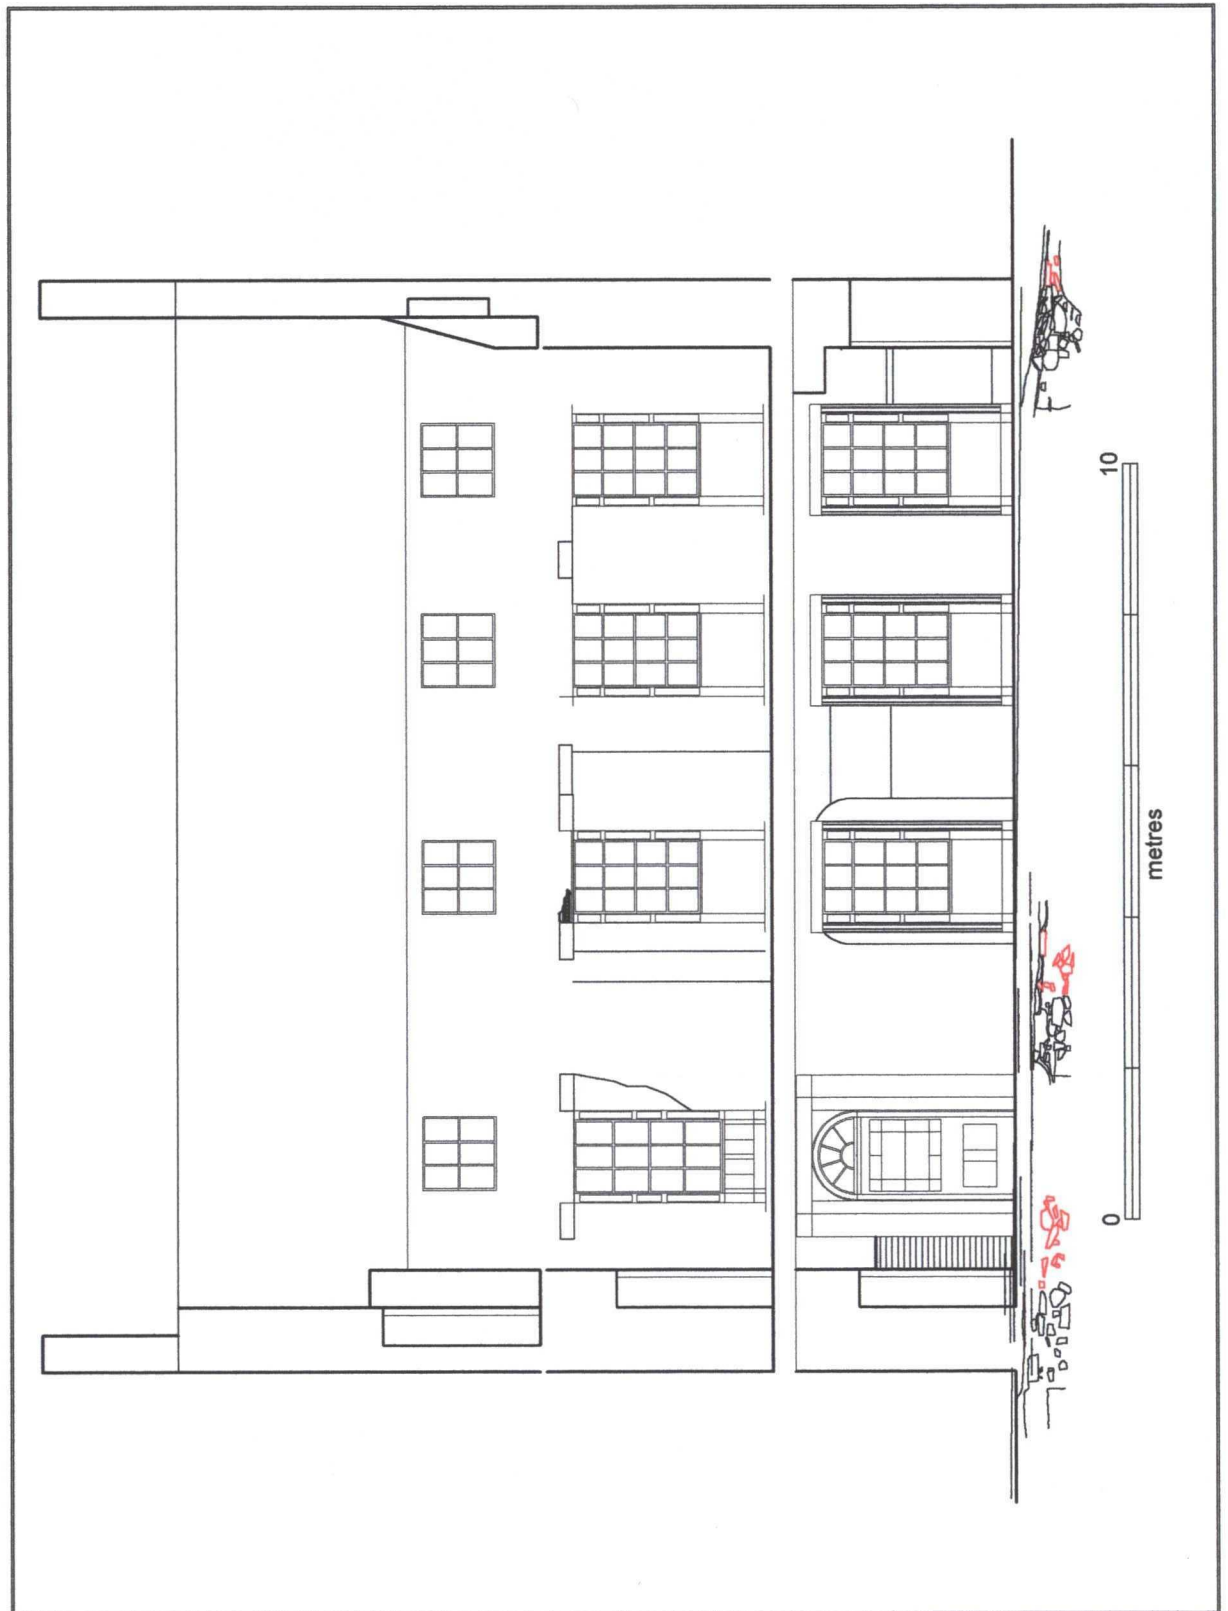

Figure 11. Subsurface structures to the south of the old wing of the Friary. Scale 1:100.
