“At the beach, life is different. Time doesn't move hour to hour but mood to moment. We live by the currents, plan by the tides, and follow the sun.”

(thats the theory, anyway)

Welcome to the beautiful Isle of Bute on the west coast of Scotland – a hidden gem in the pantheon of Scottish islands. My name is Paul and I project manage all things archaeological for the Discover Bute Landscape Partnership Scheme, a four year multi partner project which aims to get people out, about and active in the landscape of the island – welcome to my day
