MR. C. C. THOMPSON, F.R.I.B.A.

We regret to announce the death during the past year of Mr. C. C. Thompson, F.R.I.B.A., a member of our Society, who has served on the Council of the Society for some years. Mr. Thompson was a member of the firm of Messrs. Currey & Thompson, architects, of Derby, who are well known for the sympathetic way in which they carry out repairs to ancient churches and other buildings. Mr. Thompson had a deep appreciation and knowledge of medieval craft-work, and was enthusiastic for the preservation of all that is good in old buildings.

Although he did not contribute much to the pages of our *Journal*, he was deeply interested in the work of the Society and his cheery personality will be greatly missed at our meetings. His residence was at Derby, but he passed away in a London nursing home on April 11th, 1932, aged 60 years.
