<b>IV      Viking Settlement in the Wirral</b> <i>S. Matthews</i>	107
Council and Officers for the Year 2002/2003	118
Index	119

## Illustrations

- I.1 Romano-British Settlement sites in the southern half of North West England, 1st to 3rd century AD
- II.1 Inscribed and other antefixes from Holt
- II.2 Distribution plan of Group 1 antefixes
- II.3 Jupiter Ammon antefix from 25 Bridge Street 2001
- II.4 Lion's head antefix from Goss Street 1973
- II.5 Upper fragment of lion's head antefix from 25 Bridge Street 2001
- II.6 Distribution plan of Group 2 antefixes
- II.7 White lime wash covers the surface of the Jupiter Ammon antefix from Newgate/Pepper Street 1963–4
- II.8 Antefixes of the Sixteenth Legion *Gallica* from Novaesium (Neuss)
- II.9 Detail of upper fragment of lion antefix from Novaesium (Neuss)
- II.10 Detail of upper fragment of lion antefix from Novaesium (Neuss)
- II.11 Detail of stamp depicting the head of Silenus
- II.12 Stamps and masks from Holt
- III.1 Simple location map showing position of Heronbridge in relation to Chester.
- III.2 Map of Roman Chester and environs.
- III.3 Site plan showing location of earthwork and investigations prior to 2002.
- III.4 1930–31 excavations, footings of side-wall of Roman strip-building.
- III.5 1930–31 excavations, footings of Roman building incorporating re-used architectural fragments.
- III.6 Altar dedicated to the Mother Goddesses Ollototae.
- III.7 Post-Roman burials found 1930–31.
- III.8 Post-Roman burials found 1930–31.
- III.9 Section through post-Roman earthwork, SW corner Field 2 1930–33.
- III.10 Section through northern arm of post-Roman earthwork 1931.
- III.11 1946–53 excavations, plan of earliest Roman buildings.
- III.12 1946–53 excavations, plan of Hadrianic buildings and 'dock'.
- III.13 Section across stream-bed and 'dock'.
- III.14 Roman Heronbridge; stone buildings, Hadrianic and later.
- III.15 Royal Commission on Historical Monuments site survey 1985 with location of 2002 and 2003 trenches marked.
- III.16 Plan of Trench V 2003 showing Civil War features.
- III.17 View of Trench V 2003. Civil War features viewed from east.
- III.18 Trench IV 2002, view south-east showing partly excavated ditch — under water with base of clay rampart beyond fronted by remains of stone revetment.
- III.19 Trench III, plan 2002.
- III.20 Trench III 2002, view west towards Eaton Road along line of ancient stream-bed. Mouth of inlet in foreground; bedrock to right, silt infill to left, modern field-drain running down centre.

- III.21 Trench III 2002, view east towards River Dee. Mouth of ancient inlet in foreground; silt infill to right, bedrock to left.
- III.22 Trench III 2002, view north along line of ancient river-cliff showing, at centre left, track leading down to side of inlet in foreground.
- III.23 Trench III 2002, north side of inlet showing various rock-cut features including, at centre top, two adult graves at edge of quay/promontory.
- III.24 Trench III 2002, rock-cut pits north side of inlet.
- III.25 Trench III 2002, view west of tip of promontory at north side of inlet mouth.
- III.26 Trench III 2002, detail of rock-cut graves at edge of promontory.
- III.27 Trench III 2002, grave (23) showing fragments of sculptured slab as found.
- III.28 Trench III 2002, grave (23), largest fragment of slab decorated with 'funerary banquet' scene showing young girl resting on couch with protective hand of parent on shoulder.
- III.29 Trench III, plan as extended in 2003.
- III.30 Trench III 2003, view looking south-west along rock face of quay. Note 'recesses' and lower platform terminating in vertical edge — bottom centre.
- III.31 Trench III 2003, view north along of rock face of quay.
- III.32 Trench III 2003, rock face of quay showing base of northernmost 'recess'.
- III.33 Plan showing restored hypothetical arrangement of mooring-posts.
- III.34 All fragments of 'funerary banquet' scene recovered in 2002. Joining pieces bottom right show curved leg of traditional three-legged table with, to right, legs of servant or additional legs of couch.
- III.35 Two fragments from panel/s of relief sculpture recovered in 2003.
- III.36 Fragment from top edge of sculptured panel with head of female figure.
- III.37 Fragment from lower part of sculptured panel decorated with female figure.
- III.38 Life-sized model of furniture (couch?) leg carved in sandstone.
- III.39 Map showing earthwork in relation to original course of river.
- III.40 Map showing maximum extent of river channel in the pre-Norman period.
- III.41 Simple diagrammatic plan showing location of inlet and quay in relation to road frontage buildings.

## Tables

- I.1 Late Prehistoric and Romano-British sites in the Mersey Basin.
- II.1 Table 1: Group 1 antefixes from Chester: quantification of types
- II.2 Group 2 antefixes from Chester: quantification of types
