

Historic Farmsteads in Lincolnshire

- LOCUS Consulting
- Heritage Consultancy
 - Character
 - Community
 - Planning
- Based in East Midlands

Project Design

- Part of a national English Heritage programme
- Builds on earlier work in the county
 - Ongoing research
 - Historic Landscape Characterisation
- 3 Phases
 - Farmsteads & Landscape Statements
 - Farmstead Mapping
 - Farmstead Assessment Guidance

Farmsteads and Landscapes Statements

- A shared evidence base for the management of change
- Share a common area with Natural England JCAs
- Follow an established methodology
- Provide an overview of the character of the farmstead heritage resource

Farmsteads Mapping

- Detailed methodology provided by EH
- Base map is OS 1904 6" compared against up to date mapping
- Computerised, desk based rapid assessment
- Compatible and lodged with HER offices
- Provides a clear picture of the extent of the farmstead heritage resource

Farmsteads Assessment Guidance

- Modelled on existing EH template, but modified for Lincolnshire
- Provide a management toolkit for Owners, Developers and Local Authorities
- May be taken forward to provide volunteer toolkits – cf HaR
- Provides a means of managing change to the farmstead heritage resource

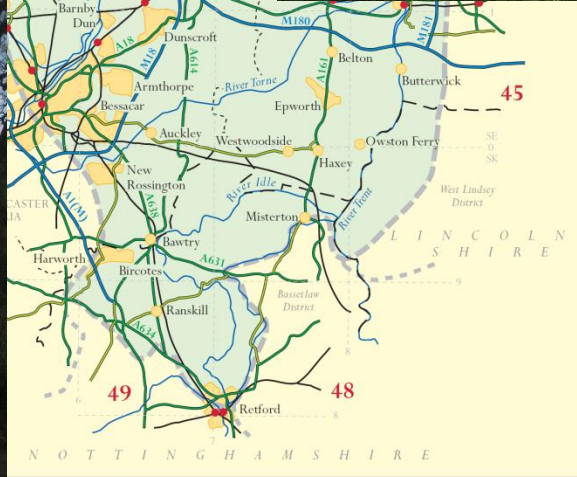

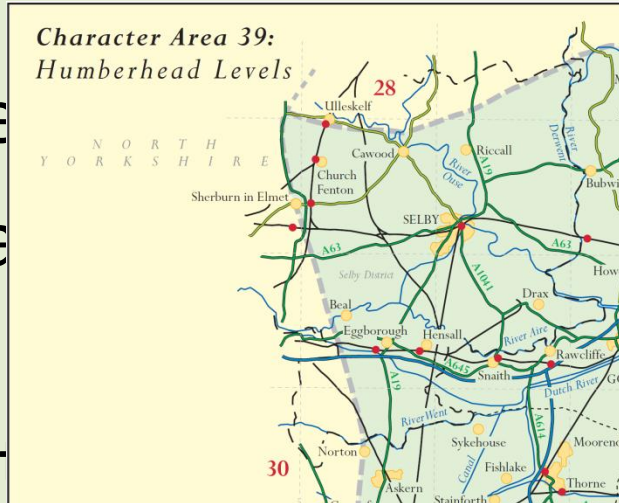

Overview of Character Areas

- Geographical extent defined by the Countryside Commission in 1998-99
- Being updated by Natural England
- In common use by LAs and other management bodies
- Provide a common framework for area-based decision making
