

Plate 14. Trench 1 under excavation. Facing south-east.

Plate 15. Location of junction between Trenches 1 and 2. Facing South-east.

Plate 16. Trench 1 under excavation. Facing north-west.

Plate 17. Trench 1 under excavation. Facing north.

Plate 18. Alignment of Trench 2 pipe trench, prior to excavation. Facing south-west.

Plate 19. Alignment of Trench 2 pipe trench, prior to excavation. Facing south-west.

Plate 20. Alignment of Trench 2 pipe trench, prior to excavation. Facing south-west.

Plate 21. Alignment of Trench 2 pipe trench, prior to excavation. Facing north-west.

Plate 22. Alignment of Trench 2 pipe trench, prior to excavation. Facing north.

Plate 23. Alignment of Trench 2 pipe trench, prior to excavation. Facing north-north-west.

Plate 24. Previous backfilled excavation for pipe trench to west of Trench 2. Facing west.

Plate 25. Previous backfilled excavation for pipe trench to west of Trench 2. Facing west.

Plate 26. Alignment of Trench 2 pipe trench, prior to excavation. Facing north-east.

Plate 27. Previous backfilled excavation for pipe trench to west of Trench 2. Facing south-west.

Plate 28. Aluminium marker at junction of Trenches 1 and 2. Facing west.

Plate 29. Initial excavations in Trench 2. Facing south-west.

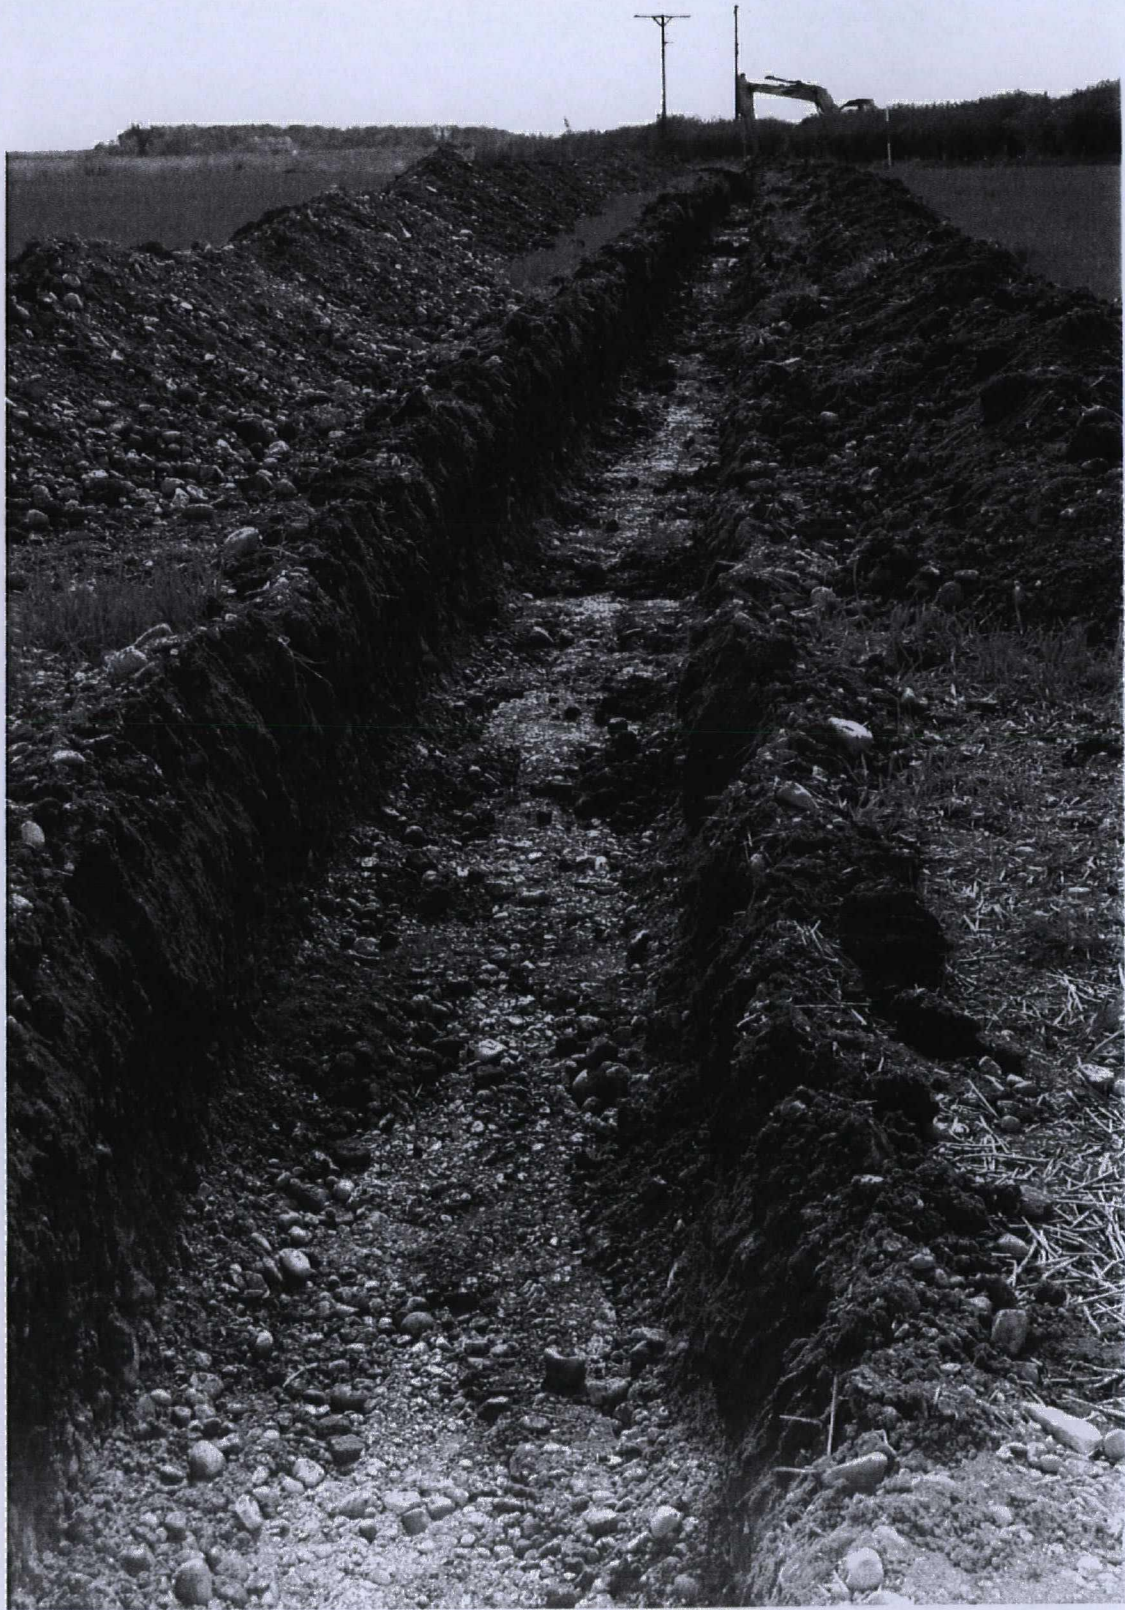

Plate 30. Completed excavation of Trench 1. Facing south-east.

Plate 31. Aluminium marker in Trench 1. Facing west.

Plate 32. Trench 2 under excavation, removal of the turf and topsoil . Facing north-west.

Plate 33. Aluminium marker in Trench 2. Facing north-west.
