

# ONE WORD ARCHAEOLOGY

July 24, 2015 ASI Excavation, Explore Posts, Historical Archaeology, Maritime Archaeology Canada, contract archaeology

**ASI** is the largest archaeological and cultural heritage consulting company in Ontario, Canada, with over 35 years experience in the production & dissemination of knowledge concerning our past.

We could write a long post detailing all of the various projects we are working on, the sites we have completed and our day-to-day experiences working in heritage, but we decided to keep it simple this year. Below are some images we compiled from our staff over the past few days that we think accurately reflect our lives at ASI.
