

# THE WEEK AHEAD...

July 29, 2011   Paul Belford   Commercial Archaeology, Community Archaeology, Day of Archaeology 2011, Post Medieval   Charmed, http, industrial archaeology, Nexus, Nexus Heritage

I am still not entirely sure exactly what I'll be doing on the Day of Archaeology, but most of my work this week will be desk-based. Having said that I have today been unexpectedly called on to visit a site tomorrow morning, so we'll see how that goes.

For some background to the work I do please visit my personal blog: <http://bit.ly/paulbelford>

To see what Nexus Heritage do generally, please look at our website: <http://www.nexus-heritage.com/>

It is very exciting to be involved with this [Day of Archaeology](#); I look forward to seeing what [everyone else](#) is up to!
