BY WALTER C. RENSHAW, LL.M., K.C.

THE following list of beneficed Clergymen in the Archdeaconry of Lewes and South Malling Deanery is based upon entries in the Visitation Books, and is by no means exhaustive. The particulars of the ordinations, presentations, institutions, inductions, and licences to preach are taken from those books. The notes of marriages, burials, wills and letters of administration are derived from the ordinary sources; and the University degrees are taken from the *Alumni Oxonienses*, *Grace Book Delta of the University of Cambridge*, *Graduati Cantabrigienses*, and the special works relating to the students of particular Colleges.

[Abbreviations used are:—Admon. = letters of administration; D. = deacon; ind. = inducted; inst. = instituted; ord. = ordained; P. = priest; pr. = proved; Dep. Bks. = Deposition Books of the Archdeaconry Court, where the descriptions given are those of witnesses.]
