Feedback on the Farmstead Assessment Framework

Thank you for taking part in the consultation workshop. Please take the time to tell us what you think of the assessment framework that you have used today. We will use your comments to shape the Lincolnshire Framework before sending it to further consultation.

What are your overall impressions of the assessment process?

Is the framework sufficiently detailed, too detailed or not detailed enough?

How do you envisage this guidance fitting in to the planning process?

How can the forthcoming Lincolnshire Framework best reflect local issues and opportunities?
