

20th Century Naval Dockyards Devonport and Portsmouth 6265 Record Form Figure nos relate to the published Report A bold Fig. no. indicates that the image is captioned more than once in Part 1 and/or Part 3.		Devonport and Portsmouth Dockyards Archive: TNA Building Refs: N/A Building Name: see below Grid References: SX 44921 55667; SU 63477 01030
Archive name and address	The National Archives, Bessant Dr, Kew, Surrey TW9 4DU	
Visit dates	2012–15	
Document references	See References	
Subject	History and maps of Devonport and Portsmouth Dockyards.	
Summarise the salient points of the documents	Images and data relevant to the report.	
Identify whether it should be copied for data: Yes/No	Yes	
Identify whether an image should be included in the Report: Yes/No If Yes explain why, as succinctly as possible (its relevance to technology/ chronology/ dockyard development/other/where it fits into the larger picture)	Yes	
Give indication of importance: Core/Secondary/Nil	Core	
Figure nos in published Report	<p>Fig. 13. H M Naval Dockyard, Portsmouth: Miscellaneous. Portsmouth yard and Royal Navy barracks, showing passive defence measures, including bombs dropped and buildings damaged, 1940–43. Scale: 1:1,666. Section showing bomb falls in the southwest corner.
