

Summary:
grain surface/microscope/ /hide ID

Conservation Note

Site: context: accession number:
XSM10

Site name:
Crossrail - Broadgate

Period:

Materials:
leather

X-Ray Numbers:
X

Simple Name:
grain surface

Photo Pathway:
N/A

Details/Comments/Sketch:

Acc No	Context	Object	Period	Hide ID
2608	6638	Purse	PM	calf
2612	6639	Purse	PM	worn, possibly sheep/goat
2613	6639	Purse	PM	too little grain to ID
2720	8289		PM	worn, possibly sheep/goat
3136	6639		PM	sheep/goat
3177	914	Shoe	PM	cattle
3192	6638		PM	too little grain to ID
3196	1343	Shoe	PM	cattle

Notes:

- For shoes, assume only upper has been looked at unless stated.
- It is difficult to say for definite if a hide is calf, as the grain pattern just gradually increases in size between calf and cattle.
- If the number of fragments has not been noted it can be assumed that all the main pieces are the same.
