

Short note on the coins from Goslett's yard, Camden (TCG09)

<9>, [75]

Copper alloy

Diam. 20mm

Coin; very poor condition, Victorian farthing-sized, post medieval, 19th century

<10>, [129]

Copper alloy

Diam. 17mm

Probably not a coin; very encrusted and degraded, with a raised rim on outer edge.

Likely to be part of a button, post medieval
