

- Archaeological features
- Ditch or pit
- Possible ditch
- Recent features
- Post-medieval field boundary
- Field drain
- Hand-dug quarry
- Uncertain features
- Possible bank or edge

Selected survey findings with AP interpretation
1:10000

- magnetic anomalies (archaeological ?)
- former field boundaries ?
- strong magnetic disturbances (recent / non-archaeological)
- broad / weak natural magnetic anomalies (wetland ?)
- background magnetic anomalies (mainly natural ?)
- cultivation
- pipe (and associated magnetic disturbance)
- drain ?
- strong (ferrous) magnetic anomalies
