

Archivist's Note

:**XS**Y11

Trench 2 and 4 bulk samples discarded 24/9/12

No sample sheets completed for monoliths samples 23, 23, 28, 29, 37, 38 and 43

Context sheet [108] not found, but [108] included in section plan so context sheet completed by archivist.

Levels for Section 5, Trench 4: One of the TBMs was checked and altered by -1m, and the section datum levels updated. The level for section 5 was originally 0.49, but after the TBM check it was changed to -0.49m OD instead of -0.51m OD. The levels on the section drawing have not been changed.

Method Statement (doc number C263-MLA-X-RGN-CRG07-50023) already deposited with SBR.
