

# DIGGING FOR FUN

July 29, 2011 David Dungworth Day of Archaeology, Day of Archaeology 2011 Anthropology, Archaeological sub-disciplines, Archaeology, Community Archaeology, Cultural heritage, Dump digging, Excavation, Spit

So on the Day of Archaeology I will be digging in a field in Somerset with a community archaeology group. It's been a couple of years since I have done any excavating and so I am looking forward to it. My day job is in archaeology but unfortunately it doesn't give me many opportunities to actually dig any more. (I have taken annual leave to take part in this excavation).
