

STUDYING HARD, HOPING TO PASS (TRENTO, ITALY)

July 5, 2012 Italian National Association of Archaeologists Bronze Age, Day of Archaeology, Day of Archaeology 2012, Education, Iron Age, Italy, Prehistory Italian National Association of Archaeologists, Trento

TRENTO, ITALY

I'm currently preparing for a rare "concorso pubblico" (public competitive exam) in the hottest week of the summer (so far) ..with no real hopes but with good friends (so it seems less hard). In the meanwhile, I hope to receive a call to begin working at an excavation site because -of course- I want-like-need to work.
