BIBLIOGRAPHY FOR THE SEVERN ESTUARY LEVELS 1993

Compiled by Jon Brett

This list is in addition to the reference list for the Annual Report where other 1993 publications are highlighted by an asterick at the end of the reference. Articles in the SELRC Annual Reports themselves are not included. If members could inform Jon Brett or the Secretary of other relevant publications we will include them in the 1994 bibliography.

- Allen, J.R.L. 1992 Large-scale textural patterns and sedimentary processes on tidal salt marshes in the Severn estuary, southwest Britain. *Sedimentary Geology* 81, No. 3-4, 299-318.
