Aloha you all,

I'm in.

Got myself located down to +/- 5 meters.

Now to get some King Cobra Laulau for breakfast.

Hard to predict what I'll be doing next Friday, but it will probably be on O'ahu – either a monitoring gig or more write up reports for the Wailua Bridge project on Kaua'i. What I know for sure is that there will always be pau hana drinks after work (Tgif, damn straight!).

Cheers,

HB
